PART 3—GENERAL

7. Fences within front setback areas
(1) A person shall not, without the written consent of the Building Surveyor, erect a free standing fence greater than 1000mm in height, within the front set-back area of a Residential Lot within the district.

(2) The Building Surveyor may approve the erection of a fence of a height greater than 1000mm in the front setback area of a Residential Lot only if the fence on each side of the driveway into the Lot across the front boundary is to be angled into the Lot for a distance of not less than 1500mm. along the frontage to a distance of not less than 1500mm from the frontage in order to provide appropriate splayed lines of vision for a motorist using the driveway for access to a thoroughfare.

This sub clause requires any person, owner or occupier that is erecting or repairing a fence that will not comply with the local law, to apply to the local government for consent.

(2) In determining whether to grant its consent to the erection or repair of any fence, the local government may consider, in addition to any other matter that it is authorized to consider, whether the erection or retention of the fence would have an adverse effect on—
(a) the safe or convenient use of any land; or
(b) the safety or convenience of any person.

(3) Not withstanding that these local laws specify a minimum standard for a sufficient fence for the purposes of the Act, Council may adopt guidelines for alternative standards that it will approve. In setting these guidelines, Council shall have regard to acceptable materials and heights.

   (b) the licence holder breaches any condition upon which the licence has been issued.

PART 6—NOTICES OF BREACH

16. Notices of breach
(1) Where a breach of any provision of this local law has occurred in relation to a fence on a lot, the local government may give a notice in writing to the owner or occupier of that lot (‘notice of breach’).

(2) Any such notice of breach shall—
   (a) specify the provision of these Local Laws which has been breached;
   (b) specify the particulars of the breach; and
   (c) state that the owner or occupier of the lot is required to remedy the breach within 28 days from the giving of the notice.

must, when directed by the Presiding Member, withdraw the expression and make a satisfactory apology.
(2) If a member fails to comply with a direction of the Presiding Member under the above subclause (1), the Presiding Member may refuse to hear the member further on the matter then under discussion and call on the next speaker.

7.6 Disturbance by members
While another person is addressing the Council or a Committee, a member is not—
   (a) to make any noise or disturbance; or
   (b) to converse aloud;
except where the member wishes to make an interruption under clause 8.9.

(e) creates a disturbance within the precincts of the room where the meeting is taking place.

(4) In the event of any such interruption, the Presiding Member may exercise his or her discretion and require those interrupting to withdraw. The Presiding Member’s ruling in this regard is final and cannot be challenged by moving dissent with the ruling or otherwise.

(5) Any person who does not withdraw when called upon by the Presiding Member to do so may by order of the Presiding Member be removed from the room.

(6) If an Elected Member or the CEO specifically requests, immediately after their use, that any particular words used by a person be recorded, the Presiding Member is to cause the words used to be taken down and read to the meeting for verification and to then be recorded in a file note of the meeting, unless the presiding member in any case decides otherwise.

(9) Where a person or persons have been required to leave the room where the meeting is taking place and have been advised in accordance with subclause 7.9(3) but continue to remain in the room where the meeting is taking place, the CEO may instigate legal action against such person or persons.

(10) If a person ordered by the CEO to leave the premises cannot be removed without the application of physical force then a member or members of the police force shall be called to the room where the meeting is taking place to effect the removal of the person and the meeting may be adjourned until the person has been removed.

PART 8—CONDUCT OF MEMBERS DURING DEBATE

8.1 Speaking at council or committee meetings
(1) Every member wishing to speak is to indicate by show of hands or other method agreed upon by the Council or Committee.

(2) When a member or officer has been chosen to speak by the presiding member the member or officer must address the Council or Committee through the Presiding Member.

(3) Any member moving a motion or amendment, or taking part in the discussion thereon, shall address the presiding member and may rise if the member so desires, or shall do so when requested by the presiding member except when prevented from doing so by sickness or physical disability.

(4) When invited by the Presiding Member to speak, such member or officer may remain seated whilst speaking unless the Presiding Member rises, upon which such member or officer will cease speaking immediately so the Presiding Member can be heard.

8.2 Priority
In the event of two or more members wishing to speak at the same time, the Presiding Member is to decide which member is entitled to be heard first. The decision is not open to discussion or dissent.

