| All other Wills (naming other Executors): |         |
| Single client—pensioner | $240 |
| Couple—at least one client is a pensioner | $160 per client |
| Single client—not a pensioner | $300 |
| Couple—neither clients are pensioners | $200 per client |

### NOTES
1. To be treated as a couple, the Wills need to be substantially similar, otherwise the clients are each charged as single clients.

2. The above fees are for an initial interview of up to 1.5 hours for single clients, or 2 hours for couples, during which straightforward Wills may be drafted. If it is not feasible for a Will to be drafted during this time due to the complexity of issues involved, or if further information/documents are required, the following fees will be charged for all work performed post-interview—
   - if performed by a senior practitioner—$320 per hour (or $256 per hour, if at least 1 client is a pensioner);
   - if performed by a junior practitioner—$226 per hour (or $180 per hour, if at least 1 client is a pensioner); and
   - if performed by a clerk or paralegal—$200 per hour (or $160 per hour, if at least 1 client is a pensioner).

3. The total in-house fees charged under this Schedule to a client (plus any in-house fees for miscellaneous services in connection with the preparation of a Will) shall not exceed $1,650. In addition, as stated in Part 1 of this Scale of Fees, the Public Trustee shall be reimbursed for all expenses that the Public Trustee properly incurs. As a result, disbursements payable to third parties will be charged at cost in addition to in-house fees.

4. The discounted fees for a single client who is a pensioner only apply to the first Will that the Public Trustee commences to prepare for the client during the period 1 July 2012 to 30 June 2013. The fees for all subsequent Wills that the Public Trustee commences to prepare during this period are the same as those for a single client who is not a pensioner.

5. The discounted fees for a couple with at least one pensioner only apply to the first set of Wills that the Public Trustee commences to prepare for the couple during the period 1 July 2012 to 30 June 2013. The fees for all subsequent Wills that the Public Trustee commences to prepare during this period are the same as those for a couple in which neither clients are pensioners.
