**Questions listed for this sitting: -**

4225. Mr C.J. Tallentire to the Minister for Education

- (1) Before the 2008 election, the Liberal Party said it would provide Community Schools with the autonomy to determine an effective behaviour management program that reflected the values of the local school and community, and that schools would not be constrained by a bureaucracy that was out of touch with the specific issues within a school community. Does the Minister agree that for this to happen, independent public schools would need to be exempted from Part 3, Division 5 of the *School Education Act 1999*?

4226. Mr J.N. Hyde to the Minister for Culture and the Arts

In relation to the 5 October 2010 media release Local governments to benefit from new library funding model, I ask:

- (a) will the Minister table the full funding model showing allocations to each local government, as per draft tables published in previous draft library funding agreements; and
- (b) which are the 13 per cent of libraries which will be worse off under this new model, receiving a lower allocation than in 2009-2010?

4227. Mr W.J. Johnston to the Minister for Regional Development

I refer to the answer provided by the Minister on 12 October 2010 to Question On Notice 3987 and the answer the Minister provided to Question Without Notice 433 on 19 August 2010, and I ask:

- (a) why does the Minister consider rice productivity in the commercial scale trials of 6 tons per hectare to be very encouraging, when this is more than 25 percent below the national five-year average for rice productivity in Australia;
- (b) is it true that one of the reasons for the below Australian-average productivity for the rice grown in the Ord lands, is because of native birds eating the rice while it is still growing;
- (c) why did the Minister tell the House on 19 August 2010 that 1,700 tons of rice had been grown in the commercial scale trial when only 1,440 tons had been grown;
- (d) what are the high-value niche marketing opportunities through the Sunrice connections that are being made available to Ord growers;

- (e) why did the Minister tell the House on 19 August 2010 that there will be up to 10,000 tonnes of rice in next year's harvest when that is actually the target over 2 or 3 years;
- (f) how does the Minister reconcile the statement on 19 August 2010 that growers on the ground see the ability for up to 80,000 or 100,00 tonnes of production, with his answer of 12 October 2010 that the industry's current aspirations with rice are around 50,000 tonnes;
- (g) can the Minister advise what are the:
  - (i) more downstream processing facilities that industry players are seeking to establish in the East Kimberley;
  - (ii) current rice-industry processing facilities that already exist in the East Kimberley;
  - (iii) sites for these existing and future facilities;
  - (iv) names of companies that have currently made proposals to the Government to establish such new facilities;
  - (v) expected time-frames on the establishment of such new facilities; and
  - (vi) expected costs of Government-provided infrastructure for these new facilities;
- (h) can the Minister assure the community that there will be no direct capital subsidies for the establishment of the new commercial facilities described in his previous answer;
- (i) in respect of the diversified crop scenario that the Minister referred to in his answer of 12 October 2010, what are the other crops and tonnages that will make up this scenario; and
- (j) given that the Minister said in his answer of 12 October 2010 that the industry has to yet finalise its commercial rice processing arrangements, is it expected that any of the rice grown in the Ord will ever be sold for final consumption in Australia?

4228. Mr M.P. Murray to the Minister for Health

With reference to available diabetic services in the South West, I ask:

- (c) what other specialist services are available in the South West for diabetic patients; and

  - (i) what are their locations?

4229. Mr J.N. Hyde to the Minister for Tourism

In reference to the Minister for Health's and Healthway's appropriate decision not to finance, or support, this year's failed One Movement Festival, I ask:

- (a) is the Minister aware that at 10pm on Saturday night there were just 14 attendees at a free One Movement concert in the CBD and just four in the audience in a nearby One Movement-Sunset Events exclusive event;
- (b) is the Minister aware that despite having Sponsored by Healthway and SmokefreeWA giant banners at free concert sites and laneways, staff were smoking in One Movement uniforms;

- (c) as even a commercial sponsor like *The West Australian* has admitted there were scarce audiences at One Movement events, will the Minister reveal the full \$3 million sponsorship deal, with free and paid audience numbers, between the Government and One Movement; and
- (d) will the Minister acknowledge that One Movement has been a \$3 million disaster for Western Australia; and
  - (i) will the Minister cancel next year's sponsorship?

4230. Mr J.N. Hyde to the Minister for Tourism

In relation to the thousands of free tickets given away to the One Movement concerts due to the lack of paying customers, I ask:

- (a) will the Minister ensure that her own Financial Register and those of her tourism officials, record the true financial value of her attendance and hospitality at One Movement events; and
  - (i) if not, is this due to commercial-in-confidence considerations surrounding the \$3 million sponsorship; and
- (b) as the Minister's press release on One Movement stated there were obvious economic benefits being generated through visitation to the State, will the Minister outline the real financial operation of One Movement?
