The provisions of this Part —

- 15 to consist of 2 separate acts —
- (a) this Part applies only to the separate act that comes within paragraph (c)(ii) of that section; and
- (b) for the purposes of this Part that act is taken to be done at the time provided for by paragraph (d) of that section.

(2) The requirements are —

**4.6. Other statutory requirements not affected**

**4.7. Proponent where act relates to mining**

Where the Part 4 act, if done, would —

- 10 (3) The Government party may amend a determination under subsection (2).
- (4) The Government party must give notice in writing to each proponent of —

(a) filed a native title determination application under section 61 of the NTA in relation to any part of the relevant land; and

5 (b) within 7 days of doing so, notified the Government party and any proponent in writing of that fact,

the closing date for the act is, by the giving of such notice, automatically extended by one month from the date fixed under subsection (1).

10 **4.10. Notification of acts**

(1) Before a Part 4 act is done, public notice of the act must be given by advertisement —

(a) in a newspaper circulating generally throughout the State; or

**4.12. Notice may relate to 2 or more acts**

One notice may relate to the doing of 2 or more Part 4 acts.

15   **4.13. Project acts**

- (1) If the Government party is satisfied that 2 or more Part 4 acts constitute or form part of a project to be carried on in a specified area, the Government party may make a determination in writing to that effect.
- 20   (2) The Government party must give a copy of the determination to each proponent.
- (3) If a notice that relates to the doing of 2 or more Part 4 acts —
- (a) identifies a project for which a determination under subsection (1) is in force and has a copy of the
- 25           determination attached to it; and

- (b) states that 2 or more Part 4 acts to which the notice relates constitute or form part of the project (whether or not the notice separately specifies the area that each act will affect),

5 this Part applies to all of those acts as if they were a single act.

- (4) However this does not mean that conditions of the kind mentioned in section 4.24(b)(ii), 4.31(2)(c), 4.46(1)(b), 4.54(1)(b), 4.54(2)(c) or 4.54(3)(b) must —

- (a) apply to all of the project acts comprising the single act; or
- 10 (b) be the same for all of the project acts to which they apply.

**4.14. Who gives notice**

- (1) The notices required by section 4.10 are to be given —
  - 15 (a) by the Government party where the Part 4 act is a compulsory acquisition that comes within section 26(1)(c)(iii) of the NTA; or
  - (b) in the case of any other Part 4 act, by persons of a class prescribed by the regulations for the purposes of this paragraph.
- 20 (2) A proponent or other person who is required to give any notice is to submit to the Government party proof of the notice having been given.

**4.15. Prescribed provisions about notice**

- 25 (1) The regulations may make provision about the giving of notice under this Division including how the requirement to give notice —

**4.16. Right to object to doing of act**

(1) A person that is, in relation to any part of the relevant land —

10 (a) a registered native title body corporate; or

(b) subject to subsection (2), a registered native title claimant,

may lodge an objection to the doing of a Part 4 act.

15 (2) Subsection (1)(b) does not apply if there are one or more registered native title bodies corporate in relation to all of the relevant land.

**4.17. Requirements for objections**

An objection must —

20 (a) be lodged with the Government party in accordance with the requirements of the relevant notice;

(b) state the manner in which it is said that the doing of the act would affect the objector's registered native title rights and interests in relation to the relevant land; and

25 (c) comply with any other requirements of the regulations as to the form or content of objections.

**4.18. Time limit**

- (1) An objection to the doing of a Part 4 act cannot be lodged after the closing date.
- (2) Where, on the application of a person made before the closing date, the Commission is satisfied that exceptional circumstances so require the Commission may —
- (a) fix a later closing date for the lodgement of objections to the doing of the act; and
- (b) give such directions as the Commission thinks appropriate as to the giving of notice of the date so fixed.
- (3) Despite the fact that the closing date for a Part 4 act has become a later date by operation of subsection (3) of section 4.9 —
- (a) only a person referred to in that subsection may lodge an objection to the doing of the act between the previous closing date and the later closing date; and
- (b) for other persons the closing date for the purposes of subsection (1) continues to be the previous closing date.

**4.19. Government party to notify the Commission of objections**

- (1) The Government party must notify —
- (a) the Commission; and
- (b) any proponent,
- of the particulars of all objections lodged on or before the closing date.
- (2) Notification under subsection (1) must be given as soon as is practicable after the closing date and in any case not later than 14 days after that date.

