## Landcare Trust Overview

For the period from 1 July 2021 to 25 June 2022

### 1.1 Executive summary

The Landcare Trust (the Trust) was established by the state government in 1995 under section 40 of the *Soil and Land Conservation Act 1945* to seek corporate and public financial support for landcare activities in Western Australia. The Trust is a statutory authority that operates independently of government under a board appointed by the Minister for Agriculture and Food.

The Trust ceased to exist, and its Board was disbanded in December 2002, and all Trust funds were disbursed at that time.

### 1.2 Enabling legislation

The Trust ceased to operate in December 2002 and does not hold any funds. Part VA of the *Soil and Conservation Act 1945* has been repealed and received Royal Assent on 24 June 2022. This will be the final report of the Landcare Trust.

To facilitate the necessary reporting, the Director General of the Department of Agriculture and Food was in August 2003 appointed by the Treasurer as the Accountable Authority for the Trust. This appointment transferred to the Director General of the Department of Primary Industries and Regional Development due to the Machinery of Government changes announced during 2017/18, resulting in the merger of the Department of Agriculture and Food with the Departments of Fisheries and Regional Development.

### 1.3 Responsible Minister

The Honourable Alannah MacTiernan MLC, Minister for Agriculture and Food is the responsible Minister for the Trust. No ministerial directives were received in regard to the Trust during the 2021-22 financial year.

## Auditor General

### INDEPENDENT AUDITOR'S OPINION

2022

Landcare Trust

To the Parliament of Western Australia

## Report on the audit of the financial statements

### Opinion

I have audited the financial statements of the Landcare Trust (Trust) which comprise:

- the Statement of Financial Position at 25 June 2022, and the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the period from 1 July 2021 to 25 June 2022
- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, the financial statements are:

- based on proper accounts and present fairly, in all material respects, the operating results and cash flows of the Landcare Trust for the period from 1 July 2021 to 25 June 2022 and the financial position at 25 June 2022
- in accordance with Australian Accounting Standards, the *Financial Management Act 2006* and the Treasurer's Instructions.

### Basis for opinion

I conducted my audit in accordance with the Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of my report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## **Responsibilities of the Reporting Officer for the financial statements**

Landcare Trust ceased to be a statutory authority on 25 June 2022 when Part VA of the Act was deleted under the *Soil and Land Conservation Amendment Act 2022*. The Under Treasurer appointed a Reporting Officer under section 68 of the Financial Management Act 2006 who was responsible for the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards, the Australian Accounting standards, the Financial Management Act 2006 and the treasurer's Instructions that are free from material misstatement, whether due to fraud or error.

## **Auditor's responsibilities for the audit of the financial statements**

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial statements. The objectives of my audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial statements is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at [https://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf).

## **Report on the audit of controls**

### **Opinion**

I have undertaken a reasonable assurance engagement on the design and implementation of controls exercised by the Landcare Trust. The controls exercised by the Trust are those policies and procedures established to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property, and the incurring of liabilities have been in accordance with legislative provisions (the overall control objectives).

My opinion has been formed on the basis of the matters outlined in this report.

In my opinion, in all material respects, the controls exercised by the Landcare Trust are sufficiently adequate to provide reasonable assurance that the receipt, expenditure and investment of money, the acquisition and disposal of property and the incurring of liabilities have been in accordance with legislative provisions during the period from 1 July 2021 to 25 June 2022

### **The Director General's responsibilities**

The Director General is responsible for designing, implementing and maintaining controls to ensure that the receipt, expenditure and investment of money, the acquisition and disposal of property and the incurring of liabilities are in accordance with the *Financial Management Act 2006*, the Treasurer's Instructions and other relevant written law.

### **Auditor General's responsibilities**

As required by the *Auditor General Act 2006*, my responsibility as an assurance practitioner is to express an opinion on the suitability of the design of the controls to achieve the overall control objectives and the implementation of the controls as designed. I conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3150 *Assurance Engagements on Controls* issued by the Australian Auditing and Assurance Standards Board. That standard requires that I comply with relevant ethical requirements and plan and perform my procedures to obtain reasonable assurance about whether, in all material respects, the controls are suitably designed to achieve the overall control objectives and were implemented as designed.

An assurance engagement involves performing procedures to obtain evidence about the suitability of the controls design to achieve the overall control objectives and the implementation of those controls. The procedures selected depend on my judgement, including an assessment of the risks that controls are not suitably designed or implemented as designed. My procedures included testing the implementation of those controls that I consider necessary to achieve the overall control objectives.

I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### **Limitations of controls**

Because of the inherent limitations of any internal control structure, it is possible that, even if the controls are suitably designed and implemented as designed, once in operation, the overall control objectives may not be achieved so that fraud, error or non-compliance with laws and regulations may occur and not be detected. Any projection of the outcome of the evaluation of the suitability of the design of controls to future periods is subject to the risk that the controls may become unsuitable because of changes in conditions.

### **My independence and quality control relating to the report on financial statements and controls**

I have complied with the independence requirements of the *Auditor General Act 2006* and the relevant ethical requirements relating to assurance engagements. In accordance with ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements*, the Office of the Auditor General maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

### Other information

The Director General is responsible for the other information. The other information is the information in the entity's annual report for the year ended 25 June 2022, but not the financial statements and my auditor's report.

My opinion on the financial statements does not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

### Matters relating to the electronic publication of the audited financial statements

This auditor's report relates to the financial statements and controls of the Landcare Trust for the period from 1 July 2021 to 25 June 2022 included on the Department of Primary Industries and Regional Development's website. This audit does not provide assurance on the integrity of the Department's website. The auditor's report refers only to the financial statements and controls described above. It does not provide an opinion on any other information which may have been hyperlinked to/from these financial statements and controls. If users of the financial statements and controls are concerned with the inherent risks arising from publication on a website, they are advised to contact the entity to confirm the information contained in the website version of the financial statements and controls.

The term 'Australian Accounting Standards' includes Standards and Interpretations issued by the Australian Accounting Standard Board (AASB).

The Authority has adopted any applicable new and revised Australian Accounting Standards from their operative dates.

##### Early adoption of standards

The Authority cannot early adopt an Australian Accounting Standard unless specifically permitted by Treasurer's Instruction 1101 Application of Australian Accounting Standards and Other Pronouncements. There has been no early adoption of Australian Accounting Standards that have been issued or amended (but not operative) by the Authority for the annual reporting period ended 25 June 2022.

The Amendment Act Abolished Landcare Trust because the activities of the Landcare Trust were wound up in December 2002, and all Trust funds were disbursed at that time. Consequently, the financial statements have been prepared on a liquidation basis rather than a going concern basis.

The financial statements are presented in Australian dollars.
