## QUESTION WITHOUT NOTICE (Of which some notice has been given)

Thursday, 8 November 2012

Hon Linda Savage to the Minister representing the Minister for Transport.

I refer to the new preferred Tonkin Highway alignment of the Perth-Darwin National Highway and the intention of the State Government to seek support and funding from the Federal Government as part of the next round of the Nation Building Program in 2014-15, and ask,

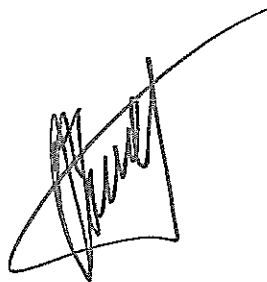

1. Does the proposal put forward by the State Government include appropriate overpasses at the following locations along the Tonkin Highway alignment:
  - b) Collier Road;
  - c) Morley Drive;
  - d) Benara Road;
  - e) Reid Highway; and
  - f) Marshall Road?

**I thank the Hon. Member for some notice of this question.**

**Main Roads WA advises:**

The State Government has lodged a submission with Infrastructure Australia for Federal Government funding for a range of Western Australian proposals. The submissions are currently being reviewed by Infrastructure Australia.
