MOTIONS

1. Elder Abuse (*Notice given 15 February 2022*)

Hon Nick Goiran: To move —

That this House —

- (a) reminds the McGowan Labor Government that its January 2017 election manifesto on responding to elder abuse promised that it would “expedite” amendments to the law surrounding enduring powers of attorney and guardianship;
- (b) notes that on 13 September 2017 the Legislative Council established, on the motion of the Opposition, the Select Committee into Elder Abuse;
- (c) reminds the Government that the Select Committee’s 24th recommendation in its 2018 Final Report called on it to “act as a matter of urgency”;
- (d) notes that more than 5 years have passed since the election promise was made;
- (e) expresses its deep concern about the impact on victims of elder abuse given its prevalence in our State and reports of an increase during the pandemic; and
- (f) calls on the Government to apologise for breaking trust with the victims, the electors and the Parliament, and to make amends without any further delay.

2. COVID-19 in 2022 *(Notice given 24 February 2022)*

Hon Dr Steve Thomas: To move —

That this House —

- (a) notes this State's lack of preparedness for the inevitable outbreak of COVID-19 in 2022 and the spread of the Omicron strain;
- (b) notes the constant changing of the State's COVID rules by the State Government, and that the lack of consistency is damaging to the business community in particular;
- (c) notes the lack of openness and accountability of the Government in making these changes, including not making the information used to make the decisions and thresholds and trigger points freely available;
- (d) notes that this arrogant willingness to keep the community in the dark is unnecessary and unjustified, as the vast majority of the community is mature enough to assess the situation rationally; and
- (e) calls on the McGowan Government to stop treating the Western Australian community with contempt, and provide them with consistent, clear and manageable rules for COVID and release all supporting data and information used to justify them and all thresholds for future actions.

3. Government Budget Surpluses *(Notice given 23 March 2022)*

Hon Dr Steve Thomas: To move —

That this House —

- (1) Notes that —
 - (a) the McGowan Government's prediction of \$15 billion in surpluses over five years looks to be an underestimate given the high iron ore price and high oil price;
 - (b) the McGowan Government has also reaped in hundreds of millions of dollars extra in local fees, charges and taxes, which has given it the highest revenues and largest budget surpluses in the history of Western Australia; and
 - (c) despite this record income the McGowan Government has failed to adequately deliver services to the people and businesses of this State, and that many of their Ministers have failed in their tasks.
- (2) Calls on the McGowan Government to use the massive wealth in the upcoming 2022-23 State Budget to improve its performance, and to deliver a real vision for the future of all the people of Western Australia, including those in the regions.

4. Homelessness in Western Australia *(Notice given 11 May 2022)*

Hon Sophia Moermond: To move —

That this House recognises that homelessness in Western Australia has reached alarming levels with around nine thousand people considered homeless on any given night of the week, and the McGowan Labor Government must do more to tackle the problem by —

- (a) urgently having independent analysis done on the changing scale and nature of homelessness across Western Australia taking into account the many social, economic and policy factors that impact on homelessness;
- (b) identifying policies and practices from all levels of government that have a bearing on delivering services to the homeless; and
- (c) drastically increasing financial aid to those organisations that work with the homeless so as they can expand their operations to help more Western Australian citizens.

5. Cost of Living *(Notice given 12 May 2022)*

Hon Sophia Moermond: To move —

That this House acknowledges the incredible rise in the cost of living that has become a burden on everyday Australians, with rising fuel and grocery prices, record inflation, and an increase in transport and business costs and —

- (a) urges the McGowan Labor Government to consider all economic levers at its disposal to further ease cost of living pressures in Western Australia; and
- (b) also urges the Premier, in his role as Treasurer, to set up an investigation by his department to consider how a Universal Basic Income for all Western Australian residents could ensure that citizens are keeping up with everyday cost of living pressures and that no one in our State is living under the poverty line.