8.3 The presiding member may take part in debates
Unless otherwise prohibited by the Act, and subject to compliance with procedures for the debate of motions contained in this local law, the Presiding Member may take part in a discussion of any matter before the Council or Committee as the case may be.

8.4 Relevance
Every member is to restrict his or her remarks to the motion or amendment under discussion, or to a personal explanation or point of order.
8.5 Limitation of number of speeches
No member is to address the Council or Committee more than once on any motion or amendment before the Council or Committee except the mover of a substantive motion, in reply, or to a point of order, or in explanation.

8.6 Limitation of duration of speeches
All addresses are to be limited to a maximum of five minutes. Extension of time is permissible only with the agreement of a simple majority of members present.

8.7 Questions during debate or points of clarification
With the approval of the Presiding Member, a member may ask a question or seek clarification of any matter relevant to a motion at any time during the debate on the motion before it is put, but no discussion thereon is permitted.

8.8 Members not to speak after conclusion of debate
No member is to speak to any motion after the mover has concluded his or her right of reply and/or after it has been put by the Presiding Member.

8.9 Members not to interrupt
No member is to interrupt another member or an officer whilst speaking unless—
(a) to raise a point of order;
(b) to call attention to the absence of a quorum; or
(c) to move a motion under clause 10.1(1)(c).

8.10 Re-Opening discussion on decisions
No member is to re-open discussion on any decision of the Council or Committee, except for the purpose of moving that the decision be revoked or amended.

PART 9—GENERAL CONDUCT OF DEBATE

9.1 Motions to be stated
Any member who moves a substantive motion or amendment to a substantive motion is to state the substance of the motion and obtain a seconder before speaking to it.

9.2 Motions to be supported
(1) No motion or amendment to a substantive motion is open to debate until it has been seconded, or, in the case of a motion to revoke or amend the decision made at a Council or a Committee meeting, unless the motion has the support required under Regulation 10 of the Regulations.
(2) Subject to clause 9.13 the seconder cannot subsequently withdraw his or her seconding of the motion.

9.3 Unopposed business
(1) Upon a motion being moved and seconded, the Presiding Member may ask the meeting if any member opposes it.
(2) If no member signifies opposition to the motion the Presiding Member may declare the motion in subclause (1) carried without debate and without taking a vote on it.
(3) A motion carried under subclause (2) is to be recorded in the minutes as a unanimous decision of the Council or Committee.
(4) If a member signifies opposition to a motion the motion is to be dealt with according to this Part.
(5) This clause does not apply to any motion or decision to revoke or amend a decision which has been made at a Council or Committee meeting.

9.4 Only one substantive motion considered
When a substantive motion is under debate at any meeting of the Council or a Committee, no further substantive motion is to be accepted.

9.5 Breaking down of complex motions
The Presiding Member may order a complex motion to be broken down and put in the form of several motions, which are to be put in sequence.

9.6 Order of call in debate
Unless dealt with in accordance with clause 9.3, the Presiding Member is to call speakers to a substantive motion in the following order—
(a) the mover to state the motion;
(b) a seconder to the motion;
(c) the mover to speak to the motion;
(d) the seconder to speak to the motion;
(e) a speaker against the motion;
(f) a speaker for the motion;

(g) other speakers against and for the motion in alternating order until there is no member (excluding the mover) wishing to speak who is of the opposite view than the last preceding speaker; and

(h) the mover has the right of reply which closes debate.

9.7 Limit of debate
The Presiding Member may offer the right of reply and put the motion to the vote if he or she believes sufficient discussion has taken place even though all members may not have spoken.

9.8 Member may require motion to be read
Any member may require the motion or matter under discussion to be read at any time during a debate, but not so as to interrupt any other member whilst speaking.

9.9 Consent of seconder required to accept alteration of wording
The mover of a substantive motion may not alter the wording of the motion without the consent of the seconder.

9.10 Order of amendments
Any number of amendments may be proposed to a motion, but when an amendment is moved to a substantive motion, no second or subsequent amendment is to be moved or considered until the first amendment has been carried, withdrawn or lost.

9.11 Amendments must not negate original motion
No amendment to a motion can be moved which negates the original motion or the intent of the original motion.

