Dear Minister

Thank you for your letter received today regarding a correction to the Department of Fire and Emergency Services 2020-21 tabled annual report.

In your letter, you ask that I authorise the correction to tabled paper number 683.

In the Legislative Assembly, Standing Order 156 allows the Speaker to alter or add to a Tabled Paper. In the Legislative Council, there is no equivalent Standing Order.

In our House the usual practice is for the responsible Minister, or representative, to table the erratum during the tabling of papers at the commencement of the sitting or following a brief ministerial statement.

If you require further information, please do not hesitate to contact Ms Lauren Levia in the Legislative Council Administration Office on 9222 7826 or llevia@parliament.wa.gov.au.

Yours sincerely

Hon Alanna Clohesy MLC
President of the Legislative Council