**4.20. Withdrawal of request etc. by proponent**

(1) The proponent in relation to a Part 4 act may give notice in writing to —

- (a) the Commission;
- 5 (b) the other negotiation parties (if any); and
- (c) the Government party,

that the proponent's request, application or submission for the doing of the act is withdrawn.

10 (2) If there is more than one proponent a notice under subsection (1) is of no effect unless it is given by all of the proponents jointly.

(3) The giving of a notice under subsection (1) to all of the persons referred to in that subsection brings to an end any procedures that have begun under this Part.

15 **4.21. Withdrawal of proposal by Government party**

(1) The application of section 4.20 extends to cases where —

- (a) section 4.7 does not apply; and
- (b) a proponent has not been determined under section 4.8.

(2) In that event —

- 20 (a) a notice may be given by the Government party that the act will not be done; and
- (b) the provisions of section 4.20 apply with all necessary changes.

- (b) where section 4.7 does not apply —
- (i) the Government party;
- (ii) each objector; and
- 10 (iii) any person determined under section 4.8(2) to be a proponent but only so long as the person consents to being a negotiation party.

- 15 (1) Where a Government party is a Minister of the Crown the negotiation functions of the Government party under this Part may be performed by any official authorized by the Government party for that purpose.

- (ii) the doing of the act subject to conditions to be complied with by any of the negotiation parties.

**4.25. Involvement of Commission, including mediation**

- 5 (1) If any of the negotiation parties requests the Commission to do so, the Commission must mediate among the parties to assist in obtaining their agreement.
- (2) The negotiation parties must report to the Commission on progress made in the negotiations at such time or times as the Commission may in writing direct.
- 10 (3) If the Commission considers that the negotiation parties or any of them are not making sufficient attempts to reach an agreement the Commission is to use its best endeavours —
  - (a) to have the parties negotiate as required by section 4.24; and
  - 15 (b) to bring about —
    - (i) an agreement of the kind mentioned in that section; or
    - (ii) the withdrawal of the objections.

**4.26. Withdrawal of objection**

- 20 (1) At any time before a determination is made under Division 5 in relation to an objection the objector may withdraw the objection by notice in writing given to the Commission.
- (2) The Commission is to notify the negotiation parties of any such withdrawal.

**25 4.27. Agreement made by parties**

If at any time before any determination is made under Division 5 the negotiation parties make an agreement of the

kind mentioned in section 4.24, they may give a copy of it to the Commission.

**4.28. Commission's function in respect of an agreement**

- 5 (1) This section applies only if the Government party is not a negotiation party.
- (2) Where a copy of an agreement is given to the Commission under section 4.27 it is to consider the agreement and either —
- 10 (a) accept the agreement if the Commission is satisfied as to the matters set out in subsection (3); or
- (b) decline to accept the agreement if it is not so satisfied.
- (3) The matters as to which the Commission is to be satisfied are that —
- 15 (a) the negotiation parties have made the agreement;
- (b) the agreement has been properly executed; and
- (c) no party has alleged, and proved to the Commission, that the party did not freely and voluntarily enter into the agreement.
- (4) If the Commission accepts the agreement it is to —
- 20 (a) give notice in writing of that fact to the parties and to the Government party; and

**4.29. Effect of conditional agreement**

- 25 (1) An agreement that a Part 4 act may be done subject to conditions being complied with by the negotiation parties has effect —

(b) if the act is done,

as if the conditions were terms of a contract among the negotiation parties.

5 (2) Subsection (1) is in addition to any other effect that the agreement may have apart from this section.

(3) If an objector is a registered native title claimant, any other person included in the native title claim group concerned is taken to be a negotiation party for the purposes only of this section.

10 **Division 5 — Determinations**

Subdivision 1 — Ministerial determination where Commission determination unreasonably delayed

**4.30. Responsible Minister may give Commission notice as to urgency**

15 (1) At any time later than 4 months after the Commission has given a notice under section 4.41 in respect of a Part 4 act and before either —

(a) the negotiation parties have —

20 (i) made an agreement of the kind mentioned in section 4.24; and

(ii) given it to the Commission under section 4.27;

or

(b) the Commission has made a determination under section 4.46,

25 the responsible Minister may give a written notice to the Commission requesting it to make such a determination within the period specified in the notice.

