## **Part 4 — Managing activities that may harm Aboriginal cultural heritage**

### **Division 1 — Terms used in Part 6 of Act**

#### **35. ACH impact statements**

For the purposes of the definition of ***ACH impact statement*** in section 100 of the Act, an ACH impact statement must include —

- (a) details of the proposed activity, including the proposed duration of the activity and the extent of the ground disturbance caused by the activity; and
- (b) details of the impact (whether beneficial or detrimental) that the proposed activity may have on Aboriginal cultural heritage located in the area in which the activity is intended to be carried out, including —
  - (i) the impact on the value the Aboriginal cultural heritage has for Aboriginal persons, including the impact on social, spiritual, historical, scientific or aesthetic values; and
  - (ii) the extent to which the Aboriginal cultural heritage may be impacted; and
  - (iii) the cumulative impact on the Aboriginal cultural heritage that the activity may have in combination with the impact of past activities carried out in the area.

#### **36. Exempt activities**

- (1) Subject to regulation 40, for the purposes of paragraph (b) of the definition of ***exempt activity*** in section 100 of the Act, the types of development are those described by Schedule 1 item 1.
- (2) Subject to regulation 40, for the purposes of paragraph (h) of the definition of ***exempt activity*** in section 100 of the Act, the activities are those described by the items in Schedule 1 under the

Subdivision headings referring to exempt activities (other than item 1).

Example for this subregulation:

An item under the heading to Schedule 1 Division 1 Subdivision 1, "Exempt general activities".

**37. Tier 1 activities**

Subject to regulation 40, for the purposes of the definition of ***tier 1 activity*** in section 100 of the Act, the activities are those described by the items in Schedule 1 under the Subdivision headings referring to tier 1 activities.

Example for this regulation:

An item under the heading to Schedule 1 Division 2 Subdivision 2, "Tier 1 emergency activities".

**38. Tier 2 activities**

Subject to regulation 40, for the purposes of the definition of ***tier 2 activity*** in section 100 of the Act, the activities are those described by the items in Schedule 1 under the Subdivision headings referring to tier 2 activities.

Example for this regulation:

An item under the heading to Schedule 1 Division 3 Subdivision 2, "Tier 2 Aboriginal cultural heritage investigation activities".

**39. Tier 3 activities**

Subject to regulation 40, for the purposes of the definition of ***tier 3 activity*** in section 100 of the Act, the activities are those described by the items in Schedule 1 under the Subdivision headings referring to tier 3 activities.

Example for this regulation:

An item under the heading to Schedule 1 Division 4 Subdivision 4, "Tier 3 activities impacting waterways or coastal waters".

**40. Most specific description of activity applies**

- (1) This regulation applies if an activity is described by more than 1 item in Schedule 1.
- (2) The activity is taken to be described by the most specific item, and not by any other item, in Schedule 1.
- (3) The most specific item is —
  - (a) unless paragraph (b) applies — the item in Schedule 1 that most specifically describes the activity; or
  - (b) if 1 or more of the items set out in Schedule 1 that describe the activity are under a

Subdivision heading referring to exempt activities — the item in Schedule 1 under a Subdivision heading referring to exempt activities that most specifically describes the activity.

## **Division 2 — ACH permits**

### **41. Notice of opportunity to submit views regarding tier 2 activity or extension of ACH permit**

  - (b) the period for complying with the request expires.

**64. Other means of giving notice**

- (1) For the purposes of section 283(1)(f) of the Act, notice of a document required or permitted to be given under

the Act to a person may be given to the person by making the notice accessible to the person through the ACH management system.

- (2) The time when notice of a document is taken to have been given to a person if the notice is given under subregulation (1) is when the notice becomes capable of being retrieved by the person through the ACH management system.

