Questions listed for this sitting: -

- 7362. Mr T.G. Stephens to the Minister for State Development
 - (1) Do the State Agreements with Rio Tinto Iron Ore, and related memoranda, require the company to maintain the essential services of power and water and sewerage to the township of Tom Price, and what steps are being taken by the State Government to ensure that these requirements are being observed?
 - (2) Is it the case that the company is required to maintain street lighting in Tom Price, and is there any explanation why the street lighting of Tom Price has been allowed to drop to such a low sub-standard that the streets are no longer safe for local residents to move around town after sunset because the paths and footways are not lit sufficiently to enable the many pot holes and obstacles to be seen in sufficient time as to ensure safe movement?
- 7363. Mr T.G. Stephens to the Minister for State Development
 - (1) Do the State Agreements with Rio Tinto Iron Ore and related memoranda require the company to maintain the kerbs and pathways of the township of Tom Price, and if not, which agency of Government is responsible for ensuring that the kerbs and paths of Tom Price are maintained to a safe standard?
 - (2) If no to (1), what support is the State Government providing to ensure that this basic municipal service is discharged by the local authority in fulfilment of their legal obligations and requirements to exercise due diligence in ensuring the safety of people using the footpaths and walkways of Tom Price?

7364. Mr T.G. Stephens to the Minister for Regional Development

In reference to the State Government's funding of the redevelopment of the Tom Price town centre, I ask:

- (a) what requirement did the Government leave in place to ensure that disabled access and parking is retained during the whole period of this redevelopment project;
- (b) is the Minister aware that the redevelopment project is proceeding in a way that has left local residents and visitors to Tom Price with disabilities faced with additional hurdles and risks in gaining access to their town centre; and
- (c) will the State Government take immediate steps to ensure that this redevelopment project, that has been funded by the State Government, urgently puts in place safe disability access for the town centre, and if not, why not?

7365. Mr J.N. Hyde to the Minister for Planning

In relation to projected Government return on investment on the minimum \$440 million expenditure in its Waterfront Project, I ask:

- (a) what is the budgeted revenue that is expected to be returned to the State Government over the next 20 years, and in which financial year is each item of revenue expected, from land sales, leases, stamp duties, etc.?

7398. Ms J.M. Freeman to the Minister for Housing

In regards to the suburbs of Alexander Heights, Koondoola, Mirrabooka, Nollamara and Westminster, as at 1 March 2012, I ask:

- (a) how many Department of Housing properties are there in each suburb;
- (b) what proportion of total properties, in each suburb, does this represent;
- (c) how many people are registered as residing in Department of Housing residences in each suburb;
- (d) what are the total council rates paid for these properties in each suburb;
- (e) how many of the Department of Housing properties have a head lease agreement with a non-government organisation, in each suburb; and
- (f) how many Department of Housing homes does the Government plan to build in the next financial year, in each suburb?

7399. Mr C.J. Tallentire to the Minister for Agriculture and Food

In relation to the governance of the Perth Region Natural Resource Management group, I ask:

- (a) when did the group have its last Annual General Meeting;
- (b) were all community member organisations advised of the holding of the meeting; and
- (c) does the Minister or his Department hold a copy of the notice of the meeting, of its agenda and its minutes?
