WEST PERTH WA 6005

Dear Mr Foster

PETITION NO. 60 – SEWERAGE PROVISIONS ADJACENT TO KENWICK TRAIN STATION

Thank you for your letter dated 12 May 2023 requesting comment on the above petition, following the recent State Government announcement of a \$55 million water investment to unlock housing development in strategic sites across Perth.

This program will be delivered by Water Corporation and will bolster the supply of diverse housing options in areas marked for new or higher density development, through vital water and wastewater upgrades to key transport and METRONET precincts.

Special Development Contribution Areas will be created to ensure State investment is recouped fairly and equitably from future developers who benefit from planned upgrades.

This program has also identified two strategic development precincts in Kenwick and Maddington which will also benefit from connections to reticulated wastewater infrastructure.

I can confirm the area and properties identified in Petition No. 60 will be provided wastewater reticulated services through this program.

Thank you again for your enquiry and I trust the information I have provided is of assistance.

Yours sincerely

HON SIMONE MCGURK MLA
MINISTER FOR WATER
