

10 Years Old

I think we should add more posters around talking about Bringing more healthy food and how junk food affects us.

When I don't get the food I need I feel hungry, tired, unfocused and sick.

Australian and Vietnamese

I get good food all the time.

I do not need more help to get good food

My friends and I share food.

Class has helped me a lot about learning a lot about healthy food .

My parents provide me with healthy food .

I have learnt a lot about good food.
