Speaker's Statement – Typographical error in Legislative Council Message No. 91

The Deputy Speaker advised members that the Speaker received today a letter from the Acting Clerk of the Legislative Council in the following terms:

I refer to Legislative Council Message No. 91, in which the Council seeks the Legislative Assembly's concurrence with an attached schedule of amendments to the Directors' Liability Reform Bill 2022.

Please note that in Amendment No. 1 of the Schedule, an identical error has been made in two separate places to the title of the Swan and Canning Rivers Management Amendment Act 2023.

Specifically, the word "Amendment" has been accidentally omitted.

In the Acting Clerk's opinion in both cases this is an obvious typographical error which, in the event that the Assembly agrees to the Council's Amendment No. 1 as passed by the Council, shall be corrected during preparation of the Bill for assent.

Accordingly, the Speaker advises that if the amendments are agreed to by the Assembly, the typographical errors will be corrected as part of the preparation of the Bill for Assent.
