 - (a) to establish the National Redress Scheme for Institutional Child Sexual Abuse; and
 - (b) to provide redress under the scheme which consists of:
 - (i) a monetary payment to survivors as a tangible means of recognising the wrong survivors have suffered; and
 - (ii) a counselling and psychological component which, depending on where the survivor lives, consists of access to counselling and psychological services or a monetary payment; and
 - (iii) a direct personal response to survivors from the participating institutions responsible; and
 - (c) to enable institutions responsible for abuse of survivors to participate in the scheme to provide that redress to those survivors; and
 - (d) to implement the joint response of:
 - (i) the Commonwealth Government; and
 - (ii) the government of each participating State; and
 - (iii) the government of each participating Territory;to the recommendations of the Royal Commission into Institutional Responses to Child Sexual Abuse in relation to redress.

Division 3—Simplified outline of this Act

4 Simplified outline of this Act

This Act establishes the National Redress Scheme for Institutional Child Sexual Abuse to provide redress to survivors of past institutional child sexual abuse.

Redress under the scheme is for abuse that is within the scope of the scheme. Abuse of a person is within the scope of the scheme if:

- (a) it occurred when the person was a child; and
- (b) it occurred before the scheme start day; and
- (c) it occurred inside a participating State, inside a Territory, or outside Australia (that is, it did not occur inside a State that is not participating in the scheme).

Redress consists of 3 components:

- (a) a redress payment (of up to \$150,000); and
- (b) a counselling and psychological component which, depending on where the person lives, consists of access to counselling and psychological services or a counselling and psychological services payment (of up to \$5,000); and
- (c) a direct personal response from each participating institution responsible for the abuse.

To be entitled to redress, a number of conditions need to be met. First, the person must make an application for redress. Then the person must meet the eligibility criteria. These are that:

- (a) the person was sexually abused; and
- (b) the abuse is within the scope of the scheme; and
- (c) the abuse is of a kind for which the maximum amount of redress payment worked out under the assessment framework would be more than nil; and
- (d) one or more participating institutions are responsible for the abuse; and

Section 4

- (e) at the time of the application, the person is an Australian citizen or a permanent resident.

A participating institution is responsible for abuse of a person if the abuse occurred in circumstances where the participating institution is primarily or equally responsible for the abuser having contact with the person. Various circumstances are relevant to determining that question (e.g. whether the abuser was an official of the institution).

The participating institutions are:

- (a) all Commonwealth institutions; and
- (b) any State institution that is declared to be a participating institution; and
- (c) any Territory institution that is declared to be a participating institution; and
- (d) any non-government institution that is declared to be a participating institution.

If the Operator considers that there is a reasonable likelihood that the person is eligible for redress, the Operator must approve the application and make an offer of redress to the person. The person may accept or decline the offer.

If the person accepts the offer, then the person becomes entitled to redress under the scheme. The person is required to release particular institutions and officials from all civil liability for the abuse. Those institutions and officials are the participating institutions determined by the Operator to be responsible for the abuse, their officials, their associates and the officials of their associates. The abuser is not released from liability.

Once entitled, the person will be provided with redress under the scheme.

If the person declines the offer, then the person is not entitled to redress under the scheme. The person is not required to release any institution or official from liability for the abuse.

The Operator is responsible for the administration of the scheme. To ensure that the scheme is survivor-focussed, the Operator (and other officers of the scheme) must take into account general guiding principles when taking action under the scheme. For example, one of the principles is that redress must be assessed and provided so as to avoid further harming or traumatising the person.

Participating institutions that are determined by the Operator to be responsible for the abuse of a person are liable for the costs of providing redress to the person. Those institutions are also liable for contributing to the costs of the administration of the scheme. The Operator is responsible for recovering those costs from those institutions through funding contributions, which those institutions are required to pay on a quarterly basis.

Section 7

**Chapter 2—The National Redress Scheme for
Institutional Child Sexual Abuse**

Part 2-1—Establishment of the scheme

Division 1—Simplified outline of this Part

7 Simplified outline of this Part

This Part formally establishes the National Redress Scheme for Institutional Child Sexual Abuse. It provides that the Operator is responsible for operating the scheme. It also sets out general principles that the Operator and other officers of the scheme must take into account, for the benefit and protection of survivors, when taking action under the scheme.

Division 2—Establishment of the scheme

8 Establishment of the scheme

The National Redress Scheme for Institutional Child Sexual Abuse is established by this Act.

9 The National Redress Scheme Operator

- (1) The Secretary of the Department is the National Redress Scheme Operator.
- (2) The Operator is responsible for operating the scheme.
- (3) The Operator may arrange for support and assistance (including legal assistance) to be provided to a person (including a person who is an applicant, or prospective applicant, for redress) in relation to the doing of things under, or for the purposes of, the scheme.

Note: For example, the Operator might arrange for support and assistance to be provided to help prepare a person's application for redress.

- (4) The Operator may, on behalf of the Commonwealth:
 - (a) enter into a contract, agreement, deed or understanding relating to the provision of support or assistance provided under the scheme; and
 - (b) vary and administer that contract, agreement, deed or understanding.

10 General principles guiding actions of officers under the scheme

- (1) This section sets out the principles that must be taken into account by the Operator and other officers of the scheme when taking action under, or for the purposes of, the scheme.
- (2) Redress under the scheme should be survivor-focussed.
- (3) Redress should be assessed, offered and provided with appropriate regard to:

Chapter 2 The National Redress Scheme for Institutional Child Sexual Abuse

Part 2-1 Establishment of the scheme

Division 2 Establishment of the scheme

Section 10

- (a) what is known about the nature and impact of child sexual abuse, and institutional child sexual abuse in particular; and
 - (b) the cultural needs of survivors; and
 - (c) the needs of particularly vulnerable survivors.
- (4) Redress should be assessed, offered and provided so as to avoid, as far as possible, further harming or traumatising the survivor.
- (5) Redress should be assessed, offered and provided in a way that protects the integrity of the scheme.

Part 2-2—Entitlement to redress under the scheme

Division 1—Simplified outline of this Part

11 Simplified outline of this Part

For a person to be entitled to redress under the scheme, a number of conditions need to be met.

First, the person must make an application for redress under the scheme.

Then the person must meet the eligibility criteria for redress. These are that the person was sexually abused, the abuse is within the scope of the scheme, the abuse is of a kind for which the amount of redress payment worked out under the assessment framework would be more than nil, one or more participating institutions are responsible for the abuse, and, at the time of the application, the person is an Australian citizen or a permanent resident.

If the Operator considers that there is a reasonable likelihood that the person is eligible for redress, the Operator must approve the application and make an offer of redress to the person. The person may accept or decline the offer. (Offers and acceptance of redress are dealt with in Part 2-4.)

If the person accepts the offer, then the person becomes entitled to redress under the scheme. The person is required to release particular institutions and officials from all civil liability for the abuse. Those institutions are the participating institutions determined by the Operator to be responsible for the abuse, their officials, their associates and the officials of their associates. The abuser is not released from liability.

Once entitled, the person will be provided with redress under the scheme. (Provision of redress is dealt with in Part 2-5.)

Chapter 2 The National Redress Scheme for Institutional Child Sexual Abuse

Part 2-2 Entitlement to redress under the scheme

Division 1 Simplified outline of this Part

Section 11

If the person declines the offer, then the person is not entitled to redress under the scheme. The person is not required to release any institution or official from civil liability for the abuse.

Division 2—Entitlement to redress under the scheme

12 When is a person entitled to be provided with redress?

- (1) A person can only be provided with redress under the scheme if the person is entitled to it.
- (2) A person is *entitled* to redress under the scheme if:
 - (a) the person applies for redress under section 19; and
 - (b) the Operator considers that there is a reasonable likelihood that the person is eligible for redress under the scheme (see section 13 for eligibility); and
 - (c) the Operator approves the application under section 29; and
 - (d) the Operator makes an offer of redress to the person under section 39; and
 - (e) the person accepts the offer in accordance with section 42.
- (3) A person is also *entitled* to redress, or a component of redress, under the scheme if this Act or the rules prescribe that the person is entitled to it.

Note: For cases where this Act prescribes that a person is entitled to redress, or a component of redress, under the scheme, see Part 3-1.

- (4) Despite subsections (2) and (3), a person is not *entitled* to redress, or a component of redress, under the scheme if this Act or the rules prescribe that the person is not entitled to it.

Note: For cases where this Act prescribes that a person is not entitled to redress, or a component of redress, under the scheme, see Part 3-2.

13 When is a person eligible for redress?

- (1) A person is *eligible* for redress under the scheme if:
 - (a) the person was sexually abused; and
 - (b) the sexual abuse is within the scope of the scheme (see section 14); and
 - (c) the sexual abuse is of a kind for which the maximum amount of redress payment that could be payable to the person (as

Section 14

worked out under the assessment framework) would be more than nil; and

- (d) one or more participating institutions are responsible for the abuse (see section 15); and
- (e) the person is an Australian citizen or a permanent resident (within the meaning of the *Australian Citizenship Act 2007*) at the time the person applies for redress.

Note 1: To be eligible for redress, a person must have been sexually abused. However, redress is for the sexual abuse, and related non-sexual abuse, of the person that is within the scope of the scheme.

Note 2: For which institutions are participating institutions, see subsection 108(2).

- (2) A person is also **eligible** for redress under the scheme if this Act or the rules prescribe that the person is eligible for it.
- (3) Despite subsections (1) and (2), a person is not **eligible** for redress under the scheme if this Act or the rules prescribe that the person is not eligible for it.

14 When is abuse within the scope of the scheme?

- (1) Abuse of a person is **within the scope** of the scheme if:
 - (a) it occurred when the person was a child; and
 - (b) it occurred:
 - (i) inside a participating State; or
 - (ii) inside a Territory; or
 - (iii) outside Australia; and
 - (c) it occurred before the scheme start day.
- (2) Abuse of a person is **within the scope** of the scheme if this Act or the rules prescribe that it is.
- (3) Despite subsections (1) and (2), abuse of a person is not **within the scope** of the scheme if this Act or the rules prescribe that it is not.

15 When is an institution responsible for abuse?

When is an institution responsible for abuse?

- (1) An institution (whether or not a participating institution) is **responsible** for abuse of a person if the institution is primarily responsible or equally responsible for the abuse.

When an institution is primarily responsible for abuse

- (2) An institution is **primarily responsible** for abuse of a person if the institution is solely or primarily responsible for the abuser having contact with the person.

When an institution is equally responsible for abuse

- (3) An institution is **equally responsible** for abuse of a person if:
- (a) the institution and one or more other institutions are approximately equally responsible for the abuser having contact with the person; and
 - (b) no institution is primarily responsible for the abuse of the person.

Relevant circumstances for determining responsibility

- (4) Without limiting the circumstances that might be relevant for determining under subsection (2) or (3) whether an institution is primarily responsible or equally responsible for the abuser having contact with the person, the following circumstances are relevant:
- (a) whether the institution was responsible for the day-to-day care or custody of the person when the abuse occurred;
 - (b) whether the institution was the legal guardian of the person when the abuse occurred;
 - (c) whether the institution was responsible for placing the person into the institution in which the abuse occurred;
 - (d) whether the abuser was an official of the institution when the abuse occurred;
 - (e) whether the abuse occurred:
 - (i) on the premises of the institution; or

Section 16

- (ii) where activities of the institution took place; or
- (iii) in connection with the activities of the institution;
- (f) any other circumstances that are prescribed by the rules.

Note: When determining the question whether an institution is responsible for abuse of a person, the circumstances listed in this subsection are relevant to that question, but none of them on its own is determinative of that question.

- (5) Despite subsections (1), (2) and (3), an institution is *responsible*, *primarily responsible* or *equally responsible* for abuse of a person in the circumstances (if any) prescribed by the rules.
- (6) Despite subsections (1), (2) and (3), an institution is not *responsible*, *primarily responsible* or *equally responsible* for abuse of a person in the circumstances (if any) prescribed by the rules.

16 What redress is provided to a person?

- (1) **Redress** for a person consists of 3 components:
 - (a) a redress payment (of up to \$150,000); and
 - (b) a counselling and psychological component which, depending on where the person lives (as stated in the person's application for redress), consists of:
 - (i) access to counselling and psychological services provided under the scheme; or
 - (ii) a payment (of up to \$5,000) to enable the person to access counselling and psychological services provided outside of the scheme; and
 - (c) a direct personal response from each of the participating institutions that are determined by the Operator under paragraph 29(2)(b) to be responsible for the abuse of the person.

Note: For what a direct personal response consists of, see subsection 54(2).

- (2) A person who is entitled to redress under the scheme may choose to accept 1, 2 or all 3 of those components of redress.
- (3) If 2 or more participating institutions are determined to be responsible for the person's abuse and the person chooses to be

given a direct personal response, then the person may choose to be given a direct personal response from each of those institutions, or from only some or one of them.

17 What is redress for?

Redress for a person is for the sexual abuse, and related non-sexual abuse, of the person that is within the scope of the scheme.

Note: While redress is for both the sexual and related non-sexual abuse of a person that is within the scope of the scheme, to be eligible for redress in the first place, there must have been sexual abuse within the scope of the scheme (see paragraph 13(1)(b)).

Part 2-3—How to obtain redress under the scheme

Division 1—Simplified outline of this Part

18 Simplified outline of this Part

To be entitled to redress under the scheme, a person must make an application for it. To be valid, the application must comply with the requirements set out in section 19 (e.g. it must include any information required by the Operator).

Once the application is made, the Operator can request the person and participating institutions to provide further information to the Operator for the purposes of determining the application (see sections 24 and 25).

A person can make only one application for redress under the scheme. Whether the application is successful or unsuccessful, the person will not be able to make another application for redress under the scheme (unless the person withdraws the application before the Operator makes a determination about whether or not to approve it). There are certain circumstances where a person cannot make an application for redress. These circumstances are set out in section 20.

The Operator must make a determination to approve, or not approve, the application as soon as practicable. If the Operator considers there is a reasonable likelihood that the person is eligible for redress, then the Operator must approve the application and make a number of other important determinations under subsection 29(2). For example, the Operator must make a determination about which participating institutions are responsible for the abuse and therefore liable for providing redress to the person. The Operator must also make a determination about the amount of the redress payment that is payable to the person, as well as the amount of the counselling and psychological component of redress for the person.

The Operator must give the person written notice of the Operator's determination on the application. The notice must state whether or not the application has been approved, the reasons for the determination and that the person may apply for review of the determination. The Operator must also give written notice of the determination to the participating institutions that are specified in the determination (such as the responsible institutions).

If the Operator has approved the application, the Operator must also give the person an offer of redress with the notice. (Offers and acceptance of redress are dealt with in Part 2-4.)

Division 2—Application for redress under the scheme

19 Application for redress

- (1) To obtain redress under the scheme, a person must make an application to the Operator.
- (2) To be valid, the application must:
 - (a) be in the approved form; and
 - (b) specify where the person lives; and
 - (c) include any information, and be accompanied by any documents, required by the Operator; and
 - (d) verify the information included in the application by statutory declaration.
- (3) The Operator is not required to make a determination on an application that is not valid.

20 When an application cannot be made

- (1) A person cannot make an application for redress under the scheme if:
 - (a) the person has already made an application for redress under the scheme; or
 - (b) a security notice is in force in relation to the person; or
 - (c) the person is a child who will not turn 18 before the scheme sunset day; or
 - (d) the person is in gaol (within the meaning of subsection 23(5) of the *Social Security Act 1991*); or
 - (e) the application is being made in the period of 12 months before the scheme sunset day.
- (2) Paragraphs (1)(d) and (e) do not apply if the Operator determines there are exceptional circumstances justifying the application being made.
- (3) Before making a determination under subsection (2), the Operator must comply with any requirements prescribed by the rules.

21 Special process for child applicants

- (1) If:
 - (a) a person makes an application for redress under the scheme;
and
 - (b) the person is a child who will turn 18 before the scheme sunset day;then the Operator must deal with the application in accordance with any requirements prescribed by the rules.
- (2) Rules made for the purposes of subsection (1) apply despite subsection 29(1) (which requires the Operator to make a determination on the application as soon as practicable).

