Upgrade of East Road and Wanneroo Road Intersection

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled. We the undersigned ...

Express our concern regarding traffic management at the East Road and Wanneroo Road intersection in the City of Wanneroo, which is causing safety concerns for pedestrians, drivers, and the wider community. A Road Safety Inspection by Main Roads WA in February 2022 identified several issues relating to the intersection configuration, including a lack of sight distance, pedestrian and cyclist safety, and insufficient gaps in traffic flows, especially at peak times. In the interests of road safety, we, therefore, call on the Legislative Council to consider measures to improve this busy and dangerous intersection, and to undertake works to deliver these necessary improvements.

And your petitioners as in duty bound, will ever pray
