EOLC Sub 268

Joint Select Committee
on End of Life Choices
Legislative Assembly
Parliament House
PERTH WA 6000

SUBMISSION

In my opinion, a patient with a terminal condition does not have to continue treatment if he/she wishes so.

All patients should be given palliative care to ease the pain. The government should give enough funding for palliative care to all people who need it.

I am concerned that if euthanasia is permitted by law, Western Australia will develop abuses of the people as it has happened overseas.

Yours faithfully,
PAUL SOLARSKI
