B. Pursuant to Section 100 of the CALM Act, the Chief Executive Officer (CEO) has power to lease the Land for the purpose of Recreation for a term as he/she thinks fit.

C. Section 36 of the CALM Act allows for the Conservation and Land Management Executive Body ("Executive Body") to be established and to be governed by the CEO.

D. Section 37 of the CALM Act allows for the Executive Body, as a body corporate, to perform functions of the CEO.

E. The Lessee has applied to the Lessor for a lease of that portion of the Land above described together with all buildings erections and other improvements now or hereafter erected thereon (collectively "the Leased Premises").

F. The Lessor has agreed to lease the Leased Premises to the Lessee for the Term and at the rental respectively set out hereto and upon and subject to all the covenants agreements and stipulations contained in this Lease.

G. Pursuant to Section 100(3) of the Act, the Lease shall be laid before each House of Parliament within 14 sitting days of its execution by all parties and will be incorporated into Hansard.
1. **GRANT**

1.1 **Grant of Lease**

Pursuant to Sections 36, 37 and 100 of the CALM Act, the Lessor leases the Leased Area to the Lessee for the Term subject to the terms and conditions of this Lease.

1.2 **Quiet Enjoyment**

For as long as the Lessee complies with the Lessee's obligations under this Lease, the Lessee may occupy and use the Leased Area during the Term without disturbance or interference by the Lessor except as permitted by this Lease or by law.

1.3 **Termination by the Lessor or Lessee by Notice**

Despite any other provision of this Lease, the Lessor or Lessee may mutually agree at any time to terminate this Lease by giving 12 months written notice of termination to either party.

2. **OPTION TO EXTEND**

2.1 **Option Period**

If a period is specified in item 5.1 of the Schedule, the Lessee has the option to extend this Lease for the Option Period, but only if:

(1) the Lessee notifies the Lessor in writing that the Lessee wants to extend this Lease for that period at least 3 months before the Expiry Date (but not earlier than 12 months before that date); and

(2) the Lessee is not in default under this Lease as extended when the option is exercised.

2.2 **Rent During Option Term**

The rent payable by the Lessee from the beginning of any extended Term of this Lease is to be the same rent payable immediately before the date of commencement of the extended Term unless that date is a rent review date, in which case the rent is to be reviewed with effect from that date, and the rent is subject to further review during the extended Term as provided in this Lease.

2.3 **Default After Exercise of Option**

If the Lessee defaults under this Lease after exercising an option to extend the Term of this Lease, the Lessor is not prevented from exercising any rights, including the right to terminate this Lease. If this Lease is terminated, the Lessor is not under any obligation to grant a Lease of the Leased Area to the Lessee for any extended Term.

2.4 **Definitions**

In this Lease:

**Option Period** means the period (if any) specified in item 5.1 of the Schedule.
3. RENT

3.1 Amount of the Rent

The annual rent payable under this Lease from the Commencement Date is the amount specified in item 6 of the Schedule.

3.2 Manner of Payment

The Lessee must pay the rent by equal annual instalments in advance. The first instalment is to be paid on the Commencement Date and subsequent instalments are to be paid on each anniversary of the Commencement Date. Rent payable for part of a year is to be proportionately adjusted on a daily basis. Rent is to be paid on receipt of a Lessor initiated invoice.

4. RENT REVIEW

4.1 CPI Rent Review

With effect from (and including) each date specified in this clause 4 as a "CPI Review Date", the rent must be reviewed on the basis that the reviewed rent is to be the higher of

1. the rent applying immediately before the relevant CPI Review Date; or
2. the amount calculated by using the following formula:

\[ A = \frac{B \times D}{C} \]

Where:

- \( A \) = the amount of the reviewed rent which is payable from (and including) the relevant CPI Review Date.
- \( B \) = the last September quarter CPI Index Number published before the relevant CPI Review Date.
- \( C \) = the last September quarter CPI Index Number published before the previous rent review date (or in the case of the first review, before the Commencement Date).
- \( D \) = the amount of the rent applying immediately before the relevant CPI Review Date.

4.2 Rent Review (Crown Land Rental)

With effect from (and including) each date specified in this clause as a Crown Land Rental Review Date, the Lessor can require that the rent be reviewed on the following basis.