22 Withdrawal of an application

- (1) A person may withdraw an application for redress at any time before the Operator makes a determination on the application under section 29.
- (2) If the person withdraws the application under subsection (1), then for the purposes of this Act it is treated as not having been made.

23 Notice of a withdrawal to participating institutions

- (1) If:
 - (a) a person withdraws an application under subsection 22(1);
and
 - (b) before the withdrawal, the Operator had requested a participating institution under section 25 to provide information that may be relevant to the application;then the Operator must give the institution written notice that the person has withdrawn the application.
- (2) The notice must also comply with any requirements prescribed by the rules.

Division 3—Obtaining information for the purposes of determining the application

24 Power to request information from the applicant

- (1) If the Operator has reasonable grounds to believe that a person who has applied for redress has information that may be relevant to determining the application, then the Operator may request the person to give the information to the Operator.

Note: The request for information may be accompanied by information that has been disclosed by an institution in relation to the application.

- (2) The request must be made by written notice given to the person.
- (3) The notice must specify:
- (a) the nature of the information that is requested to be given; and
 - (b) how the person is to give the information to the Operator; and
 - (c) the period (the *production period*) within which the person is requested to give the information to the Operator; and
 - (d) that the notice is given under this section.
- (4) The production period must be at least:
- (a) if the Operator considers the application is urgent—4 weeks; and
 - (b) otherwise—8 weeks;
- beginning on the date of the notice.
- (5) The Operator may, by written notice to the person, extend the production period if the Operator considers it appropriate to do so.
- (6) An extension under subsection (5) may be given:
- (a) on the Operator's own initiative; or
 - (b) on a request made by the person under subsection (7).
- (7) The person may request the Operator to extend the production period. The request must:
- (a) be made before the end of the production period; and

(b) comply with any requirements prescribed by the rules.

25 Power to request information from participating institutions

- (1) If a person has applied for redress and either:
- (a) the application identifies a particular participating institution as being involved in the abuse of the person; or
 - (b) the Operator has reasonable grounds to believe that a participating institution may be responsible for the abuse of the person;

then the Operator must request the institution to give any information that may be relevant to the application to the Operator.

Note: The request for information may be accompanied by information that has been disclosed by the applicant or another institution in relation to the application.

- (2) If a person has applied for redress and the Operator has reasonable grounds to believe that a participating institution has information that may be relevant to determining the application, then the Operator may request the institution to give the information to the Operator.

Note: The request for information may be accompanied by information that has been disclosed by the applicant or another institution in relation to the application.

- (3) The request under subsection (1) or (2) must be made by written notice given to the institution.

- (4) The notice must specify:

- (a) the nature of the information that is requested to be given; and
- (b) how the institution is to give the information to the Operator; and
- (c) the period (the ***production period***) within which the institution is requested to give the information to the Operator; and
- (d) that the notice is given under this section.

- (5) The production period must be at least:

Section 26

- (a) if the Operator considers the application is urgent—4 weeks;
and
 - (b) otherwise—8 weeks;beginning on the date of the notice.
- (6) The Operator may, by notice to the institution, extend the production period if the Operator considers it appropriate to do so.
- (7) An extension under subsection (6) may be given:
 - (a) on the Operator's own initiative; or
 - (b) on a request made by the institution under subsection (8).
- (8) The institution may request the Operator to extend the production period. The request must:
 - (a) be made before the end of the production period; and
 - (b) comply with any requirements prescribed by the rules.

26 Failure of the applicant or institutions to comply with a request

- (1) If:
 - (a) under section 24, the Operator requests a person who has made an application for redress to provide further information; and
 - (b) the information requested is not provided in the production period referred to in that section;then the Operator is not required to make a determination on the application until the information is provided.
- (2) If:
 - (a) under section 25, the Operator requests a participating institution to provide information in relation to an application for redress; and
 - (b) the information requested is not provided in the production period referred to in that section;then the Operator may progress the application and make a determination on it on the basis of the information that has been obtained by, or provided to, the Operator.

27 State or Territory laws do not prevent complying with request

Nothing in a law of a State or a Territory prevents a person from giving information that the person is requested to give to the Operator for the purposes of the scheme unless that law is prescribed by the rules.

28 False or misleading information, documents or statements

A person must not give information, produce a document or make a statement to an officer of the scheme if the person knows, or is reckless as to whether, the information, document or statement is false or misleading in a material particular.

Note: This section is a civil penalty provision. Conduct prohibited by this section may also be an offence against the *Criminal Code* (see sections 136.1, 137.1 and 137.2 of the Code).

Civil penalty: 60 penalty units.

Division 4—The Operator must determine whether to approve the application

29 The Operator must make a determination on the application

Requirement for the Operator to make a determination

- (1) If a person makes an application for redress, the Operator must make a determination to approve, or not approve, the application as soon as practicable.

Determination to approve application

- (2) If the Operator considers that there is a reasonable likelihood that the person is eligible for redress, then the Operator must:
 - (a) approve the application; and
 - (b) determine each participating institution that is responsible for the abuse (see section 15) and therefore liable for providing redress to the person under the scheme; and
 - (c) determine, in accordance with section 30:
 - (i) the amount of the redress payment for the person; and
 - (ii) the amount of each responsible institution's share of the costs of the redress payment; and
 - (d) determine, in accordance with section 31:
 - (i) the amount of the counselling and psychological component of redress for the person; and
 - (ii) the amount of each responsible institution's share of the costs of that component; and
 - (e) determine whether the counselling and psychological component of redress for the person consists of:
 - (i) access to the counselling and psychological services that are provided under the scheme; or
 - (ii) a counselling and psychological services payment; and
 - (f) if the counselling and psychological component of redress for the person consists of a counselling and psychological services payment—determine that the amount of the payment

equals the amount of the counselling and psychological component of redress for the person; and

- (g) for each responsible institution that is a member of a participating group—determine each other participating institution that is an associate of the responsible institution at that time; and
- (h) for a participating institution that was identified in the application and is not covered by a determination under paragraph (b)—determine that the participating institution is not responsible for the abuse and therefore not liable for providing redress to the person under the scheme; and
- (i) if:
 - (i) the Operator determines, in accordance with section 15, that a participating government institution is equally responsible with a defunct institution for the abuse; and
 - (ii) the defunct institution is listed for the participating jurisdiction that the participating government institution belongs to;

determine that the participating government institution is the funder of last resort for the defunct institution in relation to the abuse.

Note 1: If the Operator determines that the participating government institution is the funder of last resort for the defunct institution, then the participating government institution will be liable to pay the defunct institution's (hypothetical) share of the costs of providing redress to the person (see section 165). Those costs are in addition to the participating government institution's own share of the costs for providing redress to the person. For the funder of last resort provisions, see Part 6-2.

Note 2: Only defunct institutions that are both non-government institutions and not participating institutions can be listed for a jurisdiction (see subsection 164(1)).

Determination not to approve application

- (3) Otherwise, the Operator must make a determination not to approve the application.

Section 29

Revoking a determination

- (4) The rules may require or permit the Operator to revoke, under this subsection, a determination made under subsection (2) or (3).
- (5) However, the Operator cannot revoke a determination made under subsection (2) if:
 - (a) the person has been given an offer of redress; and
 - (b) the person has accepted the offer in accordance with section 42.
- (6) If the Operator revokes a determination made under subsection (2) or (3), then:
 - (a) every determination made under subsection (2) or (3) is taken never to have been made; and
 - (b) if the person has been given an offer of redress but has not accepted or declined the offer—the offer is taken to be withdrawn; and
 - (c) if the person has made an application for review of the determination—the review application is taken to be withdrawn; and
 - (d) the Operator may make further requests under section 24 or 25 for information relating to the person’s application.
- (7) The Operator must give a written notice to:
 - (a) the person; and
 - (b) each participating institution that was notified under section 35 of the determination;
notifying them of the following:
 - (c) that the determination has been revoked;
 - (d) that the determination is taken never to have been made;
 - (e) if an offer of redress has been withdrawn under paragraph (6)(b)—that fact;
 - (f) if an application for review of the determination has been withdrawn under paragraph (6)(c)—that fact;
 - (g) any other matter prescribed by the rules.

30 Working out the amount of redress payment and sharing of costs

Working out amounts

- (1) This section sets out how the Operator must make a determination under paragraph 29(2)(c) about:
 - (a) the amount of the redress payment for a person; and
 - (b) the amount of each responsible institution's share of the costs of the redress payment.

Note: This section only applies if the Operator approves the person's application for redress.

Working out share of the costs of redress payment

- (2) The Operator must first work out, for each responsible institution, the amount that is the institution's share of the costs of the redress payment by using the following method statement:

Method statement

- Step 1. Apply the assessment framework to work out the maximum amount of redress payment that could be payable to the person. The maximum amount must not be more than \$150,000, regardless of the number of responsible institutions. The amount worked out is the **maximum amount** of the redress payment that could be payable to the person.
- Step 2. Work out, in accordance with any requirements prescribed by the rules, the amount that is the responsible institution's share of the maximum amount. This amount is the **gross liability amount** for the responsible institution.
- Step 3. Work out the amount of any payment (a **relevant prior payment**) that was paid to the person by, or on behalf of, the responsible institution in relation to abuse for which the institution is responsible (but do not include any payment to the extent that it is prescribed by the rules as

Section 30

not being a relevant prior payment). This amount is the **original amount** of the relevant prior payment.

Step 4. Multiply the original amount by the following:

$$(1.019)^n$$

where:

n is the number of whole years since the relevant prior payment was paid to the person.

The resulting amount is the **adjusted amount** of the relevant prior payment of the institution.

Note: The adjustment under this step is broadly to account for inflation.

Step 5. Add together the adjusted amount of each relevant prior payment of the institution. If the resulting amount is not a whole number of cents, round the amount up to the next whole number of cents. This amount is the **reduction amount** for the institution.

Step 6. The amount of the institution's share of the costs of the redress payment is the gross liability amount for the institution (in step 2) less the reduction amount for the institution (in step 5). The amount may be nil but not less than nil.

Working out amount of redress payment

- (3) The Operator must then work out the amount of redress payment for the person by adding together the amounts of each responsible institution's share of the costs of the redress payment. The amount may be nil, but it must not exceed the maximum amount of the redress payment.

Note 1: The amount may be nil because the total amount of relevant prior payments that were paid to the person by the responsible institutions exceeds the maximum amount of the redress payment that could be payable to the person. However, even though the person may not be

paid any redress payment in that case, the person will still be entitled to the other components of redress under the scheme (i.e. the counselling and psychological component and a direct personal response).

Note 2: For funder of last resort cases, subsection 165(2) affects how the amount of the redress payment and the share of the costs of the payment are worked out.

31 Working out the amount of the counselling and psychological component and sharing of costs

- (1) This section sets out how the Operator must make a determination under paragraph 29(2)(d) about:
 - (a) the amount of the counselling and psychological component of redress for a person; and
 - (b) the amount of each responsible institution's share of the costs of that component.

Note: This section only applies if the Operator approves the person's application for redress.

- (2) The Operator must apply the assessment framework to work out the amount of the component. The amount must not be more than \$5,000, regardless of the number of responsible institutions.
- (3) The Operator must work out, in accordance with the rules, the amount that is each responsible institution's share of the costs of the component.

Note: For funder of last resort cases, subsection 165(3) affects how the amount of the counselling and psychological component and the share of the costs of the component is worked out.

32 The assessment framework

- (1) The Minister may declare, in writing, a method, or matters to take into account, for the purposes of working out:
 - (a) the amount of redress payment for a person; and
 - (b) the amount of the counselling and psychological component of redress for a person.

Note: For variation or revocation of the declaration, see subsection 33(3) of the *Acts Interpretation Act 1901*.

Section 33

- (2) The declaration is the *assessment framework*.
- (3) The declaration is a legislative instrument, but section 42 (disallowance) of the *Legislation Act 2003* does not apply to it.

33 The assessment framework policy guidelines

- (1) The Operator may take into account the assessment framework policy guidelines when applying the assessment framework for the purposes of sections 30 and 31.
- (2) The Minister may, in writing, make guidelines for the purposes of applying the assessment framework.
- (3) The guidelines are the *assessment framework policy guidelines*.
- (4) The guidelines are not a legislative instrument.

Division 5—Notice of determination to applicant and participating institutions

34 Notice of determination to applicant

- (1) If the Operator makes a determination under section 29 on an application for redress for a person, the Operator must give the person written notice of the determination stating:
 - (a) whether or not the application has been approved; and
 - (b) the reasons for the determination; and
 - (c) that the person may apply under section 73 for review of the determination.
- (2) If the application has been approved, the notice must include the offer of redress to the person under section 39.
- (3) The notice must also:
 - (a) specify the day by which the person may apply for review of the determination (which must be at least 28 days, but no longer than 6 months, after the date of the notice) under section 73; and
 - (b) comply with any matters prescribed by the rules.

35 Notice of determination to participating institutions

- (1) If:
 - (a) the Operator makes a determination under section 29 in relation to a person; and
 - (b) a participating institution is specified in the determination;then the Operator must give the institution written notice of the determination in accordance with subsection (2).
- (2) The notice must state:
 - (a) whether or not the application has been approved; and
 - (b) if Operator determined under paragraph 29(2)(b) that the institution is responsible for the abuse and therefore liable for providing redress to the person under the scheme:

Section 35

- (i) that fact; and
 - (ii) the amount of the redress payment for the person; and
 - (iii) the amount of the institution's share of the costs of that payment; and
 - (iv) the amount of the counselling and psychological component of redress for the person; and
 - (v) the amount of the institution's share of the costs of that component; and
 - (c) if the Operator determined under paragraph 29(2)(g) that the institution is an associate of a responsible institution—that fact; and
 - (d) if the Operator determined under paragraph 29(2)(h) that the institution is not responsible for the abuse and therefore not liable for providing redress to the person under the scheme—that fact; and
 - (e) if the Operator determined under paragraph 29(2)(i) that the institution is the funder of last resort for a defunct institution—that fact; and
 - (f) the reasons for the determination, as they relate to the institution; and
 - (g) the day by which the person may apply under section 73 for review of the determination.
- (3) The notice must also comply with any requirements prescribed by the rules.

Division 6—Effect of determination and admissibility of evidence in civil proceedings

36 Effect of determination

- (1) A determination by the Operator under section 29 has effect only for the purposes of the scheme.
- (2) In particular, a determination under section 29 that an institution:
 - (a) is, or is not, responsible for the abuse of a person; or
 - (b) is, or is not, liable to provide redress to a person;is not a finding of law or fact made by a court in civil or criminal proceedings.

Note: The determination is an administrative decision that is made by the Operator on the basis of whether the Operator considers there to be a reasonable likelihood that the person is eligible for redress. It is not a judicial decision made by a court in civil or criminal proceedings on the basis of a higher standard of proof.

- (3) However, a determination under section 29 that an institution is responsible for abuse of a person and therefore liable to provide redress may result in the imposition of a civil liability on the institution to make payments under the scheme in relation to that redress.

37 Admissibility of documents in evidence in civil proceedings

- (1) The following documents are not admissible in evidence in civil proceedings in a court or tribunal:
 - (a) a person's application for redress;
 - (b) a document created solely for the purposes of accompanying a person's application for redress;
 - (c) a document created solely for the purposes of complying with a request for information made by the Operator under section 24 or 25 in relation to a person's application for redress.

Section 37

- (2) Subsection (1) does not apply if the admission of the document in evidence in civil proceedings is for the purposes of giving effect to this Act.
- (3) For the purposes of subsection (2) (and without limiting that subsection), if the admission of the document in evidence is in civil proceedings for judicial review of a decision made under this Act, then the admission is for the purposes of giving effect to this Act.
- (4) Subsection (1) does not apply if the admission of the document in evidence is in civil proceedings under, or arising out of, section 28 (which is about providing false or misleading documents or information to an officer of the scheme).

Part 2-4—Offers and acceptance of redress

Division 1—Simplified outline of this Part

38 Simplified outline of this Part

If the Operator approves a person's application for redress, the Operator must give the person a written offer of redress. The offer must include the information set out in section 39. The person may accept or decline the offer.

If the person wishes to accept the offer, he or she must do so by giving the Operator, within the acceptance period, an acceptance document that complies with section 42. If the person accepts the offer, then the person will be provided with redress under the scheme. The person also releases all the participating institutions determined by the Operator to be responsible for the abuse (as well as the officials of those institutions, the associates of those institutions and the officials of the associates of those institutions) from all civil liability for the abuse of the person. However, the abuser is not released from liability for the abuse.