**65. Giving certain notices to landholders, occupiers of land or knowledge holders**

- (1) For the purposes of section 285(1) of the Act, the notice may be given by publishing a copy of the document —
  - (a) for a period of not less than 14 days on —
    - (i) the ACH Council’s website; or
    - (ii) another website that the ACH Council considers appropriate, taking into account the likelihood that the person to whom the notice is given will access that website;
  - or
  - (b) in a newspaper circulating —
    - (i) generally throughout the State; or
    - (ii) in the area, or areas, to which the document relates.
- (2) The time when the notice is taken to have been given to a person is —
  - (a) if the notice is given under subregulation (1)(a) — the 1<sup>st</sup> day of the period during which the document is published on the website; or
  - (b) if the notice is given under subregulation (1)(b) — the day on which the document is published in the newspaper.

**66. ACH Council must give notice if refusing to consider application or submission**

- (1) This regulation applies if the ACH Council decides —
  - (a) under section 74, 117, 124, 149 or 159 of the Act to refuse to consider, or consider further, an application by a person; or
  - (b) under section 209 of the Act to refuse to consider, or consider further, a submission by a person.

- (2) The ACH Council must, as soon as practicable after the decision is made, give to the person written notice of the decision setting out why the decision was made.

**67. Requirement for statutory declaration**

- (1) The ACH Council may make a written request to an applicant under section 38, 72(1), 83, 115(1), 122(1), 128(7)(b), 147(1), 157(1), 169 or 170 of the Act to verify by statutory declaration any information provided with the application.
- (2) The Minister may make a written request to an applicant under section 167(7)(b) of the Act to verify by statutory declaration any information provided with the application.
- (3) The ACH Council may make a written request to a person who makes a request under section 44(2)(a) or 50(1) of the Act to verify by statutory declaration any information provided with the request.
- (4) The ACH Council may make a written request to a local ACH service that provides a report under regulation 28 or 29 to verify by statutory declaration any information provided in the report.
- (5) If the Minister requests further information under section 80 or 164 of the Act, the Minister may make a written request to the person to whom the request is made to verify the further information by statutory declaration.
- (6) A request under subregulation (1), (2), (3), (4) or (5) must —
  - (a) be in writing; and
  - (b) specify the period within which the request must be complied with.

**68. Disclosure of relevant information**

- (1) In this regulation —

*authorised officer* has the meaning given in section 303(1) of the Act;

## **Part 9 — Transitional provisions**

### **Division 1 — Preliminary**

#### **71. Terms used**

In this Part —

*historical AH Act section 18 consent* has the meaning given in section 313 of the Act;

*transitional AH Act section 18 consent* has the meaning given in section 313 of the Act.

### **Division 2 — Historical AH Act section 18 consents**

#### **72. Application to avoid expiry of historical AH Act section 18 consent**

An application under section 325(2)(a) of the Act in relation to an historical AH Act section 18 consent must —

- (a) provide evidence that the purpose for which the land the subject of the consent may be used, as specified in the consent, has been substantially commenced; and
- (b) be made in the approved form; and
- (c) be made —
  - (i) through the ACH management system; or
  - (ii) by any other means approved by the Minister.

#### **73. Further information in support of application**

The Minister may make a written request to an applicant under section 325(2)(a) of the Act to do any of the following —

- (a) provide the Minister with further information relevant to the application that the Minister requires to assess the application;
- (b) verify information provided with the application, or any further information provided under paragraph (a), by statutory declaration.

#### **74. Criteria for determining whether purpose has been substantially commenced**

For the purposes of section 325(3) of the Act, the criteria to apply include the following —

- (a) whether the land is being used for the purpose specified in the consent;

- (b) whether relevant licences, permits and approvals have been obtained to use the land for the purpose specified in the consent;
- (c) whether any of the following activities have been undertaken on or in relation to the land in preparation for the purpose specified in the consent —
  - (i) clearing or other site works to support the construction of key infrastructure;
  - (ii) construction of new roads, tracks, trails, pathways or parking areas to service key infrastructure;
  - (iii) installation of new services including power, water, sewer or telecommunications services to service key infrastructure;
- (d) whether activities referred to in paragraph (c) have been undertaken on or in relation to any other land in connection with a larger project of which the purpose specified in the consent forms a part.

**75. Notice of Minister’s decision under Act s. 325**

If the Minister makes a decision under section 325 of the Act regarding an application in relation to an historical AH Act section 18 consent, the Minister must give written notice of the decision to the applicant within 14 days after the decision is made.

