Section 82 Notice – Financial Management Act 2006

Pursuant to section 82(1)(a) of the Financial Management Act 2006, I give notice to both houses that I am unable to provide an answer to Legislative Council Question on Notice 4396 part (3).

Notice is also being provided to the Auditor General, as required by section 82(1)(b) of the Financial Management Act 2006.

The question refers to tabling of the business cases prepared for each Water for Food project.

I am unable to provide the business cases requested, as they form part of a submission to Cabinet and therefore are Cabinet in Confidence.