If the person accepts the offer, the Operator must notify the participating institutions determined by the Operator to be responsible for the abuse of the person's acceptance of the offer (including the components of redress that the person wishes to receive).

If the person declines the offer (either by formally declining, or by doing nothing, in the acceptance period), the person is not required to release any institution or official from civil liability for the abuse of the person, but the person will not be provided with redress under the scheme.

Division 2—Offers of redress

39 Offer of redress

If the Operator approves a person's application for redress, the Operator must give the person a written offer of redress that:

- (a) explains the 3 components of redress (i.e. redress payment, access to the counselling and psychological component of redress for the person, and direct personal response); and
- (b) specifies the amount of the redress payment; and
- (c) specifies whether the counselling and psychological component of redress for the person consists of:
 - (i) access to the counselling and psychological services that are provided under the scheme; or
 - (ii) the counselling and psychological services payment; and
- (d) if the counselling and psychological component of redress for the person consists of the counselling and psychological services payment—specifies the amount of that payment; and
- (e) specifies the participating institutions determined by the Operator under paragraph 29(2)(b) to be responsible for the abuse and therefore liable for providing redress to the person under the scheme; and
- (f) if any of those responsible institutions is a defunct institution that has a representative:
 - (i) specifies the person who is the representative; and
 - (ii) explains that the representative is liable for providing redress to the person under the scheme; and
- (g) if any of those responsible institutions is a member of a participating group—specifies the participating institutions determined by the Operator under paragraph 29(2)(g) to be associates of any of those responsible institutions; and
- (h) specifies the participating institutions that were identified in the person's application but determined by the Operator under paragraph 29(2)(h) not to be responsible for the

person's abuse and therefore not liable for providing redress to the person under the scheme; and

- (i) if any of those responsible institutions is a participating government institution that is determined by the Operator under paragraph 29(2)(i) to be the funder of last resort for a defunct institution:
 - (i) specifies the defunct institution; and
 - (ii) explains that the government institution is liable for the defunct institution's (hypothetical) share of the costs of providing redress to the person; and
 - (iii) explains that a direct personal response is not available to the person in relation to the abuse for which the defunct institution is responsible; and
- (j) states the date of the offer; and
- (k) specifies the acceptance period for the offer (see section 40); and
- (l) gives information about the opportunity for the person to access legal services under the scheme for the purposes of obtaining legal advice about whether to accept the offer; and
- (m) gives information about other services available to the person under the scheme to help the person to decide whether to accept the offer; and
- (n) explains how to accept or decline the offer, should the person decide to do so; and
- (o) informs the person that the offer expires at the end of the acceptance period; and
- (p) explains the effect of section 43 (which is about the release from civil liability of the responsible institutions, their officials, their associates and the officials of their associates) should the person accept the offer; and
- (q) informs the person that the person does not have to accept the offer and that, by doing nothing, the offer is taken to be declined at the end of the acceptance period; and
- (r) informs the person that the person will not be able to make another application for redress under the scheme, whether or not the offer is accepted; and

Section 40

- (s) informs the person that the person may request an extension of the acceptance period and explains how to make that request; and
- (t) complies with any requirements prescribed by the rules.

40 Acceptance period for offers of redress

- (1) The *acceptance period* for an offer of redress to a person is the period determined by the Operator, which must be at least 6 months, starting on the date of the offer.
- (2) Before the end of the acceptance period, the Operator may, by written notice to the person, extend the acceptance period if the Operator considers there are exceptional circumstances that justify the extension.
- (3) An extension under subsection (2) may be given:
 - (a) on the Operator's own initiative; or
 - (b) on a request made by the person under subsection (4).
- (4) The person may request the Operator to extend the acceptance period. The request must comply with any requirements prescribed by the rules.
- (5) If the Operator extends the period, the *acceptance period* is the original period as extended by the Operator.

41 Notice of offer to participating institutions

- (1) If:
 - (a) the Operator gives an offer of redress under section 39; and
 - (b) a participating institution or person referred to in paragraph 39(e), (f) or (g) is specified in the offer;then the Operator must give the institution or person written notice of the offer.
- (2) The notice must:
 - (a) state the acceptance period for the offer; and
 - (b) comply with any requirements prescribed by the rules.

Division 3—Accepting or declining offers of redress

42 Accepting the offer of redress

- (1) A person may accept an offer of redress by complying with this section.
- (2) The person must give the Operator a document (the *acceptance document*) that:
 - (a) is in the approved form; and
 - (b) states that the person accepts the offer; and
 - (c) states that the person releases and forever discharges each of the following institutions and officials (a *released institution or official*) from all civil liability for abuse of the person that is within the scope of the scheme:
 - (i) all participating institutions that are determined by the Operator under paragraph 29(2)(b) to be responsible for the abuse of the person;
 - (ii) all participating institutions that are determined by the Operator under paragraph 29(2)(g) to be associates of those responsible institutions;
 - (iii) all officials of those responsible institutions and associates (other than an official who is an abuser of the person); and
 - (d) states that the person forgoes any entitlement to be paid damages by a released institution or official if the released institution or official were joined as a party to civil proceedings brought or continued by the person against another party in relation to abuse of the person that is within the scope of the scheme; and
 - (e) states that the person will not, whether as an individual, a representative party or a member of a group, bring or continue any civil claim against a released institution or official in relation to abuse of the person that is within the scope of the scheme; and
 - (f) states the components of redress that the person wishes to receive; and

Section 43

- (g) if the person wishes to receive a direct personal response—
specifies the participating institutions that the person wishes
to receive a direct personal response from; and
 - (h) acknowledges that the person understands the effect of
accepting the offer; and
 - (i) is signed by the person; and
 - (j) complies with any requirements prescribed by the rules.
- (3) The person must give the Operator the acceptance document:
- (a) before the end of the acceptance period; and
 - (b) in the manner (if any) prescribed by the rules.
- (4) Rules made for the purposes of paragraph (2)(j) must not require
the person to enter into a confidentiality agreement.

43 Effect of acceptance on civil liability

If a person accepts an offer of redress in accordance with
section 42, then, at the time the person gives the acceptance and by
force of this section:

- (a) the person releases and forever discharges every released
institution or official from civil liability for abuse of the
person that is within the scope of the scheme; and
- (b) the person cannot (whether as an individual, a representative
party or a member of a group) bring or continue civil
proceedings against a released institution or official in
relation to that abuse; and
- (c) the release and discharge of civil liability of a released
institution or official for that abuse does not:
 - (i) release or discharge another institution or person from
civil liability for that abuse; and
 - (ii) prevent the person (whether as an individual, a
representative party or a member of a group) from
bringing or continuing civil proceedings against another
institution or person in relation to that abuse; and
- (d) if a released institution or official would, apart from this
section, be liable to make a contribution to another institution
or person in relation to damages payable to the person in civil

proceedings brought or continued by the person (whether as an individual, a representative party or a member of a group) against the other institution or person in relation to that abuse, then:

- (i) the released institution or official is released and forever discharged from liability to make that contribution; and
- (ii) the amount of damages payable to the person in those proceedings is reduced by the amount of that contribution.

44 Notice to participating institutions that the offer is accepted

- (1) If a person accepts an offer of redress in accordance with section 42, then the Operator must give each institution that was notified under section 41 about the offer written notice of:
 - (a) the person's acceptance of the offer; and
 - (b) the components of redress that the person wishes to receive (including whether the person wishes to receive a direct personal response from the institution); and
 - (c) any matters prescribed by the rules.
- (2) The notice must be accompanied by a copy of the person's acceptance document.

45 Declining the offer of redress

Declining by taking positive action

- (1) A person may decline an offer of redress by giving the Operator, before the end of the acceptance period, a document that:
 - (a) is in the approved form; and
 - (b) states that the person declines the offer; and
 - (c) acknowledges that the person understands the effect of declining the offer (including that the person will not be able to make another application for redress under the scheme); and
 - (d) is signed by the person; and
 - (e) complies with any requirements prescribed by the rules.

Section 46

Declining by not accepting in the acceptance period

- (2) A person is taken to have declined an offer of redress if the person does not accept the offer in accordance with section 42 before the end of the acceptance period.
- (3) Subsection (2) does not apply if:
 - (a) the person has applied for review under section 73 of the Operator's determination on the person's application for redress; and
 - (b) the review has not been completed at the end of the acceptance period.

46 Notice to participating institutions that the offer is declined

- (1) If a person declines an offer of redress in accordance with section 45, then the Operator must give each institution that was notified under section 41 of the offer written notice that the person has declined the offer.
- (2) The notice must comply with any requirements prescribed by the rules.

Part 2-5—Provision of redress under the scheme

Division 1—Simplified outline of this Part

47 Simplified outline of this Part

If a person accepts an offer of redress under the scheme, then:

- (a) the Operator must pay the redress payment to the person; and
- (b) the Operator must provide the person with the counselling and psychological component of redress which, depending on where the person lives, consists of access to counselling and psychological services or a counselling and psychological services payment; and
- (c) the responsible institutions for the abuse must take reasonable steps to provide the person with a direct personal response.

However, this does not apply if the person stated in the acceptance document that he or she does not wish to receive a particular component of redress (e.g. the person stated that he or she does not wish to receive a direct personal response from a particular participating institution).

Division 2—The redress payment

48 The Operator must pay the redress payment

- (1) If:
 - (a) a person is entitled to redress under the scheme (see section 12); and
 - (b) the person stated in the acceptance document that the person wishes to be paid the redress payment;then the Operator must pay the redress payment to the person as soon as practicable.
- (2) The rules may prescribe matters relating to the payment of redress payments.

49 Protection of the redress payment—general

- (1) A redress payment is a payment of compensation under the scheme. However, for the purposes of:
 - (a) the *Social Security Act 1991* and the *Veterans' Entitlements Act 1986*; and
 - (b) any other legislation of the Commonwealth, a State or a Territory;the payment is not to be treated as being a payment of compensation or damages.

Note: This subsection prevents a redress payment affecting other payments that may be payable to the person under legislation. For example, when determining whether a social security payment is payable, or the amount of such a payment, a redress payment is not to be taken into account.

- (2) For the purposes of the application of any law of the Commonwealth, a State or a Territory in relation to a redress payment:
 - (a) the payment and the entitlement to the payment are absolutely inalienable, whether by way of, or in consequence of, sale, assignment, charge, execution, bankruptcy or otherwise; and

- (b) no amount may be deducted from the payment.
- (3) Nothing in this Act prevents a liability insurance contract from treating a redress payment as being a payment of compensation or damages.

50 Additional protection of the redress payment—garnishee orders

- (1) If:
 - (a) a redress payment is being paid, or has been paid, to the credit of an account; and
 - (b) a court order in the nature of a garnishee order comes into force in relation to the account;the court order does not apply to the saved amount (if any) in the account.
- (2) The *saved amount* is worked out as follows:

Method statement

- Step 1. Work out the amount of the redress payment that has been paid to the credit of the account in the year immediately before the court order came into force.
- Step 2. Subtract from the amount of that payment the total amount withdrawn from the account during that year: the result is the *saved amount*.

Division 3—Counselling and psychological component of redress

51 The Operator must enable access to the counselling and psychological component of redress

- (1) This section applies if:
 - (a) a person is entitled to redress under the scheme (see section 12); and
 - (b) the person stated in the acceptance document under section 42 that the person wishes to access the counselling and psychological component of redress.
- (2) If the place where the person lives (as stated in the person's application) is in a participating jurisdiction that is a declared provider of counselling and psychological services under the scheme, then:
 - (a) the Operator must, as soon as practicable after the person becomes entitled to redress, refer the person to the participating jurisdiction; and
 - (b) the participating jurisdiction must, as soon as practicable after receiving the referral, provide for the delivery of counselling and psychological services under the scheme in accordance with the National Service Standards.
- (3) If subsection (2) does not apply, then the Operator must, as soon as practicable, pay the counselling and psychological services payment to the person.
- (4) The rules may prescribe matters relating to the payment of counselling and psychological services payments.

52 Protection of the counselling and psychological services payment—general

- (1) A counselling and psychological services payment is a payment of compensation under the scheme. However, for the purposes of:
-

- (a) the *Social Security Act 1991* and the *Veterans' Entitlements Act 1986*; and
- (b) any other legislation of the Commonwealth, a State or a Territory;

the payment is not to be treated as being a payment of compensation or damages.

Note: This subsection prevents a counselling and psychological services payment affecting other payments that may be payable to the person under legislation. For example, when determining whether a social security payment is payable, or the amount of such a payment, a counselling and psychological services payment is not to be taken into account.

- (2) For the purposes of the application of any law of the Commonwealth, a State or a Territory in relation to a counselling and psychological services payment:
 - (a) the payment and the entitlement to the payment are absolutely inalienable, whether by way of, or in consequence of, sale, assignment, charge, execution, bankruptcy or otherwise; and
 - (b) no amount may be deducted from the payment.
- (3) Nothing in this Act prevents a liability insurance contract from treating a counselling and psychological services payment as being a payment of compensation or damages.

53 Additional protection of the counselling and psychological services payment—garnishee orders

- (1) If:
 - (a) a counselling and psychological services payment is being paid, or has been paid, to the credit of an account; and
 - (b) a court order in the nature of a garnishee order comes into force in relation to the account;the court order does not apply to the saved amount (if any) in the account.
- (2) The *saved amount* is worked out as follows:

Section 53

Method statement

- Step 1. Work out the amount of the counselling and psychological services payment that has been paid to the credit of the account in the year immediately before the court order came into force.
- Step 2. Subtract from the amount of that payment the total amount withdrawn from the account during that year: the result is the *saved amount*.

Division 4—Direct personal responses

54 Direct personal response from responsible institutions

- (1) If a participating institution is given a notice under section 44 that notifies the institution that a person wishes to be given a direct personal response from the institution, then the institution must take reasonable steps to provide the person with a direct personal response.
- (2) A *direct personal response* from a participating institution to a person is any one or more of the following:
 - (a) an apology or a statement of acknowledgement or regret;
 - (b) an acknowledgement of the impact of the abuse on the person;
 - (c) an assurance as to the steps the institution has taken, or will take, to prevent abuse occurring again;
 - (d) an opportunity for the person to meet with a senior official of the institution.
- (3) When providing a direct personal response, the participating institution must take into account the direct personal response framework.

55 The direct personal response framework

- (1) The Minister may declare, in writing, guidelines about how direct personal responses are to be provided under the scheme.

Note: For variation or revocation of the declaration, see subsection 33(3) of the *Acts Interpretation Act 1901*.
- (2) The declaration is the *direct personal response framework*.
- (3) When making the declaration, the Minister must have regard to the principles in section 56.
- (4) The declaration is a legislative instrument, but section 42 (disallowance) of the *Legislation Act 2003* does not apply to it.

Section 56

56 General principles guiding provision of direct personal responses

- (1) All participating institutions should offer and provide on request by a survivor:
 - (a) meaningful recognition of the institution's responsibility by way of a statement of apology, acknowledgement or regret; and
 - (b) an assurance as to steps taken to protect against further abuse.
- (2) Engagement between a survivor and a participating institution should occur only if, and to the extent that, a survivor wishes it.
- (3) Participating institutions should make clear what they are willing to offer and provide by way of a direct personal response to survivors. Institutions should ensure that they are able to provide the direct personal response that they offer to survivors.
- (4) In offering direct personal responses, participating institutions should be responsive to survivors' needs.
- (5) Participating institutions that already offer a broader range of direct personal responses to survivors and others should consider continuing to offer those forms of direct personal response.
- (6) Direct personal responses should be delivered by people who have received training about the nature and impact of child sexual abuse and the needs of survivors, including cultural awareness and sensitivity training where relevant.
- (7) Participating institutions should welcome feedback from survivors about the direct personal responses the institutions offer and provide.

Chapter 3—Special rules to deal with exceptional cases

Part 3-1—Special rules allowing entitlement to redress

Division 1—Simplified outline of this Part

57 Simplified outline of this Part

This Part deals with a number of special cases to provide exemptions to the general rules of entitlement to redress in Chapter 2 (particularly section 12). Under this Part, a person who would not be entitled to redress under the general rules may nevertheless be entitled to redress because of the application of the exemptions in this Part.

