

What is this about?

Easy English for children & young people

Problems with food.

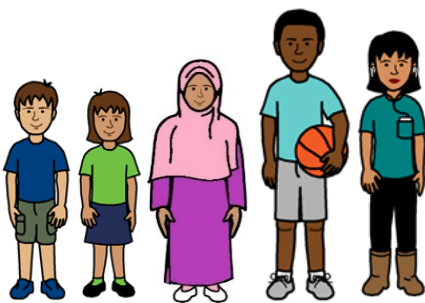

We are part of the WA government.

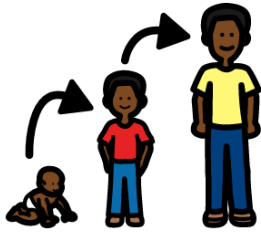

We want to know about food for

- children
- young people.

We want to hear from

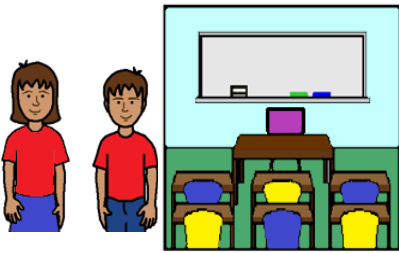

- children
- young people.

You need lots of good food to

- grow

and

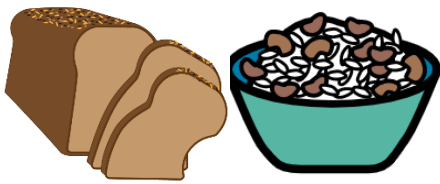

- learn.

Good food is a mix of

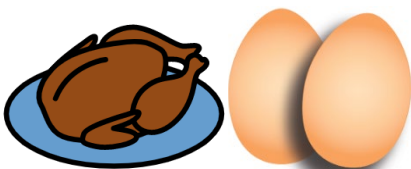

- milk
- fresh fruit
- fresh vegetables

and

- bread
- rice
- noodles

and

- fresh meat
- fish
- eggs.

Some families do **not** have much money.

It is hard to get good food.

Some families do **not** know how to make good food.

Some children are hungry.

They need more good food.

There are places to help people get food. Like

- you get a meal. It is free. It can be
 - at a van
 - at a church
 - at school

or

- you get a bag of food. You take it home

or

- you get a food ticket.
You use it to buy food from the shops.

There may be classes about food. You can learn

- what is good food?
- how can you get good food?

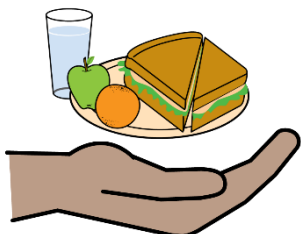

- how to cook good food?

We want to know

- how many children need help to get good food?
- where are the children who need help?

and

- how can the government help?
