

LEGISLATIVE ASSEMBLY ESTIMATES COMMITTEE A

Date of Hearing: 22 September 2021

Daily *Hansard* page No. E184

**Mid West Ports Authority**

*Supplementary Information No. A8*

*Question:*

*The Minister for Transport undertakes to provide as far as practicable, information about requests for further export trade inquiries regarding the use of Geraldton port.*

*Answer:*

MWPA is currently in discussions with a number of potential proponents that are looking to either import or export through the port. The projects that are associated with these discussions have varying degrees of confidence and are at varying levels of project, financial and regulatory approvals, along with projected shipping commencement dates.