If a person makes an application for redress, but dies before accepting an offer of redress, the person (or the person's estate) will not be entitled to redress. Division 2 deals with that case and allows for a redress payment to be paid to other persons in certain circumstances.

If abuse of a person occurred inside a non-participating State, the person would not be eligible (and therefore not entitled) to redress because the abuse is not within the scope of the scheme (see sections 13 and 14). However, if a Commonwealth institution or a participating Territory institution is primarily responsible for the abuse, the person may be entitled to redress. Division 3 deals with that case.

Division 2—Death of person before acceptance of redress offer

58 Person dies before determination is made on application for redress

- (1) This section applies if:
 - (a) a person makes an application for redress under section 19; and
 - (b) the person dies before a determination on the application is made under section 29.
- (2) The Operator must continue to deal with the application as if the person had not died.
- (3) If the Operator approves the application under paragraph 29(2)(a), then the Operator must:
 - (a) determine, under paragraph 29(2)(b), each participating institution that is responsible for the abuse; and
 - (b) determine, under paragraph 29(2)(c):
 - (i) the amount of the redress payment for the person; and
 - (ii) the amount of each responsible institution's share of the costs of the redress payment; and
 - (c) if paragraph 29(2)(i) applies to a participating government institution and a defunct institution—determine, under that paragraph, that the participating government institution is the funder of last resort for the defunct institution.
- (4) The redress payment for the person is payable in accordance with section 60.
- (5) The rules may prescribe matters relating to the giving of notices to a person or a participating institution in relation to the operation of this section.

59 Person dies before offer of redress is accepted, declined or withdrawn

- (1) This section applies if:
 - (a) a person makes an application for redress under section 19; and
 - (b) the Operator makes a determination under section 29 approving the application; and
 - (c) the Operator gives the person an offer of redress under section 39; and
 - (d) the person dies before the offer is accepted, declined or withdrawn.
 - (2) The offer is taken to be withdrawn immediately after the person dies.
 - (3) If, before the person died:
 - (a) the person had not made an application under section 73 for review of the determination; or
 - (b) the person had made such an application but the review had been completed;then the redress payment for the person is payable in accordance with section 60.
 - (4) If, before the person died:
 - (a) the person had made an application under section 73 for review of the determination; and
 - (b) the review had not been completed;then:
 - (c) the application for review continues as if the person had not died; and
 - (d) if the review determination approves the person's application for redress—the redress payment for the person specified in the review determination is payable in accordance with section 60.
 - (5) The rules may prescribe matters relating to the giving of notices to a person or a participating institution in relation to the operation of this section.
-

Section 60

60 Entitlement to redress payment

- (1) This section applies if under subsection 58(4) or 59(3) or paragraph 59(4)(d) a redress payment for a deceased person is payable in accordance with this section.
- (2) The Operator must:
 - (a) determine who should be paid the redress payment; and
 - (b) pay the redress payment to that person or those persons as soon as practicable.
- (3) In determining who should be paid the redress payment, the Operator may consider the people who are entitled to the property of the deceased person under:
 - (a) the deceased person's will; and
 - (b) the law relating to the disposition of the property of deceased persons.
- (4) The Operator may pay the redress payment without requiring:
 - (a) production of probate of the will of the deceased person; or
 - (b) letters of administration of the estate of the deceased person.
- (5) The rules may prescribe matters relating to the payment of redress payments under this section.

**Division 3—Abuse for which a Commonwealth institution
or participating Territory institution is
responsible**

61 Abuse occurring inside a non-participating State

- (1) For the purposes of subsection 13(2), a person is eligible for redress under the scheme if:
 - (a) the person would be eligible under subsection 13(1) apart from the fact that the person does not meet the condition in paragraph 13(1)(b) because the sexual abuse of the person occurred inside a non-participating State (disregarding subsection (2) of this section); and
 - (b) a Commonwealth institution or a participating Territory institution is primarily responsible for the abuse of the person.
- (2) For the purposes of subsection 14(2), if a person is eligible for redress under the scheme because of subsection (1) of this section, then the abuse of the person is within the scope of the scheme.

Part 3-2—Special rules excluding entitlement to redress

Division 1—Simplified outline of this Part

62 Simplified outline of this Part

This Part deals with a number of special cases to provide exclusions to the general rules of entitlement to redress in Chapter 2. Under this Part, a person who would otherwise be entitled to redress under the general rules may nevertheless not be entitled to redress because of the application of the exclusions in this Part.

If a person is sentenced to imprisonment for 5 years or longer for an offence against the law of the Commonwealth, a State, a Territory or a foreign country, the person will not be entitled to redress unless the Operator makes a determination under subsection 63(5). Division 2 deals with that case.

A person is also not entitled to redress under the scheme while a security notice is in force in relation to the person. Division 3 deals with that case.

Division 2—Special assessment of applicants with serious criminal convictions

63 Special assessment of applicants with serious criminal convictions

- (1) This section applies if:
 - (a) a person makes an application under section 19 for redress for abuse of the person; and
 - (b) before or after making the application, the person is sentenced to imprisonment for 5 years or longer for an offence against a law of the Commonwealth, a State, a Territory or a foreign country.
- (2) For the purposes of subsection 12(4), the person is not entitled to redress under the scheme unless there is a determination in force under subsection (5) of this section that the person is not prevented from being entitled to redress.
- (3) As soon as practicable after becoming aware of the person's sentence, the Operator must:
 - (a) consider whether to make a determination under subsection (5); and
 - (b) give a written notice under subsection (4) to each of the following (a *specified advisor*):
 - (i) if the abuse of the person occurred inside a participating State or a participating Territory—the Attorney-General of the State or Territory, or another person nominated by that Attorney-General in writing;
 - (ii) if the abuse of the person occurred outside a participating State or a participating Territory—the Commonwealth Attorney-General;
 - (iii) if the offence was against a law of a participating State or a participating Territory—the Attorney-General of the State or Territory, or another person nominated by that Attorney-General in writing;

Section 63

- (iv) if the offence was against a law not covered by subparagraph (iii)—the Commonwealth Attorney-General.
- (4) The notice must:
- (a) request the specified advisor to provide advice about whether the Operator should make a determination under subsection (5); and
 - (b) include sufficient information to enable the specified advisor to provide that advice; and
 - (c) specify the period (which must be at least 28 days starting on the date of the notice) in which the specified advisor may provide that advice.
- (5) The Operator may determine that the person is not prevented from being entitled to redress under the scheme if the Operator is satisfied that providing redress to the person under the scheme would not:
- (a) bring the scheme into disrepute; or
 - (b) adversely affect public confidence in, or support for, the scheme.
- (6) When making a determination under subsection (5), the Operator must take into account:
- (a) any advice given by a specified advisor in the period referred to in the notice; and
 - (b) the nature of the offence; and
 - (c) the length of the sentence of imprisonment; and
 - (d) the length of time since the person committed the offence; and
 - (e) any rehabilitation of the person; and
 - (f) any other matter that the Operator considers is relevant.
- (7) When taking into account the matters set out in subsection (6), the Operator must give greater weight to any advice that:
- (a) is given by a specified advisor from the jurisdiction in which the abuse of the person occurred; and
 - (b) is given in the period referred to in the notice;

than to any other matter.

- (8) The rules may prescribe matters relating to the giving of notices to a person or a participating institution in relation to a determination under subsection (5).

- (2) Before giving a security notice, the Home Affairs Minister must have regard to the extent (if any) that any payments to the person under the scheme have been or may be used for a purpose that might prejudice the security of Australia or a foreign country, if the Home Affairs Minister is aware of that extent.
- (3) Subsection (2) does not limit the matters to which regard may be had when giving a security notice.
- (4) A security notice is not a legislative instrument.

66 Notice from the Foreign Affairs Minister

- (1) If:
 - (a) either:
 - (i) under subsection 14(2) of the *Australian Passports Act 2005*, the Foreign Affairs Minister refuses to issue a person an Australian travel document; or
 - (ii) under section 22 of that Act, the Foreign Affairs Minister cancels a person's Australian travel document; and
 - (b) the refusal or cancellation was because of a refusal/cancellation request made in relation to the person under subsection 14(1) of that Act; and
 - (c) the request was made on the basis of the circumstance mentioned in subparagraph 14(1)(a)(i) of that Act;the Foreign Affairs Minister may give the Home Affairs Minister a written notice setting out those matters.
- (2) A notice under subsection (1) is not a legislative instrument.

67 Copy of a security notice to be given to the Operator and the Human Services Secretary

The Minister must give a copy of a security notice to:

- (a) the Operator; and
- (b) the Secretary of the Human Services Department.

Section 68

68 Period a security notice is in force

A security notice comes into force on the day it is given to the Minister, and remains in force until it is revoked.

69 Annual review of a security notice

Before the end of the following periods, the Home Affairs Minister must consider whether to revoke a security notice (if it has not already been revoked):

- (2) The revocation takes effect on the day it is made.
- (3) The Minister must give a copy of a notice under subsection (1) to:
 - (a) the Operator; and

Subdivision C—Other matters affected by a security notice

71 Other matters affected by a security notice

- (1) If at the time a security notice comes into force in relation to a person:
 - (a) the person has made an application for redress under section 19; and
 - (b) either:
 - (i) a determination has not been made in relation to the application under section 29; or
 - (ii) an offer of redress has not been given to the person under section 39;

then, at that time, the application is taken to have been withdrawn by the person under subsection 22(1).

(2) If at the time a security notice comes into force in relation to a person:

- (a) the person has made an application for redress under section 19; and
- (b) an offer of redress has been given to the person under section 39; and

Chapter 4—Administrative matters

Part 4-1—Review of determinations

Division 1—Simplified outline of this Part

72 Simplified outline of this Part

A person may apply for review of a determination of the Operator under section 29 in relation to the person's application for redress under the scheme.

There are a number of determinations under section 29 that the person may seek to be reviewed. For example, if the Operator approved the application, the person may seek review of the amount of the redress payment. If the Operator did not approve the application, the person may seek review of that determination.

An application for review must be made within the period specified in the notice of determination given by the Operator to the person under section 34.

If, on review, a determination under subsection 29(2) is varied or substituted, the Operator must withdraw the offer of redress and give the person a new offer in accordance with section 39. If the determination is affirmed, the Operator must extend the acceptance period for the original offer for an additional 2 months.

The Operator must notify the person who applied for review, and certain participating institutions, about the outcome of the review.

Division 2—Review of determinations

73 Application for review of determination

- (1) If:
 - (a) a person has made an application for redress; and
 - (b) the Operator has made a determination (the *original determination*) on the application under section 29;then the person may apply to the Operator for review of the original determination.
- (2) The application for review must:
 - (a) be made before the day specified in the notice of the determination given under section 34; and
 - (b) be in the approved form.

74 Withdrawal of application for review

- (1) The person may withdraw an application for review, by giving oral or written notice to the Operator, at any time before the review has been completed.
- (2) An application for review that is withdrawn under subsection (1) is taken never to have been made.

75 The review

- (1) If an application is made under section 73, the Operator must review the original determination or cause the original determination to be reviewed by an independent decision-maker:
 - (a) to whom the Operator's power under this section is delegated; and
 - (b) who was not involved in the making of the determination.
- (2) The person reviewing the original determination must:
 - (a) reconsider the determination; and
 - (b) make a determination (the *review determination*) doing one of the following:

Section 76

- (i) affirming the original determination;
 - (ii) varying the original determination;
 - (iii) setting the original determination aside and substituting a new determination.
- (3) When reviewing the original determination, the person may have regard only to the information and documents that were available to the person who made the original determination.

76 Date of effect of review determination

- (1) This section applies if the review determination:
 - (a) varies the original determination; or
 - (b) sets aside the original determination and substitutes a new determination.
- (2) The review determination takes effect on the day specified in the review determination.
- (3) From the day the review determination takes effect, the original determination as varied or substituted is taken to be the determination made by the Operator under section 29.

77 Notice of review determination to applicant

The Operator must give the applicant written notice of the review determination, stating the reasons for it.

78 Interaction between review and offer of redress

- (1) This section applies if:
 - (a) a person is given an offer of redress under section 39; and
 - (b) the person applies for review of the original determination.
- (2) If the person accepts or declines the offer in the acceptance period for the offer but before the review has been completed, then the application for review is taken to have been withdrawn immediately before the person accepted or declined the offer.

- (3) If, on review, the original determination is varied or substituted, then the Operator must:
- (a) withdraw the offer and notify the person in writing of that withdrawal; and
 - (b) if the determination as varied or substituted approves the application for redress—give the person a new written offer of redress in accordance with section 39.
- (4) If:
- (a) on review, the original determination is affirmed; and
 - (b) the determination as affirmed approves the application for redress; and
 - (c) the person has been given an offer of redress under section 39;
- then the Operator must extend the acceptance period under subsection 40(2) for an additional 2 months.

79 Notices to participating institutions about review

- (1) If:
- (a) a person makes an application for review under section 73; or
 - (b) a person withdraws an application for review under subsection 74(1); or
 - (c) a review determination is made under subsection 75(2);
- then the Operator must give each participating institution that was notified under section 35 written notice of that fact.
- (2) The notice must comply with any requirements prescribed by the rules.

Part 4-2—Nominees

Division 1—Simplified outline of this Part

80 Simplified outline of this Part

If a person makes an application, or proposes to make an application, for redress under the scheme, the Operator may appoint someone else to be the person's nominee. If a nominee is appointed, then the nominee can act on behalf of the person for the purposes of the scheme.

There are 2 types of nominees:

- (a) assistance nominees; and
- (b) legal nominees.

While both types of nominees may act on behalf of the person for the purposes of the scheme (for example, communicate with the Operator), there are some matters for which only the legal nominee (and not the assistance nominee) may act on behalf of the person. Those matters are set out in sections 84 and 85. Importantly, the assistance nominee may not make the application for redress, or accept or decline an offer of redress, on behalf of the person (but the legal nominee may do that on behalf of the person).

This Part deals with the appointment of nominees, their functions, duties and responsibilities, and other consequences of being a nominee for the purposes of the scheme.

Division 2—Appointment of nominees

81 Appointment of nominees

- (1) If a person (the *applicant*) makes an application for redress under the scheme, or proposes to make such an application, the Operator may, in writing, appoint another person to be:
 - (a) the assistance nominee of the applicant; or
 - (b) the legal nominee of the applicant.

Note: The assistance nominee and legal nominee may be a body corporate.

- (2) The Operator must not appoint a person to be the assistance nominee of the applicant unless both the person and the applicant give written consent to the appointment.
- (3) The Operator must not appoint a person to be the legal nominee of the applicant unless:
 - (a) under a law of the Commonwealth, a State or a Territory the person has power to make decisions for the applicant in all matters that are relevant to the duties of a legal nominee; and
 - (b) the person gives written consent to the appointment; and
 - (c) the Operator has taken into account any wishes of the applicant regarding the making of such an appointment.

Note: A person who may be eligible to be the legal nominee of the applicant is a person who, under a guardianship order or power of attorney, has power to make decisions for the applicant in all relevant matters.

- (4) The Operator must give a copy of an appointment under this section to:
 - (a) the nominee; and
 - (b) the applicant.

82 Suspension and revocation of nominee appointments

- (1) If:
 - (a) an assistance nominee or a legal nominee appointed under section 81 requests the Operator, in writing, to revoke the appointment; or

Section 82

- (b) the applicant requests the Operator, in writing, to revoke the appointment of the applicant's assistance nominee;
then the Operator must revoke the appointment as soon as practicable.
- (2) If:
- (a) the Operator gives a nominee a notice under section 87; and
 - (b) the nominee informs the Operator that:
 - (i) an event or change of circumstances has happened or is likely to happen; and
 - (ii) the event or change of circumstances is likely to have an effect referred to in paragraph 87(1)(b);
- then the Operator may suspend or revoke the nominee's appointment.
- (3) If:
- (a) the Operator gives a nominee a notice under section 87; and
 - (b) the nominee does not comply with a requirement of the notice;
- then the Operator may suspend or revoke the nominee's appointment.
- (4) While an appointment is suspended, the appointment has no effect for the purposes of this Act.
- (5) The Operator may, at any time, revoke the suspension of an appointment under subsection (2) or (3).
- (6) The suspension or revocation of an appointment, and the revocation of such a suspension, must be in writing.
- (7) The revocation of an appointment has effect on and from such day, being later than the day of the revocation, as is specified in the revocation.
- (8) The Operator must give the nominee and the applicant a copy of:
- (a) a suspension of the nominee's appointment; or
 - (b) a revocation of the nominee's appointment; or
 - (c) a revocation of a suspension of the nominee's appointment.