9.12 Substantive motion
If an amendment to a substantive motion is carried, the motion as amended then becomes the substantive motion, on which any member may speak and any further amendment may be moved.

9.13 Withdrawal of motion and amendments
Council or a Committee may, without debate, grant leave to withdraw a motion or amendment upon request of the mover of the motion or amendment and with the approval of the seconder provided that there is no voice expressed to the contrary view by any member, in which case discussion on the motion or amendment is to continue.

9.14 Limitation of withdrawal
Where an amendment has been proposed to a substantive motion, the substantive motion is not to be withdrawn, except by consent of the majority of members present, until the amendment proposed has been withdrawn or lost.

9.15 Foreshadowed motion
(1) In speaking upon a motion a member—

   (a) may give notice to the meeting of the member's intention to move a different motion on the same subject matter, being a motion which cannot practically be moved by an amendment to the motion under consideration; and

   (b) shall provide to the Presiding Member the terms of the foreshadowed motion.

(2) If two or more members pursuant to subclause (1) foreshadow motions on the same subject, then the Presiding Member shall take note of the order in which the foreshadowed motions are raised and the terms of each foreshadowed motion.

(3) If the motion under consideration is lost, then the foreshadowed motions may be brought forward without delay.

(4) The foreshadowed motions shall be considered by the Council in succession, until one of the motions is passed, whereupon there shall be no further consideration of any other foreshadowed motion on that subject.

9.16 Personal explanation
(1) No member is to speak at any meeting of the Council or a Committee, except upon the matter before the Council or Committee, unless it is to make a personal explanation.

(2) A member wishing to make a personal explanation may do so at the conclusion of that speech.

(3) Any member or an officer who is permitted to speak under these circumstances is to confine the observations to a succinct statement relating to a specific part of the former speech which may have been misunderstood.

(4) When a member or an officer proceeds to explain, no reference is to be made to matters unnecessary for that purpose.

9.17 Ruling on questions of personal explanation
The ruling of the Presiding Member on the admissibility of a personal explanation is final unless a motion of dissent with the ruling is moved before any other business proceeds.
9.18 Right of reply

(1) The mover of a substantive motion has the right of reply. After the mover of the substantive motion has commenced the reply, no other member is to speak on the motion.

(2) The right of reply is to be confined to matters raised by previous speakers and no new matter is to be introduced or expansion on the substantive motion is to take place.

9.19 Right of reply provisions

The right of reply is governed by the following provisions—

(a) If no amendment is moved to the substantive motion, the mover may reply at the conclusion of the discussion on the motion;

(b) If an amendment is moved to the substantive motion the mover of the substantive motion is to take the right of reply at the conclusion of the vote on any amendments;

(c) The mover of any amendment does not have a right of reply; and

(d) Once the right of reply has been taken, there can be no further discussion, nor any other amendment and the original motion or the original motion as amended is immediately put to the vote.

PART 10—PROCEDURAL MOTIONS

10.1 Permissible procedural motions

(1) In addition to proposing a properly worded amendment to a substantive motion, it is permissible for a member (at any time) to move the following procedural motions—

(a) the Council (or Committee) meeting now adjourn;

(b) the debate be adjourned;

(c) the motion now be put;

(d) the motion not now be put;

(e) the motion (or communication) lie on the table;

(f) the meeting proceed to the next item of business;

(g) that the ruling of the Presiding Member be disagreed by a motion of dissent; or

(h) the Council (or Committee) meet behind closed doors as the matter to be discussed is of a confidential nature in respect of which the meeting may be closed to members of the public under the Act.

(2) Subject to subclause (1), when a recommendation of a Committee is being debated by the Council, the only motions which may be considered by the Council are that—

(a) the recommendation be adopted;

(b) the recommendation not be adopted;

(c) the recommendation be referred back to the responsible Committee for further consideration; or

(d) the recommendation be amended.

(3) A permissible procedural motion pursuant to subclause (1) can only be brought forward by a person who has not already spoken on the matter.

(4) A member may request that the names of some or all of those who voted in the negative be recorded in the minutes.

10.2 No debate on procedural motions

(1) The mover of a motion stated in each of paragraphs (a), (b), (e), (g) and (h) of clause 10.1(1) may speak to the motion for not more than five minutes, the seconder is not to speak other than to formally second the motion, and there is to be no debate on the motion.

