Dear Matthew

**PETITION NO. 014 – PROPOSED LANDFILL IN ESPERANCE**

As Principal Petitioner for the proposed landfill in Esperance I am writing to thank you and the members of the Standing Committee on Environment and Public Affairs for investigating the request as tabled in Petition 014. I am very pleased to inform you that the petition seeking a Public Environmental Review has been successful. The Environmental Protection Authority made this ruling public on 19 February 2018.

Investigation and research carried out by the Standing Committee on Environment and Public Affairs most certainly attributed to this result.

In appreciation

Jill Fitzpatrick