Division 3—Duties, functions and responsibilities of nominees

83 Duty of nominee

- (1) It is the duty of an assistance nominee or a legal nominee of a person to act in the best interests of the person at all times.
- (2) A nominee does not commit a breach of the duty imposed by subsection (1) by doing an act if, when the act is done, the nominee reasonably believes that it is in the best interests of the person that the act be done.
- (3) A nominee does not commit a breach of the duty imposed by subsection (1) by refraining from doing an act if, at the relevant time, the nominee reasonably believes that it is in the best interests of the person that the act not be done.

84 Actions of assistance nominee

- (1) If a person has an assistance nominee, then any act that may be done by the person under, or for the purposes of, this Act may be done by that assistance nominee.
- (2) However, subsection (1) does not authorise a person's assistance nominee to do any of the following on behalf of the person:
 - (a) make an application for redress under section 19;
 - (b) accept an offer of redress under section 42;
 - (c) decline an offer of redress under section 45;
 - (d) do an act for the purposes of Division 2;
 - (e) do an act prescribed by the rules.
- (3) If under a provision of this Act the Operator gives a notice to a person who has an assistance nominee, subsection (1) does not extend to an act that is required by the notice to be done by the person.

Section 85

- (4) Any act done by a person's assistance nominee under this section has effect, for the purposes of this Act (other than this Part), as if it had been done by the person.

85 Actions of legal nominee

- (1) If a person has a legal nominee, then any act that may be done by the person under, or for the purposes of, this Act may be done by that legal nominee.
- (2) Without limiting subsection (1):
- (a) an application that may be made by the person under this Act may be made by that legal nominee on behalf of the person; and
 - (b) an application so made is taken to be made by the person; and
 - (c) an offer of redress that may be accepted under section 42 or declined under section 45 by the person may be accepted or declined in accordance with the relevant provision by that legal nominee on behalf of the person; and
 - (d) an offer so accepted or declined is taken to have been done so by the person.
- (3) Any act done by a person's legal nominee under this section has effect, for the purposes of this Act (other than this Part), as if it had been done by the person.

86 Giving notices to assistance nominee or legal nominee

- (1) If a person has an assistance nominee or a legal nominee, then any notice that the Operator is required or authorised by this Act to give to the person may be given by the Operator to that nominee.
- (2) A notice given under subsection (1) must, in every respect, be in the same form, and in the same terms, as if it were being given to the person.

87 Nominee to inform the Operator of matters affecting ability to act as nominee

- (1) The Operator may give a nominee of a person a notice that requires the nominee to inform the Operator if:
 - (a) either:
 - (i) an event or change of circumstances happens; or
 - (ii) the nominee becomes aware that an event or change of circumstances is likely to happen; and
 - (b) the event or change of circumstances is likely to affect:
 - (i) the ability of the nominee to act as the assistance nominee or legal nominee of the person; or
 - (ii) the ability of the Operator to give notices to the nominee under this Act; or
 - (iii) the ability of the nominee to comply with notices given to the nominee by the Operator under this Act.
- (2) A notice under subsection (1):
 - (a) must be in writing; and
 - (b) must specify how, and the period within which, the nominee is to inform the Operator.
- (3) A notice under subsection (1) is not ineffective just because it does not comply with paragraph (2)(b).
- (4) The period specified under paragraph (2)(b) must not end earlier than 14 days after:
 - (a) the day on which the event or change of circumstances happens; or
 - (b) the day on which the nominee becomes aware that the event or change of circumstances is likely to happen.
- (5) Subsection (4) does not apply to a requirement in a notice for a nominee to inform the Operator of any proposal by the nominee to leave Australia.

Division 4—Other matters relating to nominees

88 Protection of person against liability for actions of nominee

A person is not to be taken, because of the operation of this Part, to have committed an offence against this Act in relation to any act or omission of the person's nominee.

89 Protection of nominee against criminal liability

A nominee of a person is not subject to any criminal liability under this Act in relation to:

- (a) any act or omission of the person; or
- (b) anything done, in good faith, by the nominee in his or her capacity as nominee.

90 Informing nominee if notice given to person

If, under a provision of this Act (other than a provision of this Part), the Operator gives a notice to a person who has a nominee, the Operator may inform the nominee of the giving of the notice and of the terms of the notice.

Part 4-3—Protecting information under the scheme

Division 1—Simplified outline of this Part

91 Simplified outline of this Part

Broadly, protected information is information about a person or an institution that was obtained by an officer of the scheme for the purposes of the scheme and is held in the records of the Department or the Human Services Department. An example of protected information about a person is information that the person gives in his or her application for redress. An example of protected information about an institution is information that the institution provides in compliance with a request for information made by the Operator under section 25.

This Part sets out when a person is authorised to obtain, record, disclose or use protected information. It also has offences for when a person obtains, records, discloses or uses protected information without authorisation under this Act.

95 Additional authorisation—Operator disclosing in public interest or for another specified purpose

Chapter 5—Participating institutions, participating groups and participating jurisdictions

Part 5-1—Participating institutions

Division 1—Simplified outline of this Part

107 Simplified outline of this Part

For a person to be eligible for redress, at least one participating institution must be responsible for the abuse of the person.

There are 4 types of institutions that are participating institutions. These are:

- (a) Commonwealth institutions (such as Commonwealth Departments and bodies established under Commonwealth law); and
- (b) State institutions (such as State Departments and certain bodies established under State law); and
- (c) Territory institutions (such as Territory Departments and certain bodies established under Territory law); and
- (d) non-government institutions (such as churches or sporting clubs).

While all Commonwealth institutions are participating institutions, State institutions, Territory institutions and non-government institutions are only participating institutions if they agree to participate in the scheme and the Minister makes a declaration under section 115 that they are participating institutions.

A defunct institution (which is a government or non-government institution that no longer exists) can become a participating institution. However, it must have a representative in order to do so. The representative acts on the institution's behalf and assumes its obligations and liabilities under the scheme (such as the

obligation to provide a direct personal response to a person and the liability to pay funding contribution).

A lone institution (which is a non-government institution that is not defunct and is not a member of a participating group) can also become a participating institution.

A lone institution that is not a legal person (called an unincorporated lone institution) must also have a representative to become a participating institution. Its representative may act on its behalf and will assume its liability to pay funding contribution, but will not assume any of its obligations under the scheme.

A lone institution that is a legal person (called an incorporated lone institution) may have a representative, but is not required to have one to become a participating institution. Its representative may act on its behalf, but will not assume any of its obligations or liabilities under the scheme.

Division 2—Institutions participating in the scheme

Subdivision A—Participating institutions

108 What is a participating institution?

- (1) For a person to be eligible for redress for sexual abuse, or non-sexual abuse, of the person, a participating institution must be responsible for the abuse (see paragraph 13(1)(d)).
- (2) An institution is a *participating institution* under the scheme if it is:
 - (a) a Commonwealth institution; or
 - (b) a participating State institution; or

 - (b) it is or was a body corporate (other than a wholly-owned Commonwealth company) that is or was registered under the *Corporations Act 2001* (including a body corporate taken to

- be registered under that Act because of the operation of Chapter 10 of that Act (which is about transitional provisions)); or
- (c) the rules prescribe that it is not a Commonwealth institution.
- (3) Rules made for the purposes of paragraph (1)(e) or (2)(c) may prescribe that an institution is, or is not, a Commonwealth institution in relation to a period specified by the rules.

Subdivision C—Participating State institutions

110 What is a participating State institution?

An institution is a *participating State institution* if:

- (a) it is a State institution; and

111 What is a State institution?

- (1) An institution is a *State institution* if:
- (a) it is or was part of a State; or
- (b) it is or was a body (whether or not incorporated) established for a public purpose by or under a law of a State; or
- (c) the rules prescribe that it is a State institution.
- (2) However, an institution is not a *State institution* if the rules prescribe that it is not a State institution.
- (3) Rules made for the purposes of paragraph (1)(c) or subsection (2) may prescribe that an institution is, or is not, a State institution in relation to a period specified by the rules.

Subdivision D—Participating Territory institutions

112 What is a participating Territory institution?

An institution is a *participating Territory institution* if:

- (a) the institution is a Territory institution; and

Section 113

- (b) a declaration is in force under subsection 115(2) that the institution is a participating institution.

113 What is a Territory institution?

- (1) An institution is a *Territory institution* if:
- (a) it is or was part of a participating Territory; or
 - (b) it is or was a body (whether or not incorporated) established for a public purpose by or under a law of a participating Territory; or
 - (c) the rules prescribe that it is a Territory institution.
- (2) However, an institution is not a *Territory institution* if the rules prescribe that it is not a Territory institution.
- (3) Rules made for the purposes of paragraph (1)(c) or subsection (2) may prescribe that an institution is, or is not, a Territory institution in relation to a period specified by the rules.

Subdivision E—Participating non-government institutions

114 What is a participating non-government institution?

- (1) An institution is a *participating non-government institution* if:
- (a) the institution is or was a non-government institution; and
 - (b) a declaration is in force under subsection 115(2) that the institution is a participating institution.
- (2) An institution is a *non-government institution* if it is not a Commonwealth institution, a State institution or a Territory institution.
- (3) However, an institution is not a *non-government institution* if the rules prescribe that the institution is not a non-government institution.
- (4) Rules made for the purposes of subsection (3) may prescribe that an institution is not a non-government institution in relation to a period specified by the rules.

Division 3—Ministerial declarations about participating institutions

115 Institutions becoming participating institutions

- (1) An institution becomes a participating institution if the Minister makes a declaration under subsection (2) in relation to the institution.
- (2) The Minister may, by notifiable instrument, declare that an institution is a participating institution.
 - Note 1: An institution may be identified by name, by inclusion in a particular class, or in any other way.
 - Note 2: The Minister need not make a declaration under this subsection for a Commonwealth institution because all Commonwealth institutions are participating institutions automatically (see section 108).
- (3) The Minister must not make a declaration under subsection (2) unless the Minister is satisfied that:
 - (a) for a State institution—the participating State has agreed, in a way provided for in the State’s referral Act or adoption Act, to the institution participating in the scheme; and
 - (b) for a Territory institution—the participating Territory has agreed to the institution participating in the scheme; and
 - (c) for a non-government institution (other than a defunct institution or an unincorporated lone institution)—the institution has agreed to participate in the scheme; and
 - (d) for a non-government institution that is a defunct institution—a person has agreed:
 - (i) to the defunct institution participating in the scheme; and
 - (ii) to be the representative for the defunct institution; and
 - (e) for a non-government institution that is an unincorporated lone institution:
 - (i) the institution has agreed to participate in the scheme; and

Section 116

- (ii) the institution has agreed to a person being the representative for the institution; and
- (iii) the person has agreed to being the representative for the institution; and
- (f) in all cases—any requirements prescribed by the rules are satisfied.

Note 1: For how the agreement of a participating Territory, an institution or a person is given, see section 186.

Note 2: For representatives for defunct institutions and lone institutions, see Divisions 4 and 5.

- (4) The Minister must not make a declaration under subsection (2) in relation to an institution after:
 - (a) the second anniversary of the scheme start day; or
 - (b) a later day prescribed by the rules;unless the institution is a defunct institution.
- (5) If:
 - (a) a State or Territory has agreed to a State institution or Territory institution participating in the scheme; and
 - (b) the institution is a body corporate;then the institution is taken to have also agreed to participate in the scheme.

116 Institutions ceasing to be participating institutions

Revoking the declaration

- (1) An institution ceases to be a participating institution if the declaration made under subsection 115(2) in relation to the institution is revoked under subsection (2), (3), (4) or (5) of this section.
- (2) The Minister may, by notifiable instrument, revoke a declaration made under subsection 115(2) in relation to an institution.

Note: If the declaration is revoked, the institution will cease to be a participating institution. However, it will still be a participating institution in relation to a person who made an application for redress before the declaration is revoked (see subsection (7)).

Minister must revoke on request

- (3) If:
- (a) a participating State requests the Minister in writing to revoke a declaration made under subsection 115(2) in relation to a State institution; or
 - (b) a participating Territory requests the Minister in writing to revoke a declaration made under subsection 115(2) in relation to a Territory institution; or
 - (c) a participating non-government institution (other than a defunct institution) requests the Minister in writing to revoke a declaration made under subsection 115(2) in relation to the institution;
- then the Minister must, by notifiable instrument, revoke the declaration as soon as practicable.

Minister must revoke if no representative

- (4) If a defunct participating non-government institution ceases to have a representative, then the Minister must revoke the declaration made under subsection 115(2) in relation to the institution as soon as practicable.
- (5) If a participating unincorporated lone institution ceases to have a representative, then the Minister must revoke the declaration made under subsection 115(2) in relation to the institution as soon as practicable.

No revocation unless requirements in rules satisfied

- (6) Despite subsections (2), (3), (4) and (5), the Minister must not revoke a declaration made under subsection 115(2) in relation to an institution unless any requirements prescribed by the rules in relation to the revocation are satisfied.

Institution continues to be participating institution for limited time

- (7) If the Minister revokes a declaration made under subsection 115(2) in relation to an institution, then, despite the revocation, the institution continues to be a **participating institution** in relation to

Section 116

a person who made an application for redress before the revocation, as if the declaration were still in force.

Example: If the Operator determines that the institution is responsible for the abuse of the person, the institution will still be required to provide a direct personal response to the person (if the person chooses that component of redress) and pay funding contribution in relation to the person.

Division 4—Participating defunct institutions

Subdivision A—Participating defunct institutions

117 What is a participating defunct institution?

A *participating defunct institution* is a participating institution that is defunct.

Note: The institution may be a government institution or a non-government institution.

Subdivision B—Representatives for participating defunct institutions

118 Representatives for participating defunct institutions

- (1) A participating defunct institution must have a representative for the institution.
Note: This Act applies to the representative for a participating defunct institution as if it were the defunct institution (see sections 121, 122 and 123).
- (2) The *representative* for a defunct Commonwealth institution is the Commonwealth.
- (3) The *representative* for a defunct participating State institution is the participating State.
- (4) The *representative* for a defunct participating Territory institution is the participating Territory.
- (5) The *representative* for a defunct participating non-government institution is the person in relation to whom a declaration is force under section 119.
- (6) A participating defunct institution may have only one representative for the institution.
- (7) However, a person may be the representative for more than one participating defunct institution.

Section 119

119 Becoming the representative for a defunct non-government institution

If a defunct non-government institution is declared to be a participating institution under subsection 115(2), then the Minister must, by notifiable instrument, make a declaration that the person who agreed to be the representative for the institution (as referred to in paragraph 115(3)(d)) is the representative for the institution.

120 Ceasing to be the representative for a defunct non-government institution

(1) The Minister may, by notifiable instrument, vary or revoke a declaration made under section 119 in relation to a representative for a defunct non-government institution.

(2) If:

(a) the representative for a defunct institution requests the Minister in writing to revoke the declaration made under section 119 in relation to the representative; and

(b) any requirements prescribed by the rules in relation to the person ceasing to be the representative are satisfied;

then the Minister must, by notifiable instrument, revoke the declaration made under section 119 as soon as practicable.

Note: If a participating defunct non-government institution does not have a representative, then the Minister must revoke the declaration made under subsection 115(2) that the defunct institution is a participating institution (see subsection 116(4)).

(3) Despite subsections (1) and (2), the Minister must not vary or revoke a declaration made under section 119 in relation to an institution unless any requirements prescribed by the rules in relation to the variation or revocation are satisfied.

(4) If:

(a) the Minister revokes a declaration made under subsection 115(2) in relation to a defunct institution; but

(b) because of subsection 116(7), the institution continues to be a participating institution in relation to a person who made an application for redress before the revocation;

then the representative for the institution continues to be the **representative** for the institution in relation to the person (even if the declaration made under section 119 for the representative has been revoked under this section).

