

*Supplementary Information No. A10*

*Question:*

*The Minister for Transport undertakes to provide the amount of train car sets being produced each year at the Bellevue Railcar Manufacturing Facility.*

*Answer:*

The Bellevue Railcar Manufacturing Facility will produce between 5 to 6 railcar sets (i.e. 6 railcars per set) per year on average during full production.

A handwritten signature or set of initials, possibly 'D.L.', written in black ink.
