Hon. Adele Farina MLC to the Leader of the House representing the Minister for Training and Workforce Development

I refer to the South West Institute of Technology, and I ask:

What was the total number of student enrolments at each of the campuses comprising the South West Institute of Technology for semester one for each of 2012, 2013 and 2014?

I thank the honourable member for some notice of this question. The information provided to me by the Minister for Training and Workforce Development is in tabular form and I seek leave to have the information incorporated into Hansard.

Notes:

- The VET enrolment data collection is not designed to support semester based reporting, as each collection point represents a stand alone year-to-date snapshot of activity. The Department of Training and Workforce Development only reports enrolment activity at periodic intervals that reflect enrolments recorded from the start of the calendar year.
- Figures for 2012 and 2013 reflect validated VET enrolment data as at 31 July each year. Due to recent changes in the timing of national reporting requirements, figures for 2014 reflect unvalidated VET enrolment data as at 31 July 2014.
- Publicly funded refers to all training funded by or through the Department of Training and Workforce Development.
