Hello John McGrath,

I have never met you but am sending you this e-mail because yours is the only name on the Euthanasia Committee that I recognize. My wife Nola and I reside in Shoalwater Bay, and petition you against any relaxation of the Euthanasia Laws in this State. Some of the reports I read from overseas countries, especially Holland, where euthanasia is practiced make any change to the existing law here untenable and unthinkable, Hoping this letter is considered,

Kind regards Laurie Smith OAM JP