- (2) The period must end at a time later than 6 months after the notice under section 4.41 was given.

**4.31. Responsible Minister may make determination**

- 5 (1) The responsible Minister may, subject to section 4.32, make a determination in respect of a Part 4 act if —
- (a) the Commission has not made a determination in respect of the act within the period specified in a notice under section 4.30;
- 10 (b) all objections to the doing of the act lodged under section 4.16 have not been —
- (i) withdrawn under section 4.26; or
- (ii) dismissed under section 4.43;
- (c) no agreement of the kind mentioned in section 4.24 has been —
- 15 (i) made in relation to the act;
- (ii) given to the Commission under section 4.27; and
- (iii) accepted by the Commission under section 4.28(2);
- and
- 20 (d) the responsible Minister has complied with the requirements of sections 4.33, 4.34 and 4.35.
- (2) The determinations that the responsible Minister may make are —
- 25 (a) a determination that the act may be done;
- (b) a determination that the act must not be done; or
- (c) a determination that the act may be done subject to conditions to be complied with by any of the negotiation parties.

- (3) A determination must be made by the responsible Minister personally.

**4.32. Grounds for making determination**

- 5 (1) The responsible Minister may only make a determination under section 4.31 if he or she considers that —
- (a) the Commission is unlikely to make its determination within a period that is reasonable having regard to all the circumstances; and
- 10 (b) it is in the interests of the State to make the determination at the time.
- (2) Subsection (1) does not prevent the responsible Minister from having regard to other matters in deciding whether to make a determination.

**4.33. Consultation with Commonwealth Minister**

- 15 The responsible Minister may only make a determination of the kind described in section 4.31(2)(a) or (c) after he or she has consulted the Commonwealth Minister about the determination.

**4.34. Notice and submissions etc.**

- 20 (1) Before making a determination under section 4.31, the responsible Minister must give notice in accordance with this section.
- (2) The responsible Minister must give written notice to the Commission requiring it, by the end of the day specified in the notice, to give to —
- 25 (a) the Minister; and
- (b) each negotiation party,

a summary of material that has been presented to the Commission in the course of the Commission considering whether to make a determination under section 4.46 in respect of the act concerned.

- 5       (3) The responsible Minister must give written notice to each negotiation party that the Minister is considering making the determination and that each negotiation party —
- 10           (a) may, by the end of the day specified in the notice, give the Minister any submission or other material that the negotiation party wants the Minister to take into account in deciding whether to make the determination and, if so, its terms;
- 15           (b) if the negotiation party does so, must also give each of the other negotiation parties a copy of the submission or other material; and
- 20           (c) may, within 7 days after the specified day, in response to any submission or other material given by —
- (i) any other negotiation party; or
- (ii) the Commission,
- give the Minister any further submission or other material that the negotiation party wants the Minister to take into account as mentioned in paragraph (a).
- 25       (4) The day specified under subsection (2) or (3) must —
- (a) be the same in all of the notices given under the subsections; and
- (b) be a day by which, in the responsible Minister's opinion, it is reasonable to assume that all of the notices so given —
- 30           (i) will have been received by; or
- (ii) will otherwise have come to the attention of,

the persons who must be so notified.

- (5) If the responsible Minister complies with this section, there is no requirement for any person to be given any further hearing before the responsible Minister makes the determination.

5     **4.35.     Material etc. taken into account**

In making the determination, the responsible Minister —

(a)    must take into account —

- 10                   (i)   any submission or material provided by any of  
the negotiation parties in accordance with  
subsection (3) of section 4.34, but only if the  
negotiation party has complied with the  
requirements of paragraph (b) of that subsection;
- (ii)   any report provided by the Commission; and
- 15                   (iii)  any consultations with the Commonwealth  
Minister under section 4.33; and

(b)    may, but need not, take into account any other matter or  
thing.

**4.36.     Minister's power not limited**

20           The fact that no submission or other material of the kind  
mentioned in section 4.34 has been given to the Minister before  
the end of the day specified in the notice does not prevent the  
Minister from making the determination.

**4.37.     No duty to make determination**

25           (1)   The responsible Minister does not have a duty to make a  
determination under section 4.31.

