## **Public Administration Committee: New inquiry into the delivery of ambulance services in Western Australia**

The Standing Committee on Public Administration has commenced an inquiry into the delivery of ambulance services in Western Australia. In particular, the Committee will consider:

- how 000 ambulance calls are received, assessed, prioritised and despatched in the metro area and in the regions;
- the efficiency and adequacy of the service delivery model of ambulance services in metro and regional areas of WA; and
- whether alternative service delivery models in other jurisdictions would better meet the needs of the community.

Hon Pierre Yang MLC, Chair of the Committee, said:

"Ambulance services constitute a vital part of our health system, directly impacting hundreds of Western Australians every single day. For this reason, ambulance services are always topical for the community.

Recognising this, and consistent with the Committee's role to oversee systems of public administration within the State, the Committee resolved on 17 June 2021 to inquire into the delivery of ambulance services in Western Australia."