121 Actions of the representative for a defunct institution

- (1) Any act that may be done by a participating defunct institution under, or for the purposes of, this Act must be done by the representative for the institution on behalf of the institution.
- (2) Any act that is done by the representative for a participating defunct institution on behalf of the institution has effect, for the purposes of this Act, as if it had been done by the institution.

122 Giving notices to the representative for a defunct institution

Any notice that the Operator is required or authorised by this Act to give to a participating defunct institution must be given by the Operator to the representative for the institution.

123 Obligations and liabilities of the representative for a defunct institution

Any obligation or liability imposed by this Act on a participating defunct institution is taken to be imposed instead on the representative for the institution.

Note 1: An example of an obligation that may be imposed on the defunct institution is the obligation under section 54 to provide a direct personal response to a person. That obligation will be imposed instead on the representative.

Note 2: An example of a liability that may be imposed on the defunct institution is the liability under section 149 to pay funding contribution. That liability will be imposed instead on the representative.

Division 5—Participating lone institutions

Subdivision A—Participating lone institutions

124 What is a participating lone institution?

- (1) A *participating lone institution* is a participating institution that is a lone institution.
- (2) An institution is a *lone institution* if it:
 - (a) is a non-government institution; and
 - (b) is not a member of a participating group; and
 - (c) is not defunct.
- (3) There are 2 types of lone institutions:
 - (a) a lone institution that is not a legal person (which is an *unincorporated lone institution*); and
 - (b) a lone institution that is a legal person (which is an *incorporated lone institution*).
- (4) A *participating unincorporated lone institution* is a participating institution that is an unincorporated lone institution.
- (5) A *participating incorporated lone institution* is a participating institution that is an incorporated lone institution.

Subdivision B—Representatives for participating lone institutions

125 Representatives for participating lone institutions

- (1) A participating incorporated lone institution may have a representative for the institution. However, a participating unincorporated lone institution must have a representative for the institution.
- (2) The *representative* for a participating unincorporated lone institution is the person in relation to whom a declaration is in force under section 126.

- (3) The **representative** for a participating incorporated lone institution is the person in relation to whom a declaration is in force under subsection 127(1).
- (4) A participating lone institution may have only one representative for the institution.
- (5) However, a person may be the representative for more than one participating lone institution.

126 Becoming the representative for an unincorporated lone institution

If an unincorporated lone institution is declared to be a participating institution under subsection 115(2), then the Minister must, by notifiable instrument, make a declaration that the person who agreed to be the representative for the institution (as referred to in paragraph 115(3)(e)) is the representative for the institution.

127 Becoming the representative for an incorporated lone institution

- (1) The Minister may, by notifiable instrument, make a declaration that a person is the representative for a participating incorporated lone institution.
- (2) The Minister must not make a declaration under subsection (1) unless the Minister is satisfied that:
 - (a) the institution has agreed to the person being the representative for the institution; and
 - (b) the person has agreed to being the representative for the institution.

Note: For how the agreement of the institution or person is given, see section 186.

128 Ceasing to be the representative for a lone institution

- (1) The Minister may, by notifiable instrument, vary or revoke a declaration made under section 126 or 127 in relation to a representative for a lone institution.

Section 129

- (2) If:
- (a) the institution or the representative requests the Minister in writing to revoke a declaration made under section 126 or 127; and
 - (b) any requirements prescribed by the rules in relation to the person ceasing to be the representative are satisfied;
- then the Minister must, by notifiable instrument, revoke the declaration made under section 126 or 127 as soon as practicable.

Note: If a participating unincorporated lone institution does not have a representative, then the Minister must revoke the declaration made under subsection 115(2) that the lone institution is a participating institution (see subsection 116(5)).

- (3) Despite subsections (1) and (2), the Minister must not revoke a declaration made under section 126 or 127 in relation to an institution unless any requirements prescribed by the rules in relation to the variation or revocation are satisfied.

- (4) If:
- (a) the Minister revokes a declaration made under subsection 115(2) in relation to an unincorporated lone institution; but
 - (b) because of subsection 116(7), the institution continues to be a participating institution in relation to a person who made an application for redress before the revocation;
- then the representative for the institution continues to be the **representative** for the institution in relation to the person (even if the declaration made under section 126 for the representative has been revoked under this section).

129 Actions of the representative for a lone institution

- (1) Any act that may be done by a participating lone institution under, or for the purposes of, this Act may be done by the representative for the institution on behalf of the institution.
- (2) Any act that is done by the representative for a participating lone institution on behalf of the institution has effect, for the purposes of this Act, as if it had been done by the institution.

130 Giving notices to the representative for a lone institution

- (1) Any notice that the Operator is required or authorised by this Act to give to a participating lone institution must be given by the Operator to the representative for the institution.
- (2) A notice given under subsection (1) must, in every respect, be in the same form, and in the same terms, as if it were being given to the institution.

131 Joint and several liability of the representative for an unincorporated lone institution for funding contribution

If a participating unincorporated lone institution is liable to pay funding contribution for a quarter, then the institution and the representative for the institution are jointly and severally liable to pay the funding contribution for the quarter.

Part 5-2—Groups of institutions participating in the scheme

Division 1—Simplified outline of this Part

132 Simplified outline of this Part

Two or more participating institutions may form a participating group for the purposes of the scheme. There are 2 main features of an institution being a member of a participating group.

The first is that the members of the group will be associates of each other. Some provisions of this Act apply in a special way for associates. For example, if a person accepts an offer of redress, then the person releases the participating institutions determined by the Operator to be responsible for the abuse (and their officials), as well as all of the associates of that institution (and their officials).

The second is that all participating groups must have a representative for the group. The representative may act on behalf of each member of the group (for example, communicate with the Operator). However, the representative will not assume any obligations or liabilities of the members, except for the liability of a member to pay funding contribution.

Division 2—Participating groups

133 Participating groups

- (1) Two or more participating institutions may form a participating group for the purposes of the scheme.
- (2) A *participating group* is a group of participating institutions for which a declaration is force under subsection 134(1).
- (3) A participating institution that is a member of a participating group is an *associate* of each other participating institution in the group.

Note: Particular provisions of this Act apply in a special way for associates (see sections 42 and 43, which are about releasing institutions and officials from civil liability for abuse).

134 Institutions becoming members of a participating group

- (1) The Minister may, by notifiable instrument, declare that 2 or more participating institutions form a participating group.
- (2) The Minister must not make a declaration under subsection (1) unless the Minister is satisfied that:
 - (a) for a group of Commonwealth institutions—the Commonwealth has agreed to each Commonwealth institution being a member of the group; and
 - (b) for a group of State institutions—the participating State has agreed, in a way provided for in the State’s referral Act or adoption Act, to each State institution being a member of the group; and
 - (c) for a group of Territory institutions—the participating Territory has agreed to each Territory institution being a member of the group; and
 - (d) for a group of non-government institutions:
 - (i) each institution has agreed to be a member of the group and to each other institution being a member of the group; and

Section 135

- (ii) there is a sufficient connection between each institution in the group; and
- (e) in all cases:
 - (i) each institution is not a member of another participating group; and
 - (ii) there is a representative for the group (see subsection 136(1)); and
 - (iii) any other requirements prescribed by the rules are satisfied.

Note: For how the agreement of the Commonwealth, a participating Territory, an institution or a person is given, see section 186.

- (3) If:
 - (a) a State or Territory has agreed to a State institution or Territory institution being a member of a participating group; and
 - (b) the institution is a body corporate;then the institution is taken to have also agreed to be a member of the participating group.

135 Institutions ceasing to be members of a participating group

- (1) The Minister may, by notifiable instrument, vary or revoke a declaration made under subsection 134(1).
- (2) If:
 - (a) a State requests the Minister in writing to vary or revoke a declaration made under subsection 134(1) in relation to a group of State institutions so that:
 - (i) the group ceases to be a participating group; or
 - (ii) a State institution ceases to be a member of the group;or
 - (b) a participating Territory requests the Minister in writing to vary or revoke a declaration made under subsection 134(1) in relation to a group of Territory institutions so that:
 - (i) the group ceases to be a participating group; or
 - (ii) a Territory institution ceases to be a member of the group; or

- (c) all of the non-government institutions that are members of a participating group request the Minister in writing to revoke a declaration made under subsection 134(1) in relation to the group so that it ceases to be a participating group; or
 - (d) a participating non-government institution that is a member of a participating group requests the Minister in writing to vary a declaration made under subsection 134(1) in relation to the institution so that it ceases to be a member of the group;
- then the Minister must, by notifiable instrument, vary or revoke the declaration as requested as soon as practicable.
- (3) If a participating group of non-government institutions ceases to have a representative for the group, then the Minister must revoke the declaration made under subsection 134(1) as soon as practicable.
 - (4) Despite subsections (1), (2) and (3), the Minister must not vary or revoke a declaration made under subsection 134(1) in relation to a participating group unless any requirements prescribed by the rules relating to the variation or revocation are satisfied.
 - (5) If:
 - (a) the Minister revokes a declaration made under subsection 115(2) in relation to a participating institution that is a member of a participating group immediately before the revocation; but
 - (b) because of subsection 116(7), the institution continues to be a participating institution in relation to a person who made an application for redress before the revocation;then each of the associates of the institution continues to be an **associate** of the institution in relation to the person, as if the institution were still a member of the group.

Division 3—Representatives for participating groups

136 Representatives for participating groups

- (1) A participating group must have a representative for the group.
- (2) The *representative* for a participating group of Commonwealth institutions is the Commonwealth.
- (3) The *representative* for a participating group of State institutions is the participating State.
- (4) The *representative* for a participating group of Territory institutions is the participating Territory.
- (5) The *representative* for a participating group of non-government institutions is the person in relation to whom a declaration is force under subsection 137(1).
- (6) A participating group may have only one representative for the group.
- (7) However, a person may be the representative for more than one participating group.

137 Becoming the representative for a participating group of non-government institutions

- (1) The Minister may, by notifiable instrument, declare that a person is the representative for a participating group of non-government institutions.
- (2) The Minister must not make a declaration under subsection (1) unless the Minister is satisfied that:
 - (a) the person has agreed to be the representative for the group; and
 - (b) each participating institution that is a member of the group has agreed to the person being the representative for the group; and

- (c) there is not a declaration in force under subsection (1) declaring another person to be the representative for the group; and
- (d) any other requirements prescribed by the rules are satisfied.

Note: For how the agreement of an institution or a person is given, see section 186.

138 Ceasing to be the representative for a participating group of non-government institutions

- (1) The Minister may, by notifiable instrument, revoke a declaration made under subsection 137(1) in relation to a representative for a participating group.
- (2) The Minister must, by notifiable instrument, revoke a declaration made under subsection 137(1) if:
 - (a) the representative; or
 - (b) each of the members of the group (other than the representative, if the representative is a member);requests the Minister in writing to revoke the declaration.

Note: If a participating group of non-government institutions does not have a representative, then the Minister must revoke the declaration made under subsection 134(1) that the group is a participating group (see subsection 135(3)).

- (3) Despite subsections (1) and (2), the Minister must not revoke a declaration made under subsection 137(1) unless any requirements prescribed by the rules in relation to the revocation are satisfied.
- (4) If:
 - (a) the Minister revokes a declaration made under subsection 115(2) in relation to a participating institution that is a member of a participating group immediately before the revocation; but
 - (b) because of subsection 116(7), the institution continues to be a participating institution in relation to a person who made an application for redress before the revocation;

Section 139

then the representative for the participating group continues to be the *representative* for the group in relation to the person, as if the institution were still a member of the group.

139 Actions of the representative for a participating group

- (1) Any act that a participating institution that is a member of a participating group may do under, or for the purposes of, this Act (other than this Division) may be done by the representative for the group on behalf of that institution.
- (2) Any act that is done by the representative for a participating group on behalf of a participating institution that is a member of the group has effect, for the purposes of this Act (other than this Division) as if it had been done by that institution.

140 Giving notices to the representative for a participating group

- (1) Any notice that the Operator is required or authorised by this Act to give to a participating institution that is a member of a participating group must be given by the Operator to the representative for the group.
- (2) A notice given under subsection (1) must, in every respect, be in the same form, and in the same terms, as if it were being given to the participating institution concerned.

141 Joint and several liability of the representative for funding contribution

If:

- (a) a participating institution is liable to pay funding contribution for a quarter; and
 - (b) that institution is a member of a participating group;
- then that institution and the representative for the group are jointly and severally liable to pay the funding contribution for the quarter.

Part 5-3—Jurisdictions participating in the scheme

Division 1—Simplified outline of this Part

142 Simplified outline of this Part

Only participating jurisdictions are part of the scheme. While the Commonwealth and participating Territories are automatically participating jurisdictions, a State is only a participating jurisdiction (and therefore part of the scheme) if it makes a law that gives certain legislative powers to the Commonwealth Parliament for the purposes of paragraph 51(xxxvii) of the Constitution. This is known as a State reference. Section 144 deals with this.

Broadly, if a State is not a participating State, then abuse of a person that occurred inside that State will not be within the scope of the scheme. This means that the person will not be eligible for redress for that abuse.

The Minister may declare that a participating jurisdiction is a declared provider of counselling and psychological services under the scheme if the jurisdiction requests the Minister to do so. If that happens, then that jurisdiction will provide for the delivery of those services to those who are entitled to redress and live in that jurisdiction.

Division 2—Participating jurisdictions

143 What is a participating jurisdiction?

Each of the following jurisdictions is a *participating jurisdiction*:

- (a) the Commonwealth;
- (b) a participating State;
- (c) a participating Territory.

144 What is a participating State?

Participating State

- (1) A State is a *participating State* if, for the purposes of paragraph 51(xxxvii) of the Constitution, the Parliament of the State:
- (a) has, by its referral Act, referred to the Commonwealth Parliament:
 - (i) the text reference (see subsection (2)); and
 - (ii) the amendment reference (see subsection (3));before the enactment of this Act; or
 - (b) has, by its adoption Act:
 - (i) adopted the relevant version of this Act; and
 - (ii) referred to the Commonwealth Parliament the amendment reference;after the enactment of this Act.

Text reference

- (2) *Text reference* means the matters to which the initial referred provisions relate, to the extent of making laws with respect to those matters by including the initial referred provisions in the original version of this Act.

Amendment reference

- (3) **Amendment reference** means the referred national redress scheme matters (as defined in section 145), to the extent of making laws with respect to those matters by making express amendments of this Act.

Certain things do not affect participating State's status

- (4) A State is a **participating State** even if the State's referral Act or adoption Act provides that:
- (a) the reference to the Commonwealth Parliament of the text reference or the amendment reference is to terminate in particular circumstances; or
 - (b) the adoption of the relevant version of this Act is to terminate in particular circumstances; or
 - (c) the reference to the Commonwealth Parliament of the text reference or the amendment reference has effect only:
 - (i) if and to the extent that the matter is not included in the legislative powers of the Commonwealth Parliament (otherwise than by a reference for the purposes of paragraph 51(xxxvii) of the Constitution); or
 - (ii) if and to the extent that the matter is included in the legislative powers of the Parliament of the State.

Timeframe for becoming a participating State

- (5) A State is not a **participating State** if it has not become a participating State before the second anniversary of the scheme start day or a later day prescribed by the rules.

When a State ceases to be a participating State

- (6) A State ceases to be a **participating State** if:
- (a) in the case where the Parliament of the State has referred to the Commonwealth Parliament the text reference—that reference terminates; or
 - (b) in the case where the Parliament of the State has adopted the relevant version of this Act—that adoption terminates.

Section 144

- (7) A State ceases to be a *participating State* if:
- (a) the State's amendment reference terminates; and
 - (b) subsection (8) does not apply to the termination.
- (8) A State does not cease to be a *participating State* because of the termination of its amendment reference if:
- (a) the termination is effected by the Governor of that State fixing a day by Proclamation as the day on which the reference terminates; and
 - (b) the day fixed is no earlier than the first day after the end of the period of 6 months beginning on the day on which the Proclamation is published; and
 - (c) that State's amendment reference, and the amendment reference of every other participating State, terminates on the same day.