(2) The mover of a motion stated in each of paragraphs (c), (d) and (f) of clause 10.1(1) may not speak to the motion, the seconder is not to speak other than to formally second the motion, and there is to be no debate on the motion.

10.3 Procedural motions—Closing debate—Who may move

No person who has moved, seconded, or spoken for or against the substantive motion, or any amendment may move any procedural motion which, if carried, would close the debate on the substantive motion or amendment.

10.4 Procedural motions—Right of reply on substantive motion

The carrying of a procedural motion which closes debate on the substantive motion or amendment and forces a decision on the substantive motion or amendment does not deny the right of reply to the mover of the substantive motion.

PART 11—EFFECT OF PROCEDURAL MOTIONS

11.1 Motion be amended—Effect of motion

(1) An amendment to a motion must be relevant to that motion.

(2) An amendment to a motion must be read or stated before being moved.
Only one amendment is to be discussed at a time, but as often as an amendment is lost, another amendment may be moved, before the original motion is put to the vote.

In speaking to an amendment, a member may give notice of his or her intention to move a further amendment or another motion.

Where an amendment is carried—

(a) the original motion as amended becomes the substantive motion;
(b) it must be relevant to the motion and not be of such a nature that the original motion loses its identity; and
(c) for all purposes subsequent debate, is only to be on the substantive motion.

11.2 Council (or committee) meeting to now adjourn—Effect of motion

(1) The motion “that the Council (or Committee) now adjourn”, if carried, shall result in the meeting being adjourned until it is re-opened at which time the meeting will continue from the point at which it was adjourned, unless the Presiding Member or a simple majority or members determine otherwise, by vote.

(2) Where debate on a motion is interrupted by an adjournment under subclause (1)—

(a) The debate is to be resumed at the next meeting at the point where it was so interrupted; and
(b) In the case of the Council meeting—
   (i) The names of Elected Member(s) who have spoken on the matter prior to the adjournment are to be recorded in the minutes; and
   (ii) The provisions of clause 8.5 apply when the debate is resumed.

11.3 The motion be adjourned—effect of motion

(1) The motion “that the motion be adjourned”, if carried, shall result in all debate on the substantive motion or amendment to cease but to continue at a time stated in the motion.

(2) If the motion is carried at a meeting of the Council—

(a) the names of Elected Member(s) who have spoken on the matter are to be recorded in the minutes; and
(b) the provisions of clause 8.5 apply when the debate is resumed.

11.4 The motion be now put—Effect of motion

(1) The motion “that the motion be now put”, if carried during discussion of a substantive motion without amendment, shall result in the Presiding Member offering the right of reply and then immediately put the matter under consideration without further debate.

(2) This motion, if carried during discussion of an amendment, shall result in the Presiding Member putting the amendment to the vote without further debate.

(3) This motion, if lost, shall result in the continuation of the debate.

11.5 Ruling of the presiding member disagreed with—Effect of motion

The motion “that the ruling of the Presiding Member be disagreed with”, if carried, shall result in the ruling of the presiding member about which this motion was moved, to have no effect and for the meeting to proceed accordingly.

11.6 The motion (or communication) lie on the table—Effect of motion

(1) If moved in respect of a motion or an amendment to a motion, this motion takes the form “that the motion lie on the table”.

(2) If moved in respect of a letter, report or other document, its form is “that the communication lie on the table”.

(3) A motion that “the motion lie on the table” or that “a communication lie on the table”—

(a) may be moved by a member to adjourn the debate if further information is needed from the Council’s records;
(b) cannot be moved by a member who has moved, seconded or spoken to the question then before the meeting;
(c) cannot be amended; and
(d) does not give the mover a right of reply.

(4) If a motion that “the motion lie on the table” or “the communication lie on the table” is carried then—

(a) in respect of a document or a motion, further debate on the matter is adjourned until the meeting resolves to take the document or motion from the table; and
(b) in respect of an amendment, both the amendment and the substantive motion to which it relates are adjourned until the meeting resolves to take the motion from the table.

