Landcare Trust
Overview
For the year ended 30 June 2021

1.1 Executive summary
The Landcare Trust (the Trust) was established by the state government in 1995 under section 40 of the Soil and Land Conservation Act 1945 to seek corporate and public financial support for landcare activities in Western Australia. The Trust is a statutory authority that operates independently of government under a board appointed by the Minister for Agriculture and Food.

The Trust ceased to exist, and its Board was disbanded in December 2002, and all Trust funds were disbursed at that time.

1.2 Enabling legislation
The Trust ceased to operate in December 2002 and does not hold any funds. Until Part VA of the Soil and Conservation Act 1945 is repealed, the Trust is still required to report to Parliament. To facilitate the necessary reporting, the Director General of the Department of Agriculture and Food was in August 2003 appointed by the Treasurer as the Accountable Authority for the Trust. This appointment transferred to the Director General of the Department of Primary Industries and Regional Development due to the Machinery of Government changes announced during 2017/18, resulting in the merger of the Department of Agriculture and Food with the Departments of Fisheries and Regional Development.

1.3 Responsible Minister
The Honourable Alannah MacTiernan MLC, Minister for Agriculture and Food is the responsible Minister for the Trust. No ministerial directives were received in regard to the Trust during the 2020-21 financial year.
Independent Auditors Report

INDEPENDENT AUDITOR’S OPINION
2021
Landcare Trust

To the Parliament of Western Australia

Report on the audit of the financial statements

Opinion
I have audited the financial statements of the Landcare Trust (Trust) which comprise:

- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, the financial statements are:

- based on proper accounts and present fairly, in all material respects, the operating results and cash flows of the Landcare Trust for the year ended 30 June 2021 and the financial position at the end of that period
- in accordance with Australian Accounting Standards, the Financial Management Act 2006 and the Treasurer’s Instructions.

Basis for opinion
I conducted my audit in accordance with the Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor’s responsibilities for the audit of the financial statements section of my report.

I am independent of the Trust in accordance with the Auditor General Act 2006 and the relevant ethical requirements of the Accounting Professional & Ethical Standards Board’s APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to my audit of the financial statements. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Page 1 of 5
Other matter

After consultation with the Treasurer, I dispensed with the Audits of the Landcare Trust for the financial years ended 30 June 2019 and 30 June 2020 under section 14 of the Auditor General Act 2006. The Trust did not operate during these periods and I considered that it was not in the public interest to incur the costs of these audits. I audited the Trust this financial year because the Auditor General Act 2006 does not allow an audit to be dispensed with for three consecutive years.

Other information

The Director General is responsible for the other information. The other information is the information in the entity’s annual report for the year ended 30 June 2021, but not the financial statements and my auditor’s report.

My opinion on the financial statements does not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

Responsibilities of the Director General for the financial statements

The Director General is responsible for:

- keeping proper accounts
- preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards, the Financial Management Act 2006 and the Treasurer’s Instructions
- such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trust is responsible for:

- assessing the entity’s ability to continue as a going concern
- disclosing, as applicable, matters related to going concern
- using the going concern basis of accounting unless the Western Australian Government has made policy or funding decisions affecting the continued existence of the Trust.
Auditor's responsibilities for the audit of the financial statements

As required by the Auditor General Act 2006, my responsibility is to express an opinion on the financial statements. The objectives of my audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial statements is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

Report on the audit of controls

Opinion

I have undertaken a reasonable assurance engagement on the design and implementation of controls exercised by the Landcare Trust. The controls exercised by the Trust are those policies and procedures established to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions (the overall control objectives).

My opinion has been formed on the basis of the matters outlined in this report.

In my opinion, in all material respects, the controls exercised by the Landcare Trust are sufficiently adequate to provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property and the incurring of liabilities have been in accordance with legislative provisions during the year ended 30 June 2021.

The Director General's responsibilities

The Director General is responsible for designing, implementing and maintaining controls to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property and the incurring of liabilities are in accordance with the Financial Management Act 2006, the Treasurer's Instructions and other relevant written law.
Auditor General’s responsibilities

As required by the Auditor General Act 2006, my responsibility as an assurance practitioner is to express an opinion on the suitability of the design of the controls to achieve the overall control objectives and the implementation of the controls as designed. I conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3150 Assurance Engagements on Controls issued by the Australian Auditing and Assurance Standards Board. That standard requires that I comply with relevant ethical requirements and plan and perform my procedures to obtain reasonable assurance about whether, in all material respects, the controls are suitably designed to achieve the overall control objectives and were implemented as designed.

An assurance engagement involves performing procedures to obtain evidence about the suitability of the controls design to achieve the overall control objectives and the implementation of those controls. The procedures selected depend on my judgement, including an assessment of the risks that controls are not suitably designed or implemented as designed. My procedures included testing the implementation of those controls that I consider necessary to achieve the overall control objectives.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Limitations of controls

Because of the inherent limitations of any internal control structure, it is possible that, even if the controls are suitably designed and implemented as designed, once in operation, the overall control objectives may not be achieved so that fraud, error or non-compliance with laws and regulations may occur and not be detected. Any projection of the outcome of the evaluation of the suitability of the design of controls to future periods is subject to the risk that the controls may become unsuitable because of changes in conditions.

My independence and quality control relating to the reports on controls

I have complied with the independence requirements of the Auditor General Act 2006 and the relevant ethical requirements relating to assurance engagements. In accordance with ASQC 1 Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements, the Office of the Auditor General maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.
Matters relating to the electronic publication of the audited financial statements and key performance indicators

The Department of Primary Industries and Regional Development’s management is responsible for the integrity of the Department’s website. It does not provide an opinion on any other information which may have been hyperlinked to/from these financial statements and controls.
