PARLIAMENTARY TRAVEL REPORT FORM

Members are to provide a report to the Director General, Department of the Premier and Cabinet on the cost, purpose and benefits of all overseas trips within two months of the completion of the trip. The Department of the Premier and Cabinet collates and coordinates the tabling of the reports in Parliament on a quarterly basis.

The report below should be clear, concise and focus on the benefits of your trip to your constituents and/or parliamentary processes, the Western Australian community and/or the State of Western Australia. Please do not attach PowerPoint presentations, research reports or reports otherwise available to the Parliament.

PURPOSE OF TRIP:

1. To gain a better understanding of procedures of Provincial Parliaments in South Africa and National parliament in Zambia and Rwanda
2. To facilitate arrangements to donate specialist children’s hospital equipment to University Teaching Hospitals in Zambia and Rwanda following the decommissioning of Princess Margaret Hospital in Western Australia.
3. To understand the benefits to the Rwandan community as a result of their Parliament having the highest proportion of women Members of Parliament of any country in the world, for more than a decade.

BENEFITS DERIVED FROM THE TRIP FOR THE STATE OF WESTERN AUSTRALIA:

As per attached.
Benefits Derived From the Trip for the State of Western Australia

- Enhanced relationships between the Parliament of Western Australia and the Western Cape and Gauteng Provincial Legislatures in South Africa.
- A better understanding of the history leading up to the establishment, and the current practices and procedures of provincial parliaments in South Africa.
- Enhanced awareness of the differences in the relationships between the provincial parliaments and the national parliament in South Africa, and between the State Parliaments and the Commonwealth Parliament in Australia.
- Strengthened partnership arrangements between WA and Zambia in regards to the donation of specialist paediatric hospital equipment following the decommissioning of Princess Margaret Hospital (PMH).
- The potential development of a partnership between WA and Zambia to improve community awareness and services for children with Autism in Zambia. This would be similar and additional to the partnership the Autism Association in WA and the Disability Services Commission has with East Java.
- The potential development of a partnership between WA and Rwanda in regard to improved community awareness and services for individuals, their families and the community in regard to mental health services and Autism services.
- Observation of successful policy and substantial reconciliation practices to build a cohesive, progressive and modern society in Rwanda over the past 20 years. Consideration and discussion about the application of such policies in Western Australia.
- Discussion and observation of successful legislation, policies and practices to empower women in Rwanda which may be applied in Western Australia.
