Section 82 Notice - Financial Management Act 2006

As required by section 82 of the Financial Management Act 2006 (Act), I hereby give notice to each House of Parliament that I have decided not to provide information requested, that asked, "How much specifically will the government save by removing up to 80 male prisoners from Wandoo and turning the facility into a women's rehabilitation facility?", and "Will the Minister table the business case showing the total savings that will result from returning the operation of Wandoo to the public service?"

Written notice of my decision is also being provided to the Auditor General, as required by section 82 of the Act.

On 6 September 2017 I declined to provide the information on the basis that I am unable to provide it, as it contains details of a commercially confidential nature.
