**PETITION IN RELATION TO ALFRED COVE TOMPKINS PARK**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia do not want a surf sports wave park to be constructed or operated on Tompkins Park, Alfred Cove in the City of Melville.

CLERK OF THE LEGISLATIVE COUNCIL

Your petitioners respectfully request the Legislative Council to request the responsible Ministers and Government Departments to exercise authority or discretion to not approve or consent to:

- 1) Any development application or environmental approval application for the Wave Park Group Pty Ltd or any associated entity to construct or operate a Wave Park at Tompkins Park.
- 2) Any application by the City of Melville to acquire, purchase or transfer Crown Land Lot 9789 Volume/Folio LR-3141/868 or to grant any extension of any Management Order with Power to lease over the above land to the City of Melville.

We are asking that you ensure that the whole of Tompkins Park remains as a public open space freely available to the entire community whilst maintaining Tompkins Park's natural amenity and protecting adjacent estuarine environments for all current and future generations.

And your petitioners as in duty bound, will ever pray.
