**Questions listed for this sitting: -**

6821. Ms A.S. Carles to the Minister for Environment

With regard to the prescribed premises licence conditions of the Mt Weld Rare Earth Operation Concentrator Plant- licence no. L8141/2007/2 I ask;

- (a) will the Minister table the monitoring data, including laboratory certificates, for bores LMW1 through to LMW 9 which are required to be analysed quarterly and, if not, why not;

- (b) can the Minister confirm that the radioactivity of the tailings from the concentrator plant exceeds the threshold for the tailings to be classified non-radioactive;
- (c) can the Minister confirm that the specific radioactivity of the concentrate is between 3 and 8 times higher than that of the tailings; and
- (d) can the Minister explain why the tailings are deemed radioactive while the concentrate will be transported through Western Australia without labelling or precautions normally associated with radioactive materials?

6822. Ms A.S. Carles to the Minister for Environment

With regard to recent public criticism over the issue of environmental offsets, I ask:

- (a) how many offset agreements have the Department of Environment and Conservation (or its predecessors) entered into with proponents in Western Australia;
- (b) what is the total dollar value of those offset agreements;
- (c) are there any cases in which the offset agreements have not been fulfilled as required by the conditions of the agreement and if yes, please provide details;
- (d) will the Minister detail the ten largest offset agreements between proponents and the Department of Environment and Conservation in dollar terms including the proponent name and the project to which the offset is related; and
  - (i) if not, why not; and
- (e) how many Department of Environment and Conservation Full Time Equivalent staff are dedicated to ensuring compliance with the terms of the offset agreements?

6823. Ms A.S. Carles to the Minister for Education

With regard to the government program funding the installation of air conditioning in state schools, I ask;

- (a) which schools in the electorate of Fremantle have been identified to receive air conditioning in the first year of the four year government program to air condition 115 state schools;
- (b) if no Fremantle electorate schools have been identified for these works in the first year of the programme, which schools have been identified for air conditioning in the next three years of the program;
- (c) in which years will these schools have their air conditioners installed; and
- (d) how much funding will be made available to each of these schools for the provision of air conditioning?
