1921. Hon Martin Aldridge to the Minister for Environment representing the Minister for Transport; Planning

I refer to school bus service contracts in Western Australia, and I ask:

- (a) for each school year 2017, 2018 and 2019 provide:
 - (i) the number of school bus contracts terminated by year;
 - (ii) the location and route of each contract;
 - (iii) the remaining term at the time of termination and annual cost of each route;
 - (iv) the reason for termination;
 - (v) if the reason for termination was a lack of student numbers on the service, the number of students on the service when the contract was terminated; and
 - (vi) if the reason for termination was a lack of student numbers on the service, what arrangements were put in place for the remaining students on the service; and
- (b) for the 2019 school year, how many school bus services exist exclusively to transport students attending non-public schools:
 - (i) the location and route of each service;
 - (ii) the number of students on each service;
 - (iii) the schools serviced by each route and the number of students attending each school by service;
 - (iv) the annual cost of each service; and
 - (v) the type of contract and remaining term of the contract by service?
