PUBLIC ACCOUNTS COMMITTEE REPORT 17

MORE THAN JUST A GAME – THE USE OF STATE FUNDS BY THE WA FOOTBALL COMMISSION

Introduction

On 26 June 2020, the Public Accounts Committee resolved to establish an Inquiry with the following terms of reference:

The Public Accounts Committee will inquire into and report on the use of State funding by the West Australian Football Commission (WAFC) in its role as caretaker of football in WA.

The Inquiry will focus on:

- a) how effectively State funds have been used to develop football across all levels;
- b) whether the WAFC is meeting its obligations under the funding agreement with the State; and
- c) the effectiveness and transparency of monitoring and reporting functions included in the State's funding agreement with the WAFC.

The report was tabled in the Legislative Assembly on 12 November 2020.

Background

In the development of the response to the recommendations, the following considerations occurred to make clarifications or enhancements to the report's findings and recommendations:

- The Department of Local Government, Sport and Cultural Industries (DLGSC) met with the Chair of the WAFC on 3 December 2020 to discuss the report and its intentions in regard to the recommendations; and
- A subsequent meeting occurred at an officer level between DLGSC and the WAFC on 17 December 2020 to discuss the progress of the report's recommendations and how these can be reflected in the 2021 work plans.

Table of Recommendations

<p>Recommendation 1 Page 3 To deliver the greatest accountability and assurance to Parliament and the public, the Minister for Sport and Recreation (the Minister) and the Department of Local Government, Sport and Cultural Industries (DLGSC), as the State’s representatives in the major football funding agreement, should work closely with the WA Football Commission (WAFC) to monitor the implementation of the recommendations in this report.</p>	<p>Supported, to the extent of the use of the funds from the Football Agreement. Chapter 2 – Football has a strong self-funding ideology, but State funding is central to its well-being

Recommendation	DLGSC Response
<p>Recommendation 4 Page 36 The Minister should require more transparent reporting by the WAFC, to increase its accountability to its stakeholders. This should include at the minimum more openness about its staffing, including the numbers of employees, their broad employment areas and the overall cost of their salaries and benefits.</p>	<p>Supported.</p>

<p>Recommendation 5 Page 48 The DLGSC should work with WAFC to develop mechanisms to track, monitor, and report on how the appropriate resources are being secured to support the continued growth in all aspects of women’s involvement in football.</p>	<p>Supported. The extent of the mechanism and focus on Australian Rules football should not be to the detriment of other sports and should ideally be used to improve the reporting for all sports.</p>
<p>Recommendation 6 Page 51 The Minister and the DLGSC should work with the WAFC to explore options to further improve and support junior and youth</p>	<p>(6-9) Supported. The level of growth and measures will be monitored by the targets that WAFC set in its reporting and DLGSC</p>

<p>Recommendation 9 Page 58 That the Minister and the DLGSC should work with the WAFC to ensure there is continued investment to support expansion of programs promoting all-abilities football.</p>	
<p>Recommendation 10 Page 62 The WAFC should increase its support to WAFL clubs to assist them repurpose towards community engagement.</p>	<p>Left Intentionally blank</p>
<p>Recommendation 11 Page 66 The Minister for Sport and Recreation and the Minister of Education and Training should work together to maximise the opportunities for public school footballers to reach their full sporting potential, including looking at resource allocations. In doing so, they should also work with the WAFC to determine the most effective ways in which it can assist.</p>	<p>Supported. However, there is the potential to look at more opportunities for physical education and exposure to more sports in the education system rather than simply a focus on Australian Rules football.</p>
<p>Recommendation 12 Page 70 The WAFC should provide mechanisms to ensure that the WAFL continues to be, and remains sustainable as, the premier State competition.</p>	<p>Left Intentionally blank</p>

<p>Recommendation 15 Page 74 To ensure greater player welfare and support, the DLGSC should work with the WAFC to develop rigorous mechanisms to track and report on the development of draftees throughout their careers, and gather data on the number of players who drop out of football, especially the AFL, and the reasons for this.</p>	Supported. Following the determination of players welfare and support outcome by WAFC and DLGSC this will be monitored and reported through the requirements of 7.3 of the WAFC Funding Agreement.
<p>Recommendation 16 Page 76 The DLGSC and WAFC should work together to arrive at a more appropriate older drafting age to promote to the AFL, recognising the benefits of allowing draftees greater development as individuals rather than merely as footballers.</p>	The DLGSC and the WAFC can work towards this outcome. The mechanism to achieve this requires further consideration.
