NON-GOVERNMENT BUSINESS

1. Budget Surplus

Hon Dr Steve Thomas: To move —

That this House:

- (a) notes another near record budget surplus announced for the 2022-23 financial year in the May budget, which will likely be upgraded to an even higher surplus in the September Annual Report on the State Finances;
- (b) notes the Government's inability to deliver services, infrastructure and projects such as METRONET in a cost efficient and timely manner despite the massive increase in revenue they have received;
- (c) notes that Government is using these massive revenues for its own political gain rather than for the ultimate and efficient benefit of the Western Australian community; and
- (d) calls on the State Government to improve its performance so that it might achieve better service delivery, genuine economic reform, the paying down of debt and better support of the community to manage costs of living rises.

PRIVATE MEMBERS' BUSINESS

2. Returning Outsourced Services to the Public Sector

Hon Shelley Payne: To move —

That this House commends the McGowan Government for bringing important workers back in-house and returning outsourced service into the public sector, where it is possible and beneficial to do so.