(2)    This is so despite —

(a)    the giving of any notice by the Minister;

- 5 (b) the giving of any submission or other material to the Minister;
- (c) any request by a negotiation party for the responsible Minister to make the determination; and
- (d) any other circumstance.

**4.38. Conditions to have contractual effect**

- 10 (1) Any provision in a determination under section 4.31 that the act may be done subject to conditions being complied with by any of the negotiation parties has effect, if the act is done, in accordance with this section.
- (2) Any such conditions have effect, in addition to the effect that the determination has apart from this section, as if they were the terms of a contract among the negotiation parties.
- 15 (3) If an objector is a registered native title claimant, any other person included in the native title claim group concerned is taken to be a negotiation party for the purposes only of this section.

**4.39. Copy of determination to be given**

- 20 The responsible Minister must give a copy of any determination under section 4.31 to the negotiation parties and the Commission.

**4.40. Copy of determination to be laid before Parliament**

- 25 (1) The responsible Minister must cause a copy of a determination under section 4.31, together with reasons for the determination, to be laid before each House of Parliament.
- (2) Subsection (1) is to be complied with as soon as is practicable after the determination is made and in any case, in relation to a

House of Parliament, within 15 sitting days of that House after the determination is made.

Subdivision 2 — Determination by Commission

**4.41. Commission may notify intention to hear**

- 5       (1) The Commission may give notice to the negotiation parties that it intends to hear and determine objections to the doing of a Part 4 act if —
- (a) an agreement of the kind mentioned in section 4.24 has not been —
- 10               (i) made by the negotiation parties;
- (ii) given to the Commission under section 4.27; and
- (iii) accepted by the Commission under section 4.28(2);
- or
- 15       (b) all objections to the doing of the act have not been withdrawn.
- (2) A notice under subsection (1) in respect of a Part 4 act may be given by the Commission —

- (b) on the application of a negotiation party made after the expiry of that period.
- (3) The Commission must grant an application made under subsection (2)(b) if —
- 25           (a) a determination has not been made under section 4.31; and
- (b) the application —
- (i) complies with section 4.59; and

(ii) is accompanied by the things required by section 4.60.

(4) Without limiting section 7.23 and whether or not section 4.13 applies, a notice under subsection (1) may relate to more than one act and the objections to the doing of the act.

(5) In this section —  
“**negotiation period**” means the period beginning on the closing date and ending 4 months after that date.

**4.42. Negotiations may continue**

Where the Commission —

- (a) has given notice under section 4.41; but
- (b) has not made a determination,

in respect of a Part 4 act, the negotiation parties may continue to negotiate with a view to —

- (c) bringing about an agreement of the kind mentioned in section 4.24; or
- (d) the withdrawal of the objections.

**4.43. Objections may be dismissed**

The Commission must dismiss an objection if —

- (a) it is not made by a registered native title body corporate or a registered native title claimant as required by section 4.16; or
- (b) the rights and interests claimed to be affected by the doing of the act are not registered native title rights and interests of the objector.

**4.44. Time for making determination**

- 5           (1) The Commission must take all reasonable steps to make a determination under section 4.46 in respect of a Part 4 act within the period of 6 months (“**the allowed period**”) starting when a notice under section 4.41 is given in respect of the act.
- 10           (2) If it appears to the Commission that it will not make a determination within the allowed period, the Commission may, before the end of the period, ask the responsible Minister to extend the period, and that Minister may comply with the request.
- (3) An extended period may be further extended under subsection (2).
- (4) The Commission must not make a determination after the end of the allowed period or any extended period.
- 15           (5) Nothing in subsection (2) affects the operation of Subdivision 1.

**4.45. No determination if agreement etc.**

The Commission must not make a determination in respect of a Part 4 act if —

- 20           (a) all of the objections to the doing of the act have been withdrawn;
- (b) an agreement of the kind mentioned in section 4.24 has been —
- (i) made by the negotiation parties;
- (ii) given to the Commission under section 4.27; and
- 25           (iii) accepted by the Commission under section 4.28(2);
- or
- (c) a determination has been made under section 4.31.

**4.46. Making of determination**

- (1) Subject to section 4.45, the Commission must make one of the following determinations —

  - 5 (b) a determination that the act may be done subject to conditions specified in the determination to be complied with by any of the negotiation parties;
