  - Audit Regulator Group consisting of Building Commission, DFES and local government representatives
  - Audit Stakeholder Group consisting of building industry and building owner representative bodies

**PHASE TWO: EXECUTION – COMMENCED (see stages 1 - 4)**
- Identification of buildings in the metro area (completed) and in regional areas (commenced)
- Collation of data for preliminary assessments of buildings in the metro area and in regional areas (commenced)
- Preliminary assessment of buildings in the metro area and in regional area (commenced)

**PHASE THREE: REPORTING**
- Draft and publish audit report (not yet commenced)

---

**Notes**

1. The underlying data set is derived from DFES records of fire service assessments conducted in relation to building permit / licence applications for the period 1 January 2001 to 30 June 2017.
2. The data relating to regional areas still needs to be confirmed by the relevant LGs (66 of 110 have reported in to date).
