

Google Chrome issues accessing Parliament of WA Committee Broadcasts.

If you see this message while trying to view a Committee broadcast...

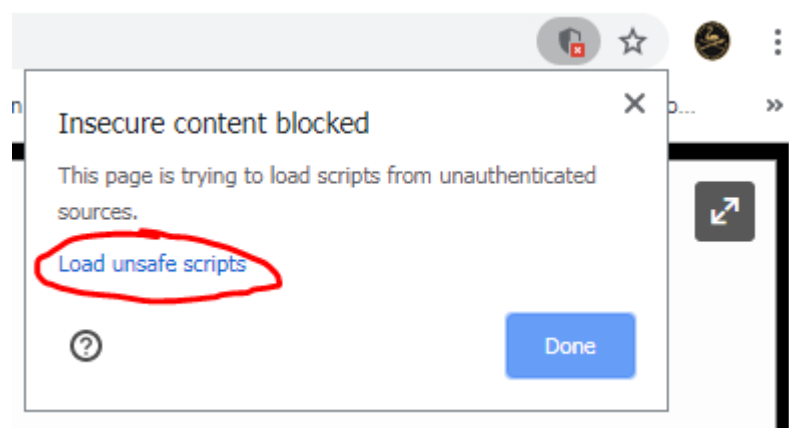

Follow these steps...

Go to the shield icon in the top right hand corner of the browser window and click on it

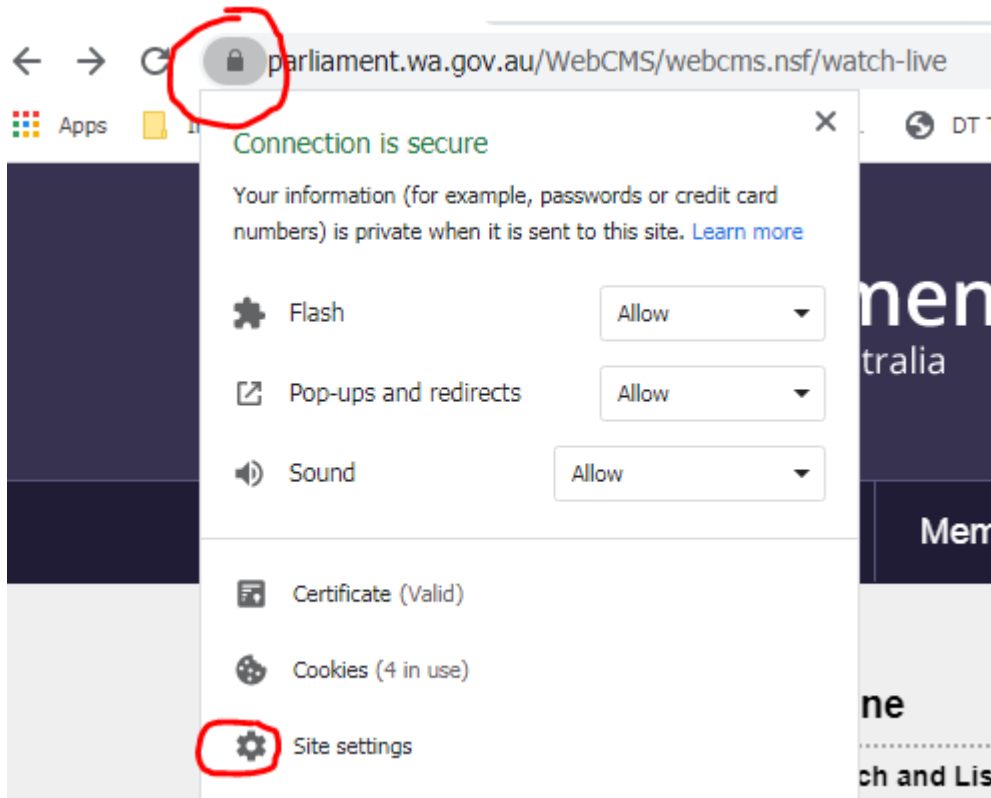

Click on **Load Unsafe Clips**

OR ...

Click on the padlock on the left hand side of the address – might need to be on the actual page that's having a problem.

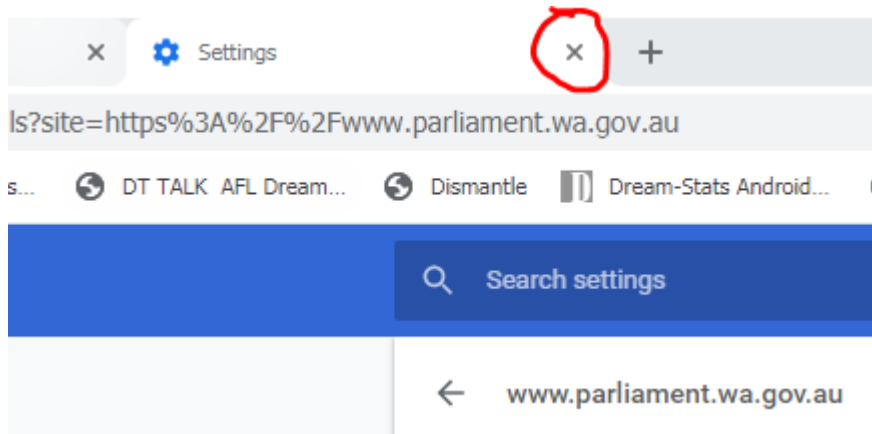

Select Site settings from the drop down menu

Scroll to the bottom of the permissions

Change these settings to 'Allow' rather than 'Block (default)'.

Close the settings tab...

Make a copy of the URL to watch-live

<https://www.parliament.wa.gov.au/WebCMS/webcms.nsf/watch-live>

Restart Google Chrome, paste in the URL and try the video link again.