(5) If a motion that “the motion be taken from the table” or “the communication be taken from the table” is carried then—

(a) in respect to a document or a motion, debate resumes until the matter is determined;
(b) in respect to an amendment, debate resumes on the amendment until the matter is determined.
11.7 The meeting proceed to the next item of business—Effect of motion
The motion “that the Council (or Committee) proceed to the next item of business”, if carried, shall cause the debate to cease immediately and for the Council (or Committee) to move to the next business of the meeting. No decision will be made on the substantive motion being discussed, nor is there any requirement for the matter to be again raised for consideration.

11.8 The council (or committee) to meet behind closed doors—Effect of motion
(1) Subject to any decision of the Council or Committee, this motion, if carried, shall result in the general public and any officer the Council or Committee determines, to leave the room.
(2) While a decision made under this clause is in force the operation of clause 8.5 limiting the number of speeches continues to apply unless the Council decides otherwise.
(3) Upon the public again being admitted to the meeting the Presiding Member, unless the Council or Committee decides otherwise, is to cause the resolution of the Council or Committee whilst it was proceeding behind closed doors to be read out including the vote of a member or members to be recorded in the minutes under section 5.21 of the Act.

PART 12—REVOKING OR CHANGING DECISIONS

12.1 Motion—When put
When the debate upon any motion is concluded and the right of reply has been exercised the Presiding Member shall immediately put the motion to the Council or the Committee, and, if so desired by any member, shall again state it.

12.2 Motion—Method of putting
If a decision of the Council or a Committee is unclear or in doubt, the presiding member shall put the motion or amendment as often as necessary to determine the decision from a show of hands or other method agreed upon so that no voter’s vote is secret, before declaring the decision.

12.3 Revocation motion at the same meeting—Procedures
(1) If the CEO receives a notice of motion, which complies with the requirements of this local law, to revoke a decision made at a meeting before the close of that meeting, then the CEO is to immediately advise the Presiding Member of the notice of motion.
(2) Where the Presiding Member is advised of a notice of motion under subclause (1), he or she at the first available opportunity and before the end of the meeting is to—
   (a) advise the meeting of the notice;
   (b) bring on the revocation motion;
   (c) determine whether there is sufficient support (under Regulation 10 of the Regulations) for the motion; and
   (d) deal with the motion, if there is sufficient support.

PART 13—IMPLEMENTING DECISIONS

13.1 Implementation of a decision
(1) Neither the CEO nor an officer or an Elected Member shall take any step to implement or otherwise give effect to a resolution until 2pm on the following Council office working day after the close of the meeting at which the resolution was passed.
(2) If a notice of motion to revoke or change a decision of the Council or a Committee is received before any action has been taken to implement that decision, then no steps are to be taken to implement or give effect to that decision until such time as the motion of revocation or change has been dealt with, except that—
   (a) If a notice of motion to revoke or change a decision of the Council or a Committee is given during the same meeting at which the decision was made, the notice of motion is of no effect unless the number of members required to support the motion under the Regulations indicate their support for the notice of motion at that meeting; and
   (b) If a notice of motion to revoke or change a decision of the Council or Committee is received after the closure of the meeting at which the decision was made and implementation of the decision is not to be withheld unless the notice of motion has the support in writing, of the number of members required to support the motion under the Regulations.
(3) Implementation of a decision is only to be withheld under subclause (2) if the effect of the change proposed in a notice of motion would be that the decision would be revoked or would become substantially different.
(4) The Council or a Committee shall not vote on a motion to revoke or change a decision of the Council or Committee whether the motion of revocation or change is moved with or without notice, if at the time the motion is moved or notice is given—
   (a) action has been taken to implement the decision, or
   (b) where the decision concerns the issue of an approval or the authorisation of a licence, permit or certificate, and where that approval or authorisation of a licence, permit or certificate has been put in to effect by the Council in writing to the applicant or the applicant’s agent by an officer of the Council authorised to do so, without having considered a statement of impact prepared by or at the direction of the CEO of the legal and financial consequences of the proposed revocation or change.
PART 14—PRESERVING ORDER

14.1 The Presiding Member to preserve order
The Presiding Member is to preserve order, and may call any member or other person in attendance to order, whenever, in his or her opinion, there is cause for doing so.

