3.1 Dogs to be confined
(1) An occupier of premises on which a dog is kept must—
(a) cause a portion of the premises on which the dog is kept to be fenced in a manner capable of confining the dog;
(b) ensure the fence used to confine the dog and every gate or door in the fence is of a type, height and construction which having regard to the breed, age, size and physical condition of the dog is capable of preventing the dog at all times from passing over, under or through it;
(c) ensure that every gate or door in the fence is kept closed at all times when the dog is on the premises and is fitted with a proper latch or other means of fastening it;
(d) maintain the fence and all gates and doors in the fence in good order and condition; and
(e) where no part of the premises consists of open space, yard or garden or there is no open space or garden or yard of which the occupier has exclusive use or occupation, ensure that other means exist on the premises (other than the tethering of the dog) for effectively confining the dog within the premises.

licensee means the holder of a licence;
premises in addition to the meaning given to it in section 3 of the Act, means the premises described in the application for a licence; and
transferee means a person who applies for the transfer of a licence to her or him under clause 4.14.

(b) copies of the notices to be given under clause 4.3;

(3) Where—
(a) the notices given under subclause (1) do not clearly identify the premises; or
(b) a notice given under subclause (1)(a) is of a size or in a location in the newspaper which, in the opinion of the local government, would fail to serve the purpose of notifying persons of the proposed use of the premises,
then the local government may refuse to determine the application for a licence until the notices or notice, as the case may be, is given in accordance with its directions.

4.4 Exemption from notice requirements

Where an application for a licence is made in respect of premises on which an approved kennel establishment is either a—
(a) permitted use; or
(b) use which the local government may approve subject to compliance with specified notice requirements,
under a local planning scheme, then the requirements of clauses 4.2(b), 4.3 and 4.5(b) do not apply in respect of the application for a licence.

(f) whether or not the imposition of and compliance with appropriate conditions of a licence will mitigate any adverse effects of the approved kennel establishment identified in the preceding paragraphs.

4.7 Where application cannot be approved

The local government cannot approve an application for a licence where—
(a) an approved kennel establishment cannot be permitted by the local government on the premises under a local planning scheme; or
(b) an applicant for a licence or another person who will have the charge of the dogs will not reside on the premises, or, in the opinion of the local government, sufficiently close to the premises so as to control the dogs and so as to ensure their health and welfare.

(2) A licence is to be renewed if the fee referred to in clause 4.10(2) is paid to the local government prior to the expiry of the licence.
(3) On the renewal of a licence the conditions of the licence at the time of its renewal continue to have effect.

4.13 Variation or cancellation of licence
(1) The local government may vary the conditions of a licence.

   (a) on the request of the licensee;
   (b) following a breach of the Act, the Regulations or this local law; or
   (c) if the licensee is not a fit and proper person.
(3) The date a licence is cancelled is to be, in the case of—
   (a) paragraph (a) of subclause (2), the date requested by the licensee; or

      (ii) the fee for the application for the transfer of a licence referred to in clause 4.10(3).
(2) The local government is not to determine an application for the transfer of a valid licence until the transferee has complied with subclause (1).
(3) The local government may approve, whether or not subject to such conditions as it considers appropriate, or refuse to approve an application for the transfer of a valid licence.
(4) Where the local government approves an application for the transfer of a valid licence, then on the date of approval, unless otherwise specified in the notice issued under clause 4.15(b), the transferee becomes the licensee of the licence for the purposes of this local law.

4.15 Notification
The local government is to give written notice to—