Definitions

- (9) In this Act:

adoption Act, of a State, means the Act of the State that adopts the relevant version of this Act and refers the amendment reference to the Commonwealth Parliament.

express amendment of this Act means the direct amendment of the text of this Act (whether by the insertion, omission, repeal, substitution or relocation of words or matter) by another Commonwealth Act or by an instrument under a Commonwealth Act, but does not include the enactment by a Commonwealth Act of a provision that has, or will have, substantive effect otherwise than as part of the text of this Act.

initial referred provisions means the original version of this Act, to the extent to which it deals with matters that are included in the legislative powers of the Parliament of the State.

original version of this Act means this Act as originally enacted.

referral Act, of a State, means the Act of the State that refers the text reference and the amendment reference to the Commonwealth Parliament.

relevant version of this Act, in relation to a State's adoption Act, means the original version of this Act and as subsequently amended by amendments enacted at any time before the enactment of the State's adoption Act.

145 The referred national redress scheme matters

- (1) The *referred national redress scheme matters* are the matters relating to a redress scheme for institutional child sexual abuse.
- (2) However, the following matters are not *referred national redress scheme matters*:
 - (a) the matter of making a law to the extent that that law would operate to prevent or limit the power to establish, or to prevent or limit the operation of, any State redress mechanism, whether or not the mechanism deals with the same or similar subject matters as those dealt with in any aspect of the scheme;
 - (b) the matter of making a law to the extent that that law would substantively remove or override a provision of this Act that requires the agreement of the State.
- (3) Paragraph (2)(a) does not cover any of the following matters (if they would otherwise be covered by subsection (1)):
 - (a) any matter to which the initial referred provisions relate;
 - (b) the matter of the release or discharge, in connection with the operation of the scheme, of relevant civil liability of institutions or officials;
 - (c) the matter of the disclosure or use of evidence or other information provided or obtained in connection with the operation of the scheme;
 - (d) the matter of the making, enforcement or protection (for example, protection against the operation of orders in the nature of garnishee orders) of payments in connection with the operation of the scheme.
- (4) A *State redress mechanism* is:

Section 145

- (a) a scheme, program or arrangement (temporary or otherwise) established (before or after the commencement of the State's referral Act or adoption Act) by:
 - (i) the Parliament or government of the State; or
 - (ii) an institution (whether governmental or non-governmental) or other entity;for or in respect of persons who have suffered institutional child sexual abuse in the State (whether applying only to any such persons or applying to any class of victims of crime) and any associated matters; or
- (b) the jurisdiction of a court or tribunal to grant compensation or support for or in respect of victims of crime (including crime relating to institutional child sexual abuse) and any associated matters.

Division 3—Participating jurisdictions providing counselling and psychological services under the scheme

146 Participating jurisdictions that are declared providers

- (1) A participating jurisdiction may notify the Minister, in writing, that:
 - (a) arrangements are in place in the jurisdiction for the delivery of counselling and psychological services in accordance with the National Service Standards; and
 - (b) the jurisdiction requests to become a declared provider of counselling and psychological services under the scheme.
- (2) A participating jurisdiction is a ***declared provider*** of counselling and psychological services under the scheme if a declaration to that effect is in force under subsection 147(1).

147 Ministerial declarations about declared providers

- (1) If the Minister receives a notice under subsection 146(1) from a participating jurisdiction, then the Minister must, by notifiable instrument, declare that the jurisdiction is a declared provider of counselling and psychological services under the scheme.
- (2) If the participating jurisdiction requests the Minister, in writing, to revoke a declaration made under subsection (1), then the Minister must, by notifiable instrument, revoke the declaration as soon as practicable.

Chapter 6—Financial matters

Part 6-1—Liability for funding

Division 1—Simplified outline of this Part

148 Simplified outline of this Part

The Commonwealth is liable to bear the initial costs of paying redress payments and the counselling and psychological component of redress under the scheme, as well as the administration of the scheme. However, participating institutions are liable to pay funding contribution to reimburse the Commonwealth for their share of those costs.

Funding contribution is worked out on a quarterly basis and consists of 2 elements:

- (a) the redress element (which covers the total amount of the institution's share of the costs of redress payments and the counselling and psychological component of redress in the quarter); and
- (b) the scheme administration element (which covers the total amount of the institution's contribution to the costs of the administration of the scheme in the quarter).

The Operator determines the amount of funding contribution that a participating institution is required to pay for the quarter, and notifies the institution of the amount and the due date for payment.

The Commonwealth is liable to pay counselling and psychological services contribution to a participating jurisdiction that is a declared provider of counselling and psychological services under the scheme. The Commonwealth must pay the contribution to the jurisdiction for a quarter if the jurisdiction became liable in that quarter to provide for the delivery of counselling and psychological services to a person.

A participating government institution may be the funder of last resort for a defunct institution. In that case, the government institution will be liable to pay the defunct institution's (hypothetical) share of the costs of providing redress to the person, which will increase the amount of funding contribution the government institution will be liable to pay. (For funders of last resort, see Part 6-2.)

Division 2—Liability of participating institutions for funding contribution

149 Liability for funding contribution

- (1) If, in a quarter, a person becomes entitled to redress for abuse of the person, then each participating institution that is determined by the Operator under paragraph 29(2)(b) to be responsible for the abuse is liable to pay funding contribution for that quarter.

Note 1: If the responsible institution is a defunct institution, its representative will be liable to pay the funding contribution (see section 123).

Note 2: If the responsible institution is an unincorporated lone institution, its representative will be jointly and severally liable with the institution to pay the funding contribution (see section 131).

Note 3: If the responsible institution is a member of a participating group, the representative for the group will be jointly and severally liable with the institution to pay the funding contribution (see section 141).

- (2) A *quarter* is a period of 3 months beginning on 1 July, 1 October, 1 January or 1 April.
- (3) Subsection (1) does not apply to a Commonwealth institution.
- (4) The rules may provide for the application of this Part to a Commonwealth institution.

150 Funding contribution

Funding contribution for a participating institution for a quarter consists of:

- (a) the redress element for the institution for the quarter; and
(b) the scheme administration element for the institution for the quarter.

Note: If the Operator determines under paragraph 29(2)(i) that a participating government institution is the funder of last resort for a defunct institution in relation to abuse of a person, the government institution will be liable for the defunct institution's (hypothetical) share of the costs of providing redress to the person (see section 165).

151 Redress element

The *redress element* of funding contribution for a participating institution for a quarter is the amount equal to the sum of the following amounts for each person who is entitled to redress:

- (a) the amount of the institution's share of the costs of the redress payment to the person in the quarter;
- (b) the amount of the institution's share of the costs of the counselling and psychological component of redress for the person in the quarter.

Note: The Operator determines the amount of an institution's share of the costs of the redress payment under paragraph 29(2)(c) and the amount of an institution's share of the costs of the counselling and psychological component of redress for the person under paragraph 29(2)(d).

152 Scheme administration element

- (1) The *scheme administration element* of funding contribution for a participating institution for a quarter is the amount equal to the institution's contribution to the costs of the administration of the scheme for the quarter.
- (2) For the purposes of subsection (1), the Operator must, in accordance with any requirements prescribed by the rules, determine the institution's contribution to the costs of the administration of the scheme for the quarter.

153 When funding contribution is due for payment

Funding contribution that is payable by a participating institution is due and payable on a business day that is:

- (a) specified in a notice that the Operator gives to the participating institution; and
- (b) not earlier than 30 days after the date of the notice.

154 Late payment penalty

- (1) If any funding contribution payable by a participating institution remains unpaid at the start of a calendar month after the funding

Section 155

contribution became due for payment, the institution is liable to pay, for that calendar month, a penalty worked out using the following formula:

$$\text{Amount of funding contribution unpaid at the start of the calendar month} \times \frac{0.1}{12}$$

- (2) Late payment penalty for a calendar month is due and payable at the end of the calendar month.
- (3) However, the Operator may, by written notice given to the participating institution before, on or after the day on which late payment penalty would be due and payable apart from this subsection, specify a later day as the day on which the late payment penalty is due and payable. The notice has effect, and is taken always to have had effect, according to its terms.

155 Payment of funding contribution and late payment penalty

Each of the following are payable to the Operator on behalf of the Commonwealth:

- (a) funding contribution;
- (b) late payment penalty.

156 Waiver of funding contribution and late payment penalty

- (1) The Operator may, on behalf of the Commonwealth, waive the payment of all or part of funding contribution or late payment penalty payable by a participating institution, if the Operator is satisfied that there are exceptional circumstances justifying the waiver.
- (2) The Operator may do so on the Operator's own initiative or on written application by a person in the approved form.

157 Review of decision about waiving funding contribution or penalty

- (1) A participating institution that is affected by a decision of the Operator under section 156 about waiving the payment of all or

part of funding contribution or late payment penalty may, if dissatisfied with the decision, request the Operator to reconsider the decision.

- (2) The request must:
 - (a) be made by notice given to the Operator in the approved form within:
 - (i) the period of 21 days after the day of the notice of the decision; or
 - (ii) any further period that the Operator allows; and
 - (b) set out the reasons for making the request.
- (3) After receiving the request, the Operator must review the decision or cause the decision to be reviewed by a person:
 - (a) to whom the Operator's power under this section is delegated; and
 - (b) who was not involved in the making of the decision.
- (4) Within 30 business days after receiving the request or such longer period as the Operator determines in writing (the *review period*), the person reviewing the decision must:
 - (a) reconsider the decision; and
 - (b) confirm, revoke or vary the decision, as the person thinks fit.
- (5) If the person reviewing the decision does not confirm, revoke or vary the decision within the review period, he or she is taken to have confirmed the decision under subsection (4) immediately after the end of that period.
- (6) The person reviewing the decision must give a notice in writing to the participating institution that made the request that sets out the result of the reconsideration of the decision and gives the reasons for that result.

158 Liability of corporate State or Territory institutions for funding contribution

If:

- (a) a State institution or a Territory institution is a body corporate; and
-

Chapter 6 Financial matters

Part 6-1 Liability for funding

Division 2 Liability of participating institutions for funding contribution

Section 158

- (b) the institution is taken to have agreed to participate in the scheme (see subsection 115(5)); and
- (c) the imposition of a liability on the institution to pay funding contribution under section 149 would impermissibly:
 - (i) impose taxation on the institution; or
 - (ii) acquire property of the institution otherwise than on just terms;

then section 149 is taken to impose the liability on the relevant State or Territory instead.

Division 3—Liability of the Commonwealth for counselling and psychological services contribution

159 Liability for counselling and psychological services contribution

The Commonwealth is liable to pay counselling and psychological services contribution to a participating jurisdiction for a quarter if:

- (a) the jurisdiction is a declared provider of counselling and psychological services under the scheme; and
- (b) in that quarter the jurisdiction becomes required under paragraph 51(2)(b) to provide for the delivery of those services to a person.

160 Counselling and psychological services contribution

Counselling and psychological services contribution for a participating jurisdiction for a quarter is the amount equal to the sum of the amounts of the counselling and psychological component of redress for each person in relation to whom the jurisdiction becomes required under paragraph 51(2)(b) in the quarter to provide for the delivery of counselling and psychological services.

Division 4—Appropriation

161 Appropriation

The Consolidated Revenue Fund is appropriated to the extent necessary for the purposes of the payment or discharge of the costs incurred by the Commonwealth in making the following payments:

- (a) redress payments;
- (b) counselling and psychological services payments;
- (c) counselling and psychological services contribution.

Part 6-2—Funders of last resort

Division 1—Simplified outline of this Part

162 Simplified outline of this Part

In some cases, a participating government institution will be the funder of last resort for a defunct institution that is not participating in the scheme. In those cases, the government institution will be liable to pay the defunct institution's share of the costs of providing redress to a person, in addition to the government institution's liability to pay its own share of those costs.

Before a government institution can become the funder of last resort for a defunct institution in relation to abuse of a person, the Operator must first make a determination to that effect (see paragraph 29(2)(i)). The Operator can only make that determination if:

- (a) the Operator has determined that the government institution is equally responsible with the defunct institution for the abuse; and
- (b) the defunct institution is listed for the jurisdiction that the government institution belongs to.

Division 2—Funders of last resort

163 Funders of last resort

A participating government institution is the *funder of last resort* for a defunct institution in relation to abuse of a person if a determination of the Operator to that effect is in force under paragraph 29(2)(i).

Note: The Operator can only make that determination if the participating government institution and the defunct institution are equally responsible for the abuse and the defunct institution is listed for the jurisdiction that the government institution belongs to.

164 Listing defunct institutions

- (1) A defunct institution is *listed* for a participating jurisdiction if:
 - (a) the defunct institution:
 - (i) is a non-government institution; and
 - (ii) is not a participating institution; and
 - (b) a declaration that the defunct institution is listed for the jurisdiction is in force under subsection (2).

- (2) The Minister may, by notifiable instrument, declare that a defunct institution is listed for one or more participating jurisdictions.

Note: A defunct institution may be identified by name, by inclusion in a particular class, or in any other way.

- (3) The Minister must not make a declaration under subsection (2) listing a defunct institution for the Commonwealth or a participating Territory unless the Minister is satisfied that the relevant jurisdiction has agreed, in the way (if any) prescribed by the rules, to the institution being listed for the jurisdiction.
- (4) The Minister must not make a declaration under subsection (2) listing a defunct institution for a participating State unless the Minister is satisfied that the State has agreed, in a way provided for in the State's referral Act or adoption Act, to the institution being listed for the State.

- (5) The Minister may, by notifiable instrument, vary or revoke a declaration made under subsection (2).
- (6) If:
- (a) a declaration is made under subsection (2) that a defunct institution is listed for the Commonwealth or a participating Territory; and
 - (b) the jurisdiction withdraws its agreement, in the way (if any) prescribed by the rules, to the defunct institution being listed for the jurisdiction;
- then, as soon as is practicable, the Minister must, by notifiable instrument, vary or revoke the declaration so that the defunct institution is no longer listed for the jurisdiction.
- (7) If:
- (a) a declaration is made under subsection (2) that a defunct institution is listed for a participating State; and
 - (b) the State withdraws its agreement, in a way provided for in the State's referral Act or adoption Act, to the defunct institution being listed for the State;
- then, as soon as is practicable, the Minister must, by notifiable instrument, vary or revoke the declaration so that the defunct institution is no longer listed for the State.

Division 3—Special rules for funder of last resort cases

165 Special rules for funder of last resort cases

Effect of government institution being funder of last resort

- (1) If the Operator determines under paragraph 29(2)(i) that:
 - (a) a participating government institution is equally responsible with a defunct institution for abuse of a person; and
 - (b) the government institution is the funder of last resort for the defunct institution in relation to the abuse;

then the government institution is liable, in accordance with this section, for what the defunct institution would have been liable to pay in relation to providing redress to the person, had the defunct institution been a participating institution.

Redress payment

- (2) When determining under paragraph 29(2)(c) the amount of the redress payment for the person and the amount of the government institution's share of the costs of that payment, the Operator must:
 - (a) apply subsection 30(2) as if the defunct institution were also a responsible institution in relation to the abuse; and
 - (b) add the amount worked out under subsection 30(2) (as applying because of paragraph (a) of this subsection) as the amount of the defunct institution's share of the costs of the redress payment to what, apart from this section, would have been the government institution's share of the costs of the redress payment.

Counselling and psychological component

- (3) When determining under paragraph 29(2)(d) the amount of the government institution's share of the costs of the counselling and psychological component of redress for the person, the Operator must:

- (a) determine, in accordance with section 31, the amount of the defunct institution's share of those costs as if the defunct institution were also a responsible institution; and
- (b) add that amount to what, apart from this section, would have been the amount of the government institution's share of those costs.

Scheme administration costs

- (4) When determining under subsection 152(2) the government institution's contribution to the costs of the administration of the scheme for a quarter, the Operator must:
 - (a) determine the amount of the defunct institution's contribution to those costs as if the defunct institution were a participating institution; and
 - (b) add that amount to what, apart from this section, would have been the amount of the government institution's contribution to those costs.

Part 6-3—Debt recovery

Division 1—Simplified outline of this Part

166 Simplified outline of this Part

Certain amounts paid under the scheme may become a debt due to the Commonwealth. For example, if a redress payment is paid to the wrong person, that payment is a debt due to the Commonwealth and may be recovered under this Part.

This Part also allows for funding contribution or late payment penalty that is payable by an institution or a person to be recoverable as a debt due to the Commonwealth.