14.2 Demand for withdrawal
A member may be required by the Presiding Member, or by a decision of the Council or Committee, to apologise and unreservedly withdraw any expression which is considered to reflect offensively on another member or an officer, and if the member declines or neglects to do so, the Presiding Member may refuse to hear the member further upon the matter then under discussion and call upon the next speaker.

14.3 Points of order—When to raise—Procedure
(1) Upon a matter of order arising during the progress of a debate, any member may raise a point of order including interrupting the speaker.
(2) Any member, who is speaking when a point of order is raised, is to immediately stop speaking and be seated while the presiding member listens to the point of order.

14.4 Points of order—When valid
(1) Expressing a difference of opinion or the contradiction of a speaker shall not be recognised as a valid point of order.

   (b) that offensive or insulting language is being used;
   (c) drawing attention to the violation of any written law, the relevant provisions of this local law or policy of the Council, provided that the member making the point of order states the written law or policy believed to be breached; and
   (d) that insinuations have been made as to the character, morality, honesty or motives of a member or an officer.

14.5 Points of order—Ruling
The Presiding Member is to give a decision on any point of order which is raised by either upholding or rejecting the point of order.

14.6 Points of order—Ruling conclusive, unless dissent motion is moved
The ruling of the Presiding Member upon any question of order is final, unless a majority of the members support a motion of dissent with the ruling.

14.7 Points of order take precedence
Notwithstanding anything contained in this local law to the contrary, all points of order take precedence over any other discussion and until decided, suspend the consideration and decision of every other matter.

14.8 Precedence of presiding member
(1) When the Presiding Member rises during the progress of a debate, any member then speaking, or offering to speak, is to immediately sit down and every member of the Council or Committee present shall be silent so that the Presiding Member may be heard without interruption.
(2) Subclause (1) is not to be used by the presiding member to exercise the right provided in clause 8.3, but to preserve order.

14.9 Right of the presiding member to adjourn without explanation to regain order
(1) If a meeting ceases to operate in an orderly manner, the Presiding Member may use discretion to adjourn the meeting for a period of up to fifteen minutes without explanation, for the purpose of regaining order.
(2) Upon resumption, debate is to continue at the point at which the meeting was adjourned.
(3) If, at any one meeting, the Presiding Member has cause to further adjourn the meeting, such adjournment may be to a later time on the same day or to any other day.
(4) Where debate of a motion is interrupted by an adjournment under subclause (1), in the case of a Council meeting—
   (a) the names of Elected Member(s) who have spoken in the matter prior to the adjournment are to be recorded; and
   (b) the provisions of clause 8.5 apply when the debate is resumed.

15.4 Withdrawal of motion for adjournment
A motion or an amendment relating to the adjournment of the Council or a Committee may be withdrawn by the mover, with the consent of the seconder, except that if any member objects to the withdrawal, debate of the motion is to continue.

15.5 Time to which adjourned
The time to which a meeting is adjourned for want of a quorum, by the Presiding Member to regain order, or by decision of the Council, may be to a specified hour on a particular day or to a time which coincides with the conclusion of another meeting or event on a particular day.

PART 16—COMMITTEES OF THE COUNCIL

16.1 Establishment and appointment of committees
A Committee is to be established on a motion setting out the proposed purpose and functions of the Committee and either—
(a) the names of the Elected Members, officers and other persons to be appointed to the Committee; or
(b) the number of Elected Members, officers and other persons to be appointed to the Committee and a provision that they be appointed by a separate motion.

16.2 Appointment of deputy committee members
(1) The Council may appoint one or more persons to be the deputy or deputies, as the case may be, to act on behalf of a committee member whenever that committee member is unable to be present at a meeting thereof and where two or more deputies are so appointed they are to have seniority in the order determined by the Council.
(2) Where a committee member does not attend a meeting thereof a deputy of that committee member, selected according to seniority, is entitled to attend that meeting in place of the committee member and act for the committee member, and while so acting has all the powers of that committee member.
(3) If a deputy has commenced to act in place of a committee member at a Committee meeting and the committee member attends the meeting, the committee member will not assume the seat and the deputy will continue to act as the committee member for the duration of that meeting.
(4) Once a committee meeting has commenced a deputy member cannot assume the seat of a committee member who leaves the meeting.