If the Lessee has not agreed in writing to the amount of the reviewed rent proposed by the Lessor within one month of receiving such advice, the amount of the reviewed rent is to be the higher of:
(1) the rent applying immediately before the relevant Crown Land Rental Review Date;

(2) the Crown Land Rental Review for the Premises determined by a valuer licensed under the Land Valuers' Licensing Act:
   (a) agreed to by each of the parties; or
   (b) appointed by the President for the time being of the Australian Property Institute (WA Division) at the request of either party.

The Lessor must pay the fees charged by any valuer appointed under this Agreement to determine the Crown Land Rental for the Leased Area.

Crown Land Rent means the rent that a Lessee would be prepared to pay and an owner of the Leased Area would be prepared to accept taking into account:

(1) the approved use and utility conferred under the Lease;

(2) the nature of the Lessee. In this regard the Lessee is required to keep proper and audited books of account and these books of accounts for the current and past three years will be made available to the Lessor upon request for the purpose of assisting in the determination of the rent. Average management of the organisation will be assumed;

(3) the provisions of this Lease;

(4) the period which will elapse between the current Crown Land Rental Review Date and the next Crown Land Rental Review Date or, if there is not one, the termination of this Lease;

(5) the full length of the Term and the benefit of any option to renew;

(6) any improvement to the Leased Area but disregarding:

(7) the consequences of any default by the Lessee of this Lease which may have adversely affected the condition, rental value or Crown Land rental of the Leased Area;

(8) any part of the Term that has expired;

(9) the value of the Lessee's Property and any goodwill created by the Lessee's business or activities to the Leased Area.

No delay by the Lessor in enforcing any review of the rent prevents the Lessor from requiring at any time that the rent must be reviewed with effect from the date for Crown Land Rental Review specified.

4.3 Interpretation

In this Lease:

CPI Review Date includes each anniversary of the Commencement Date after the first anniversary and Crown Land Rental Review Date.
Crown Land Rental Review Date means every fifth anniversary of the Commencement Date.

4.4 Delay

No delay by the Lessor in enforcing any review of the rent prevents the Lessor from requiring at any time that the rent must be reviewed with effect from the dates for review of the rent specified in this clause 4.

5.3 Other Property Included

If Rates and Taxes are not assessed separately on the Leased Area but also on other property which includes the Leased Area, the amount which the Lessor can require the Lessee to pay is the same proportion of those Rates and Taxes as the area of the Leased Area bears to the area of the property the subject of the assessment.

5.4 Service Charges

May 2017

1. The plan to remain in place until May 2020.

2. An annual meeting will be held with the Custodian to discuss any implementation issues.

3. The Public Use plan is subject to the issue of a Recreational Hut Lease by the Department of Parks and Wildlife.

4. Unless varied by agreement with the Department of Parks and Wildlife, the following is agreed:

4.1 The original hut was erected in February 1951 and has been in the Wilson Family since 1962. It has always been and will continue to be available to the extended family, friends of the family and large extended social and sporting networks of the Wilson family. This can be evidenced by visitor books which have been kept since 1983.
Communication of its availability is fully known by all those who use it and they are aware of the contact details and process for bookings.

4.2 Erection of the new hut has been entirely by family and approximately 50 volunteers who have always been granted use of the old hut and this will be extended to the new hut.

4.3 The hut will made available for a minimum of 60 days per year in segments of not less than 3 consecutive nights at any one time. The Custodian will manage timeframes for when the hut is available for public use.

4.4 The hut will be made available via facebook maintained by the Custodian. Advertising will be via noticeboards at the Tigers Football Club (to which the Custodian is a member) and Manjimup Motor Cycle Club (to which WR Wilson (dec'd) was a life member).

4.5 The hut will be rented for $250 per night.

5. The Public Use Plan will be implemented within 30 days of lease documents being issued by the Department of Parks and Wildlife.

6. The level of public use will comply with Public Health Act and Building Code of Australia standards and requirements as advised by the Shire of Manjimup with report to the Department of Parks and Wildlife, District Manager, Donnelly District by 30 April annually.

7. The plan is to be formally reviewed with the Department Parks and Wildlife, Donnelly District, by May 2020.
