Ms L. Mettam: To move –

That this House condemns the Minister for Health for his failure to deliver the required level of leadership and management across his current portfolios, resulting in a litany of failures that has and continues to place the lives of West Australians at risk, including:

- (2) Failure to implement Malakai's Rule as promised in 2016.

- (7) Failure to earn and maintain the respect and confidence of healthcare workers to properly lead and manage our important public health system.

### **2. Royalties for Regions Program** (Notice given – 25/5/21)

Ms M.J. Davies: To move –

That this House condemns the McGowan Government for its mismanagement of Royalties for Regions over the past four years, which has led to a fundamental loss of confidence in the program by regional communities, and calls on the Minister for Regional Development and Premier to restore integrity to the program.

### **3. Tourism, Festival and Events Industry** (Notice given – 25/5/21)

Mr V.A. Catania: To move –

That this House acknowledges the dire financial and resourcing impacts facing many tourism, festival and event operators and affiliated industries as a result of disrupted market segments coupled with a protracted length of time and ongoing uncertainty imposed by Western Australia's response to COVID-19 and calls on the Minister for Tourism to:

- (1) show leadership in the absence of a properly functioning Tourism WA board;
- (2) respond to new challenges and re-visit the structure, resourcing and offering of Tourism WA to provide a strengthened and holistic service to WA operators, including the provision for more tourism boots on the ground located in the regions;
- (3) acknowledge and work to address the dire shortage of workers and workers accommodation required to support the sector;
- (4) develop a comprehensive industry-specific support package for tourism operators and the events industry, which acknowledges the important contribution they make to our economy and communities; and
- (5) establish a government-backed COVID-19 events and festivals insurance scheme for WA.

**4. Minister for Agriculture and Food's Policy Direction** (Notice given – 25/5/21)

Mr P.J. Rundle: To move –

That this House condemns the Minister for Agriculture and Food for her inaction and contentious policy direction, including:

- (1) failing to develop a plan to grow our State's agricultural industry that supports all of its sectors;
- (2) pushing forward with an animal inspection regime not supported by industry;

And calls on the Minister for Agriculture and Food to engage meaningfully with the sector to develop a unified vision for the growth and development of agriculture.

Mr R.S. Love: To move –

That this House condemns the Minister for Local Government and his predecessor for failing to deliver appropriate regulation and support to the local government sector, and calls on the Minister for Local Government to:

- (1) explain whether the creation of a mega-department overseen by one Director General contributed to a critical lack of oversight and direction in the Local Government sector;
- (2) identify what steps the new Minister and the Department will take to rectify these critical performance failures;
- (3) reinstate a Director General for Department of Local Government to ensure transformative change within the Department and the sector.