Division 2—Debt recovery**167 Recovery of amounts (other than funding contribution and late payment penalty)**

- (1) If an amount has been paid to a person or an institution (the *recipient*) under this Act, the amount is a debt due to the Commonwealth only to the extent expressly provided for by this section.
- (2) If the amount paid to the recipient was not payable because:
 - (a) the amount was paid to the wrong person or institution; or
 - (b) the amount exceeds the amount payable to the recipient;then the amount paid, or the excess, is a debt due to the Commonwealth by the recipient.
- (3) If the amount paid to the recipient was paid wholly or partly because of a false or misleading statement, or a misrepresentation, by the recipient or another person, then an amount equal to so much of the amount paid as is attributable to the false or misleading statement, or the misrepresentation, is a debt due to the Commonwealth by the recipient.
- (4) If:
 - (a) the recipient was required under section 181 to notify the Operator about a matter; and
 - (b) the recipient did not comply with the requirement; and
 - (c) had the Operator been notified as required, the amount that was paid to the recipient would not have been payable;then an amount equal to so much of the amount paid as is attributable to the failure to comply with the requirement is a debt due to the Commonwealth by the recipient.
- (5) A debt due by the recipient under this section in relation to an amount arises at the time the amount was paid to the recipient.

168 Recovery of funding contribution and late payment penalty

The following amounts may be recovered by the Commonwealth from an institution or a person as debts due to the Commonwealth:

- (a) funding contribution that is due and payable by the institution or person;
- (b) late payment penalty that is due and payable by the institution or person.

Note: For cases where a person may be liable to pay funding contribution, see sections 123, 131 and 141.

169 Legal proceedings to recover debt

A debt due to the Commonwealth under this Part is recoverable by the Commonwealth in a court of competent jurisdiction.

170 Arrangement for payment of debt

- (1) The Operator may enter into an arrangement with a person or an institution under which the person or institution is to pay a debt, owed by the person or institution to the Commonwealth under this Part, or the outstanding amount of such a debt, in a way set out in the arrangement.
- (2) An arrangement entered into under subsection (1) has effect, or is taken to have had effect, on and after the day specified in the arrangement as the day the arrangement commences (whether that day is the day the arrangement is entered into or an earlier or later day).
- (3) If an arrangement entered into under subsection (1) does not specify a day as mentioned in subsection (2), it has effect on and after the day on which it is entered into.
- (4) The Operator may terminate or alter an arrangement entered into under subsection (1):
 - (a) at the request of the person or institution; or
 - (b) after giving 28 days' notice to the person or institution of the proposed termination or alteration; or

- (c) without notice, if the Operator is satisfied that the person or institution has failed to disclose material information about the person's or institution's true capacity to repay the debt.

171 Recovery of amounts from financial institutions

Payment into wrong account

- (1) This section applies if:
- (a) an amount is paid under this Act to a financial institution for the credit of an account kept with the financial institution; and
 - (b) the Operator is satisfied that the payment was intended to be made to someone who was not the person or one of the persons in whose name or names the account was kept.

Notice to financial institution requiring repayment

- (2) The Operator may give a written notice to the financial institution setting out the relevant matters referred to in paragraphs (1)(a) and (b) and requiring the financial institution to pay to the Commonwealth, within a reasonable period stated in the notice, the lesser of the following amounts:
- (a) the amount of the payment, as stated in the notice;
 - (b) the amount standing to the credit of the account when the notice is given to the financial institution.

Offence for contravening notice

- (3) A financial institution must comply with a notice given to it under subsection (2).

Penalty: 300 penalty units.

- (4) It is a defence to a prosecution of a financial institution for failing to comply with a notice given to it under subsection (2) if the financial institution proves that it was incapable of complying with the notice.

Note: A defendant bears a legal burden in relation to the matter in this subsection (see section 13.4 of the *Criminal Code*).

Section 172

Amount recovered reduces debt

- (5) Any amount recovered by the Commonwealth from a financial institution under this section reduces the amount of a debt referred to in subsection 167(1) (as it relates to paragraph 167(2)(a)).

172 Repayment of recovered amount to participating institutions

If:

- (a) the Commonwealth recovers an amount under this Part (other than paragraph 167(2)(a)); and
- (b) all or part of the amount relates to either or both of the following payments:
 - (i) a redress payment;
 - (ii) a counselling and psychological services payment; and
- (c) a participating institution has paid funding contribution in relation to that payment;

then the Commonwealth must repay the institution so much of that funding contribution as the Operator considers relates to the amount recovered.

Note: For the appropriation for the refund, see section 77 of the *Public Governance, Performance and Accountability Act 2013*.

Chapter 7—Other matters

Part 7-1—Application of this Act

Division 1—Simplified outline of this Part

173 Simplified outline of this Part

This Act can only give an entitlement to redress if the Commonwealth has legislative power to provide that redress. This Part sets out the constitutional basis for providing redress and also deals with other aspects of the application of this Act.

The main constitutional basis for redress is based on the place where the abuse occurred, which broadly is as follows:

- If the abuse occurred inside a State that has given a reference to the Commonwealth or made an adoption for the purposes of paragraph 51(xxxvii) of the Constitution (i.e. a participating State), then the reference or adoption by the State provides the constitutional basis for the redress.
- If the abuse occurred inside a Territory (such as the Australian Capital Territory, the Northern Territory or an external Territory), then section 122 of the Constitution provides the constitutional basis for the redress.
- If the abuse occurred outside Australia, then paragraph 51(xxix) of the Constitution provides the constitutional basis for the redress.

Division 2—Application of this Act

174 Constitutional basis for this Act

What this section is about

- (1) This section sets out the constitutional basis of this Act.

Application in a participating State

- (2) The application of this Act in relation to sexual abuse, and any related non-sexual abuse, of a person that occurred inside a participating State is based on:
- (a) the legislative powers that the Commonwealth Parliament has under the Constitution (other than paragraph 51(xxxvii)); and
 - (b) the legislative powers that the Commonwealth Parliament has because of a reference or an adoption by the Parliaments of the participating States for the purposes of paragraph 51(xxxvii) of the Constitution.

Application in a non-participating State

- (3) The application of this Act in relation to sexual abuse, and any related non-sexual abuse, of a person that occurred inside a non-participating State is based on:
- (a) the legislative powers that the Commonwealth Parliament has under section 51 (other than paragraph 51(xxxvii)) and section 122 of the Constitution; and
 - (b) the other legislative powers that the Commonwealth Parliament has under the Constitution.

Application in a Territory

- (4) The application of this Act in relation to sexual abuse, and any related non-sexual abuse, of a person that occurred inside a Territory is based on:
- (a) the legislative powers that the Commonwealth Parliament has under section 122 of the Constitution to make laws for the government of a Territory; and

- (b) the other legislative powers that the Commonwealth Parliament has under the Constitution.

Despite section 2H of the *Acts Interpretation Act 1901*, this Act as applying in the Territory is a law of the Commonwealth.

Application outside Australia

- (5) The application of this Act in relation to sexual abuse, and any related non-sexual abuse, of a person that occurred outside Australia is based on:
 - (a) the legislative power the Commonwealth Parliament has under paragraph 51(xxix) of the Constitution; and
 - (b) the legislative powers that the Commonwealth Parliament has under section 122 of the Constitution to make laws for the government of a Territory; and
 - (c) the other legislative powers that the Commonwealth Parliament has under the Constitution.

175 Concurrent operation with State and Territory laws

- (1) This Act does not exclude or limit the operation of a law of a State or Territory to the extent that the law is capable of operating concurrently with this Act.
- (2) Without limiting subsection (1), this Act does not exclude or limit the concurrent operation of a law of a State or Territory merely because that law provides for redress (however described) to be provided to a person for abuse suffered by the person.

176 Extraterritorial application and extension to external Territories

- (1) This Act applies both within and outside Australia.
- (2) This Act extends to every external Territory.

177 Crown to be bound

This Act binds the Crown in each of its capacities.

- (3) Despite section 14 of the *Legislation Act 2003*, the rules may apply, adopt or incorporate any matter contained in the assessment framework as in force or existing from time to time.
- (4) The provisions of this Act that provide for the rules to deal with matters do not limit each other.
- (5) To avoid doubt, the rules may not do the following:

- (d) set an amount to be appropriated from the Consolidated Revenue Fund under an appropriation in this Act;
- (e) directly amend the text of this Act.

Part 7-3—Other matters

Division 1—Simplified outline of this Part

180 Simplified outline of this Part

A person who applies for redress under the scheme may be required or permitted to notify the Operator of certain matters (e.g. that the person is sentenced to imprisonment for 5 years or longer for an offence). An institution may also be required or permitted to notify the Operator about a matter (see section 181).

The Minister and the Operator may delegate their powers and functions to certain officers of the scheme. However, the Minister cannot delegate his or her powers and functions to make the rules, and the Operator can only delegate his or her powers and functions under sections 29 and 75 (which are about determinations relating to redress applications) to an independent decision-maker.

The Operator may engage a person to be an independent decision-maker to make determinations relating to redress applications.

The Operator must prepare and give an annual report on the operation of the scheme and must include particular information in that report.

The Minister must cause 2 reviews of the scheme to be conducted—one starting on the second anniversary of the scheme start day and the other starting on the eighth anniversary of that day. The rules can prescribe a later date to start those reviews.

The scheme ceases on the scheme sunset day (which ordinarily will be the tenth anniversary of the scheme start day).

This Part also deals with other miscellaneous matters (such as approved forms).

Division 2—Giving notices for the purposes of the scheme

181 Persons or institutions giving notices to the Operator

- (1) If:
 - (a) a person makes an application for redress under the scheme;
and
 - (b) after making the application, the person is sentenced to imprisonment for 5 years or longer for an offence against a law of the Commonwealth, a State, a Territory or a foreign country;then the person must notify the Operator of that fact in accordance with any requirements prescribed by the rules.
- (2) The rules may prescribe:
 - (a) circumstances for when a person or a participating institution must or may notify the Operator of a matter; and
 - (b) requirements relating to the giving of the notice.

182 Operator giving notices to persons or institutions

- (1) The rules may require or permit the Operator to give a notice to a person or an institution about a matter relating to the operation of this Act.
- (2) If this Act requires or permits the Operator to give a notice to a person or institution, the Operator may give the notice in any way that the Operator considers appropriate.

Division 3—Delegation

183 Delegation by the Minister

- (1) The Minister may, in writing, delegate all or any of the Minister's powers or functions under this Act (other than section 179 or 185) to:
 - (a) the Operator; or
 - (b) a person who holds or performs the duties of an SES Band 3 position, or an equivalent position, in the Department.
- (2) In exercising a power or performing a function under a delegation under subsection (1), the delegate must comply with any directions of the Minister.

184 Delegation by the Operator

Powers and functions—general

- (1) The Operator may, in writing, delegate all or any of the Operator's powers or functions under this Act (other than sections 29, 75 and 190) to an officer of the scheme.
- (2) In exercising a power or performing a function under a delegation under subsection (1), the delegate must comply with any directions of the Operator.

Powers and functions—redress determinations

- (3) The Operator may, in writing, delegate the Operator's powers and functions under section 29 or 75 (which are about determinations relating to redress applications) to an independent decision-maker.
- (4) In exercising a power or performing a function under a delegation under subsection (3), the delegate is not required to comply with any directions of the Operator.

Division 4—Independent decision-makers

185 Engaging persons to be independent decision-makers

- (1) The Operator may, on behalf of the Commonwealth and with the approval of the Minister, engage a person, under written agreement, to assist in the performance of the functions of the Operator in relation to the making of determinations under section 29 or 75 on applications for redress.
- (2) Before giving an approval under subsection (1), the Minister must consult the appropriate Ministers from the participating States and participating Territories in accordance with the National Redress Scheme Agreement.
- (3) A person engaged under subsection (1) is an *independent decision-maker*.
- (4) Subdivision A of Division 3 of Part 2-2 of the *Public Governance, Performance and Accountability Act 2013* (which deals with general duties of officials), and any rules made under that Act for the purposes of that Subdivision, apply to an independent decision-maker in the same way as they apply to an official (within the meaning of that Act).

Note: The duties of officials under the *Public Governance, Performance and Accountability Act 2013* include: the duty of care and diligence; the duty to act honestly, in good faith and for a proper purpose; the duties relating to the use of information and position; and the duty to disclose interests.

Division 5—Miscellaneous

186 Giving agreement

A reference in this Act to the Commonwealth, a participating Territory, an institution or a person agreeing to a matter is a reference to the body or person giving agreement in the way (if any) prescribed by the rules.

Note: For example, paragraph 115(3)(c) provides that the Minister must not make a declaration that a non-government institution is a participating institution unless the institution has agreed to participate in the scheme. Under this section, the way the institution gives its agreement must be the way prescribed by the rules (if the rules prescribe a way).

187 Annual report on operation of the scheme

- (1) As soon as practicable after the end of each financial year, the Operator must prepare and give an annual report to the Minister, for presentation to the Parliament, on the operation of the scheme during the year.
- (2) Without limiting subsection (1), the annual report must:
 - (a) include information about any matter prescribed by the rules; and
 - (b) comply with any requirements prescribed by the rules.

188 Approved forms

The Operator may, in writing, approve one or more forms for the purposes of a provision of this Act that provides for something to be done in an approved form.

189 Determinations of the Operator to be in writing

- (1) A determination by the Operator under this Act must be in writing.
- (2) A determination by the Operator under this Act is not a legislative instrument.

Section 190

190 Civil penalty provisions

Enforceable civil penalty provisions

- (1) Each civil penalty provision of this Act is enforceable under Part 4 of the Regulatory Powers Act.

Note: Part 4 of the Regulatory Powers Act allows a civil penalty provision to be enforced by obtaining an order for a person to pay a pecuniary penalty for the contravention of the provision.

Authorised applicant

- (2) For the purposes of Part 4 of the Regulatory Powers Act, each of the following persons is an authorised applicant in relation to the civil penalty provisions of this Act:
- (a) the Operator;
 - (b) an SES employee, or an acting SES employee, in the Department or the Human Services Department.

External Territories

- (4) Part 4 of the Regulatory Powers Act, as that Part applies in relation to the civil penalty provisions of this Act, extends to every external Territory.

The Crown

191 Compensation for acquisition of property

- (1) If the operation of this Act would result in an acquisition of property (within the meaning of paragraph 51(xxxi) of the Constitution) from a person otherwise than on just terms (within the meaning of that paragraph), the Commonwealth is liable to pay a reasonable amount of compensation to the person.
- (2) If the Commonwealth and the person do not agree on the amount of the compensation, the person may institute proceedings in:
 - (a) the Federal Court of Australia; or
 - (b) the Supreme Court of a State or participating Territory;for the recovery from the Commonwealth of such reasonable amount of compensation as the court determines.

- (1) The Minister must cause a review of the operation of the scheme to be commenced as soon as possible after:
 - (a) the second anniversary of the scheme start day; or
 - (b) if, before the second anniversary, the rules prescribe a day that is after the second anniversary—that day.
- (2) The second anniversary review must consider the following matters:
 - (a) the extent to which the States, participating Territories and non-government institutions have opted into the scheme, including key facilitators and barriers to opting in;
 - (b) the extent to which survivors who are eligible for redress under the scheme have applied for redress;
 - (c) the extent to which redress has been provided to survivors who are entitled to redress under the scheme;
 - (d) the application, assessment and decision-making process, including user experiences of the process;
 - (e) redress payments;

- (4) The eighth anniversary review must consider the following matters:
 - (a) the matters referred to in subsection (2);
 - (b) the results of any other review or evaluation conducted in relation to the operation of the scheme.

193 Sunset of the scheme

- (1) Subject to this section, this Act ceases to have effect at the end of the day (the *scheme sunset day*) that is:
 - (a) the tenth anniversary of the scheme start day; or
 - (b) if, before the tenth anniversary, the rules prescribe a day that is after the tenth anniversary—that day.

Note: The fact that the Act ceases to have effect does not affect the operation of section 43 in releasing and discharging an institution or official from civil liability (see section 7 of the *Acts Interpretation Act 1901*).

- (2) Despite subsection (1), at any time before the first anniversary of the scheme sunset day, rules may be made under section 179 for the purposes of subsections (3) and (4) of this section.

 - (a) continue to apply after the scheme sunset day for the purposes set out in the rules; or
