Dear Minister,

I am writing to you on behalf of Gloucester Park Harness Racing (GPHR) regarding the draft *TAB (Disposal) Bill 2019*.

The GPHR supports the *TAB (Disposal) Bill 2019* as drafted and unamended as we believe this provides the right legislative framework to best negotiate the sale of the TAB and support the Western Australian racing industry going forwards.

All aspects of the *TAB (Disposal) Bill 2019* are important for the future prosperity of the racing industry in Western Australian and changing elements of the Bill would adversely affect the racing industry in this state.

Yours faithfully,

Dear Minister,

We are writing to you on behalf of the Albany Harness Racing Club (Inc) with regard to the draft *TAB (Disposal) Bill 2019*.

The Albany Harness Racing Club supports, in principle, the *TAB (Disposal) Bill 2019* as drafted and unamended as we believe this provides the right legislative framework to best negotiate the sale of the TAB and support the Western Australian racing industry going forwards.

The Club recommends the sale be subject to the Board of Racing and Wagering Western Australia being authorised to have the final determination if they, the board, are after careful consideration and exercising due diligence, arrive at the conclusion that should the sale not be in the best interests of the industry, retain ownership of the entity.

Furthermore, the Club is desirous that, during the Expression of Interest process, the stakeholders be consulted and feedback provided regarding outcomes resulting from the negotiations between the Board and selected party.

Yours faithfully,

Ms Petra Moreth

Dear Minister,

I am writing to you on behalf of the Western Australian Racehorse Owners Association (WAROA) with regard to the TAB (Disposal) 2019.

WAROA has over 1000 members in its own right but in addition we are the nominated body charged with the responsibility of representing all owners and part owners of thoroughbreds in this State which is over 5000.

WAROA supports the TAB (Disposal) Bill 2019 as drafted. For far too long there has been a cloud of uncertainty hovering over our Industry which directly relates to the potential sale of the TAB. That degree of uncertainty has manifested itself in a noticeable lack of confidence in the long term future of the Industry which needs to be arrested quickly.

We are in no doubt the passage of this Bill will result in a significant boost to the confidence levels in the Industry for all participants and as well we are certain the Bill provides the right legislative framework to achieve the best outcome for both the State and the WA Racing Industry going forward.

Yours faithfully,

Harvey Crossman
