2. OPTION TO EXTEND

2.1 First Option Period

If a period is specified in item 5.1 of the Schedule, the Lessee has the option to extend this Lease for the First Option Period, but only if.
2.2 Second Option Period

If a period is specified in item 5.2 of the Schedule, the Lessee has the option to extend this Lease for the Second Option Period, but only if:

(1) the Lessee notifies the Lessor in writing that the Lessee wants to extend this Lease for that period at least 3 months before the last day of the First Option Period (but not earlier than 6 months before that date); and

(2) the Lessee is not in default under this Lease as extended when the option is exercised.

2.3 Terms and Conditions

If this Lease is extended under clause 2.1 all the provisions of this Lease continue to apply, except the option in clause 2.1. If this Lease is further extended under clause 2.2 all the provisions of this Lease continue to apply, except the options in clauses 2.1 and 2.2.

2.4 Rent during Option Term

The rent payable by the Lessee from the beginning of any extended term of this Lease is to be the same rent payable immediately before the date of commencement of the extended term unless that date is a rent review date, in which case the rent is to be reviewed with effect from that date, and the rent is subject to further review during the extended term as provided in this Lease.

2.5 Default after exercise of Option

If the Lessee defaults under this Lease after exercising an option to extend the term of this Lease, the Lessor is not prevented from exercising any rights, including the right to terminate this Lease. If this Lease is terminated, the Lessor is not under any obligation to grant a lease of the Leased Area to the Lessee for any extended term.

3. RENT

3.1 Amount of the Rent

The annual rent payable under this Lease from the Commencement Date is the amount specified in item 6 of the Schedule.

3.2 Manner of Payment

The Lessee must pay the rent by equal annual instalments in advance. The first instalment is to be paid on the Commencement Date and subsequent instalments are

4. RENT REVIEW

4.1 CPI Review

With effect from (and including) each date specified in this clause 4 as a "CPI Review Date", the rent must be reviewed on the basis that the reviewed rent is to be the higher of:

(1) the rent applying immediately before the relevant CPI Review Date; or

(2) the amount calculated by using the following formula:

\[ A = \frac{B}{C} \times D \]

Where:

A = the amount of the reviewed rent which is payable from (and including) the relevant review date.

B = the last quarterly CPI Index Number published before the relevant CPI review date.

C = the last quarterly CPI Index Number published before the previous CPI Review Date (or in the case of the first review, before the Commencement Date).

D = the amount of the rent applying immediately before the relevant CPI Review Date.

4.2 Crown Land Rent Review

With effect from (and including) each date being on each occasion that this lease is extended ("Crown Land Rental Review Date") the Lessor can require that the rent be reviewed on the following basis.

(1) If the Lessee has not agreed in writing to the amount of the reviewed rent proposed by the Lessor within one month of receiving such advice, the amount of the reviewed rent is to be the higher of:

(a) the rent applying immediately before the relevant Crown Land Rental Review Date;

(b) the Crown Land Rental Review for the Leased Premises determined by a valuer licensed under the Land Valuers Licensing Act 1978:

(i) agreed to by each of the parties; or

(ii) appointed by the President for the time being of the Australian Property Institute (WA Division) at the request of either party.
The Lessor must pay the fees charged by any valuer appointed under this Agreement to determine the Crown Land Rent for the Leased Area and must take into account that the Lessee is a not for profit organisation.

4.3 **Interpretation**

**CPI Index Number** means the Consumer Price Index (All Groups) for Perth published by the Australian Bureau of Statistics. If that index ceases to exist, "CPI Index Number" means the index which replaces it or (if none does) the index which most closely measures changes in the cost of living in Perth, Western Australia as nominated by a senior officer of the Australian Bureau of Statistics.

**CPI Review Date** means each anniversary of the Commencement Date and the Commencement Date of a Renewed Term except for any Crown Land Rent Review Dates.

**Crown Land Rent** means the rent that a Lessee would be prepared to pay and an owner of the Leased Premises would be prepared to accept taking into account:

(a) the approved use and utility conferred under the Lease;

(b) the nature of the Lessee. In this regard the Lessee is required to keep "proper" and audited books of account and these books of accounts for the current and past three years will be made available to the Lessor upon request for the purpose of assisting in the determination of the rent. Average management of the organisation will be assumed;

(c) the provisions of this Lease;

(d) the period which will elapse between the current review date and the next rent review date or, if there is not one, the termination of this Lease;

(e) the full length of the Term and the benefit of any option to renew;

(f) any improvement to the Leased Premises;

but disregarding:

(g) the consequences of any default by the Lessee of this Lease which may have adversely affected the condition, rental value or Crown Land rental of the Leased Premises;

(h) any part of the term that has expired;

(i) the value of the Lessee's Property and any goodwill created by the Lessee's business or activities on the Leased Premises.

**Rent Review Date** includes each CPI Review Date and each Crown Land Rent Review Date.
4.4  **Delay**

No delay by the Lessor in enforcing any review of the rent prevents the Lessor from requiring at any time that the rent must be reviewed with effect from the dates for review of the rent specified in this clause 4.

5.  **OUTGOINGS**

5.1  **Rates and Taxes**

5.3 *Other property included*

If Rates and Taxes are not assessed separately on the Leased Area but also on other property which includes the Leased Area, the amount which the Lessor can require the Lessee to pay is the same proportion of those Rates and Taxes as the area of the Leased Area bears to the area of the property the subject of the assessment.

The Lessee must pay the charges of any Energy Supplier and any other costs in respect of the supply of energy services to the Leased Area either to the Energy Supplier before those charges become overdue or, in the case of any such charges imposed on the Lessor, to the Lessor as required by the Lessor whenever the charges become payable.

11.5 Dealing with the Leased Area

The Lessor reserves the right to deal with the Leased Area by granting easements, licences or other rights or interests of any kind to any person over it at any time so long as this does not unreasonably interfere with the Lessee's use of the Leased Area for the Permitted Use. The rights which the Lessor may grant include the right to cut down and remove timber or other vegetation from the Leased Area, the right to draw water or the right to excavate and remove rocks, earth, soil or other materials from the Leased Area.