**Division 3 — Transitional AH Act section 18 consents**

**76. Application to extend duration of transitional AH Act section 18 consent**

An application under section 326(2)(a) of the Act in relation to a transitional AH Act section 18 consent must —

- (a) provide evidence that the purpose for which the land the subject of the consent may be used, as specified in the consent, is a State significant project; and
- (b) be made in the approved form; and
- (c) be made —
  - (i) through the ACH management system; or
  - (ii) by any other means approved by the Minister.

**77. Further information in support of application**

The Minister may make a written request to an applicant under section 326(2)(a) of the Act to do any of the following —

- (a) provide the Minister with further information relevant to the application that the Minister requires to assess the application;
- (b) verify information provided with the application, or any further information provided under paragraph (a), by statutory declaration.

**78. Criteria for determining whether purpose is State significant project**

For the purposes of section 326(3) of the Act, the criterion to apply is whether the purpose is of critical strategic importance to the State.

**79. Notice of Minister's decision under Act s. 326**

If the Minister makes a decision under section 326 of the Act regarding an application in relation to a transitional AH Act section 18 consent, the Minister must give written notice of the decision to the applicant within 14 days after the decision is made.

**Division 4 — Other transitional matters**

**80. Consultation under Act s. 329(2)**

- (1) If the consultation guidelines have not been made when the Minister begins to consult under section 329(2) of the Act, the consultation is not required to be carried out in accordance with the consultation guidelines.
- (2) If the knowledge holder guidelines have not been made when the Minister begins to consult under section 329(2) of the Act then, for the purposes of sections 107(1)(b)(ii) and 329(2)(b) of the Act, the knowledge holders for the specified area are —

87. Erecting, installing or expanding a structure in a waterway or coastal waters, other than as part of an activity described by another item in this Division.

## **Division 5 — Agriculture and natural resource management activities**

### **Subdivision 1 — Tier 1 agriculture and natural resource management activities**

- 88. Controlling feral or pest fauna without digging or excavating.
- 89. Managing weeds or flora in a way that does not, over the course of 1 calendar year, involve any of the following —
  - (a) removing more than 4 kg of material (not counting the weeds or flora);
  - (b) disturbing more than 10 m<sup>2</sup> of ground in total;
  - (c) disturbing more than 1 m<sup>2</sup> of contiguous ground;
  - (d) excavating to a depth of more than 0.5 m.

### **Subdivision 2 — Tier 2 agriculture and natural resource management activities**

- 90. Controlling feral or pest fauna, other than as described in item 88.
- 91. Managing weeds or flora, other than as described in item 89, in a way that does not involve any of the following —
  - (a) removing more than 20 kg of material (not counting the weeds or flora);
  - (b) disturbing more than 200 m<sup>2</sup> of ground in total;
  - (c) disturbing more than 10 m<sup>2</sup> of contiguous ground;
  - (d) excavating to a depth of more than 1 m.
- 92. Erecting or installing new agricultural infrastructure on existing agricultural land.

Examples for this item:

  - 1. Erecting or installing a stock watering point.
  - 2. Erecting or installing a new yard.

### **Subdivision 3 — Tier 3 agriculture and natural resource management activities**

- 93. Managing weeds or flora, other than as described in item 89 or 91.
- 94. Conducting agricultural activities in an area not previously subject to agricultural activities.
- 95. Establishing a new farm or pastoral station.
- 96. Establishing a new tree plantation.
- 97. Harvesting trees in an area not previously subject to tree harvesting.

## **Division 6 — Field investigation activities**

### **Subdivision 1 — Tier 1 field investigation activities**

- 98. An aerial survey.
- 99. A field investigation (including exploration) that does not, over the course of 1 calendar year, involve any of the following —
  - (a) removing more than 4 kg of material;
  - (b) disturbing more than 10 m<sup>2</sup> of ground in total;
  - (c) disturbing more than 1 m<sup>2</sup> of contiguous ground;
  - (d) excavating to a depth of more than 0.5 m.

### **Subdivision 2 — Tier 2 field investigation activities**

- 100. A field investigation (including exploration), other than as described in item 99, that does not involve any of the following —
