Petition in relation to Bassendean Activity Centre Plan prepared by LandCorp
To the President and Members of the Legislative Council of the Parliament of Western Australia in
Parliament.

1476

We the undersigned residents of Western Australia oppose development of residential and/or commercial buildings on our recreational Reserves at Bassendean Oval (Blue Steel Oval) and B.I.C Reserve. These areas hold great historical and social significance. The money to purchase and improve these lands was provided by residents of the Bassendean district in the 1920's. Said lands were removed from the Transfer of Lands Act so as to be retained in perpetuity for the people of this district as reserves dedicated to recreational purposes.

Your petitioners therefore respectfully request that the Legislative Council:

- Discontinue with the LandCorp plans for housing development on our Reserves and ensure that the original Grant of the Lands is respected now and into the future by retaining our Bassendean Oval and B.I.C. Reserve green spaces in their entirety for recreational purposes.

And your petitioners as in duty bound, will ever pray.
