## NON-GOVERNMENT BUSINESS

---

### 1. Government failure to deliver adequate services

Hon Dr Steve Thomas to move —

That this House notes —

- (a) the McGowan Government will announce another multi-billion dollar surplus today, thanks to rising State taxes, the high iron ore price and the GST floor put in place by the former Coalition Federal Government; and
- (b) that despite this wealth the McGowan Government is still failing to deliver adequate services to the people of the State including in the areas of health, housing, regional development, tax reform and emergency response,

and calls on the Government to lift its performance for the benefit of the people of this great State rather than its own self-interest.

---

## PRIVATE MEMBERS' BUSINESS

---

### 1. Investment in community sport

Hon Stephen Pratt to move —

That this House —

- (a) recognises the important role that sport plays in the Western Australian community; and;
- (b) notes the McGowan Government's strong commitment to community sport through its investment in infrastructure projects and initiatives such as Kidsport to encourage involvement in sport across Western Australia.
