Hon Michelle Roberts MLA  
Speaker of the Legislative Assembly  
Parliament House  
4 Harvest Terrace  
WEST PERTH WA 6005

Dear Madam Speaker

**ERRATUM TO BE ADDED TO THE DEPARTMENT OF HEALTH ANNUAL REPORT  
FOR 2021-22**

I am writing to seek an amendment, through the attached erratum, to page 48 of the 2021-22 Department of Health Annual Report tabled in Parliament on 11 October 2022.

Following publication and tabling of the 2021-22 Department of Health Annual Report an error was identified in the summary table of key performance indicators provided on page 48.

For the key performance indicator (KPI) related to loss of life from premature death due to identifiable causes of preventable disease or injury, the absolute variation figures reported (actual minus target) were correct but the font colours used to indicate the materiality of the variance were incorrectly applied.

I have also advised the President of the Legislative Council of this same information.

Kind regards

**HON AMBER-JADE SANDERSON MLA  
MINISTER FOR HEALTH; MENTAL HEALTH**

## Summary of key performance indicators

The Department of Health reports performance towards achieving the WA health system vision through a suite of key performance indicators. Actual results are reported against targets to help assess effectiveness of performance against desired outcomes and efficiency of service delivery. Effectiveness results are summarised in Table 7 and efficiency results are summarised in Table 8.
