**PETITION IN RELATION TO BASSETT ROAD SENIOR VILLAGE**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are opposed to the demolition of the relatively new Bassett Road Senior Village in the town of Karratha to make way for the Sharpe Avenue extension.

The relocation of the units will cause undue stress and further isolate the aged residents of the units that are required to reside in close proximity to the town centre to access services, as many do not own their own transport.

Your petitioners therefore respectfully request the Legislative Council oppose the demolition of the Bassett Road Senior Village and to urge the Shire of Roebourne to seek alternatives to the relocation of Sharpe Avenue, therefore protecting the Bassett Road Senior Village.

And your petitioners as in duty bound, will ever pray.