6. Greyhound Racing *(Notice given 17 May 2022)*

Hon Sophia Moermond: To move —

That this House —

- (a) notes that the greyhound racing industry in Western Australia is a cruelty fuelled, so-called “sport”, that is designed to profit off the immense suffering and pain of racing greyhounds;
- (b) further notes that the wellbeing, safety, and welfare of greyhounds is *not* the number one priority of Greyhounds WA, instead it is only after corporate profits and government support to enrich themselves; and
- (c) calls on the government to immediately ban the archaic blood sport that is greyhound racing for good.

7. Human Rights of People with Disability *(Notice given 16 June 2022)*

Hon Lorna Harper: To move —

That the Legislative Council commends the McGowan Labor Government’s ongoing commitment to individual and systemic advocacy in Western Australia in working to promote, protect and defend the human rights of people with disability.

8. Elimination of Gas in Residential Buildings *(Notice given 11 August 2022)*

Hon Dr Brad Pettitt: To move —

That this House calls on the McGowan Government to:

- (a) bring forward legislation that will end gas connections in all new residential buildings as soon as possible;
- (b) create and fund a plan to eliminate gas from houses entirely; and
- (c) develop and fund a range of incentives that will help households and businesses change over from gas to renewable, electric houses.

9. Innovation Booster Grant *(Notice given 1 September 2022)*

Hon Dan Caddy: To move —

That this House notes the McGowan Government's commitment to foster innovation and grow entrepreneurship in Western Australia through the successful Innovation Booster Grant and by providing initial funding for start-ups and small businesses to commercialise their ideas and create jobs.

10. State's Energy System *(Notice given 16 November 2022)*

Hon Dr Steve Thomas: To move —

That this House notes —

- (a) the risk of power outages in the State's energy system over this and future summers;
- (b) the Government's admission that it will likely need to import coal to Collie to generate electricity;
- (c) the Government's plan for energy transition announced in a media release on 14 June 2022 which highlights —
 - (i) the inability of the Government to detail how the proposed new energy system would maintain baseload energy;
 - (ii) the inability of the Government to detail how the proposed new system would provide adequate storage of energy, and
 - (iii) the hopes of the Government that the private sector will somehow come up with solutions to all these issues in the next few years,

and calls on the Government to deliver a fully detailed and costed plan for energy transition without unknowns and guesswork.

11. Iron Ore Royalties *(Notice given 16 November 2022)*

Hon Dr Steve Thomas: To move —

That this House notes —

- (a) the correction of the iron ore price over the last year;
- (b) the impending correction of iron ore royalties to be received by the Government;
- (c) the failure of the Government to use the massive incomes they received in the 2019-22 boom to improve the services delivered to the Western Australian community, and
- (d) the widespread crises being experienced by people at the end of the biggest fiscal boom in this State's history.

12. Fines Enforcement Regime (*Notice given 24 November 2022*)

Hon Pierre Yang: To move —

That this House notes the historic reform of Western Australia's fines enforcement regime during the last term of Government and commends the McGowan Government on the meaningful difference this reform has provided to those in our community who experience genuine hardship as a result of their inability to pay a fine. In particular, this House notes in relation to the reform —

- (a) the impact of the commencement of the work and development permit scheme;
- (b) the reduction in the number of individuals imprisoned as a result of fine defaulting;
- (c) the introduction of garnishee orders and their impact in recovering payment for outstanding fines; and
- (d) the prohibition of issuing licence suspension orders for individuals whose last known address is in a remote area, addressing the disproportionate impact of suspended licences on individuals living in remote areas without public transport infrastructure.

13. Attorney General (*Notice given 30 November 2022*)

Hon Nick Goiran: To move —

That this House —

- (a) expresses its concerns that the Attorney General has once again broken the law of our State;
- (b) notes that —
 - (i) since 7 April 2022, the Attorney General has been knowingly in breach of section 110ZZE of the *Guardianship and Administration Act 1990*; and
