Questions listed for this sitting: -

2360. Mr W.R. Marmion to the Minister for Mental Health:

- (1) I refer to the divestment of Graylands Hospital, and ask:
- (a) given the divestment of Graylands Hospital has been identified as a key opportunity for reform to the Western Australian mental health system, can the Minister provide detailed information about what aspects of planning have been completed, and what business cases have been submitted or will be submitted for this divestment for the 2018-2019 budget; and
 - (b) can the Minister confirm that the funds derived from this divestment will be ring-fenced for reinvestment exclusively in mental health reform?
- (2) In the 2017–2018 Budget Estimates Hearing earlier this year the issue of community consultation in the business case planning for the divestment of Graylands was briefly addressed. At that time only one non-government organisation had been consulted. Can the Minister provide information about what other non-government or community representatives have been consulted as part of this process since then, and advise what future consultation will be undertaken?

2361. Mr D.T. Redman to the Treasurer:

I refer to Legislative Assembly Question on Notice No. 2101 and the list provided of the Treasury Corporation account balances for Royalties for Regions as at 30 June 2017, and ask:

- (a) can the Minister provide a list of account balances and draw-downs for Royalties for Regions Treasury Corporation accounts as at the end of February 2017, including any programs that have had a reduction in funding since March 2017?
