Hello

In response to the Committee's terms of reference (due in by Fri 30/01/2015), the Shire of Irwin has considers:

1. The public should have free access to all Australian Standards;
2. We are unsure if legislation needs to be changed to improve public access;
3. Australian Standards should be freely available online;
4. Adopted standards provided to the Committee should be made freely available online; and
5. With regard to other matters, purchasing Australian Standards is expensive and inhibits public access to them.

Kind regards
